Vice Chair Wu is researching cyberbullying policies and will be reaching out to SFUSD. Commissioner Biagtan is researching AI governance and what different schools and school districts are doing around AI. Chair Martinovsky worked with DeFlockSF to get information on what the contract looks like and will be working on the resolution.

Chair Martinovsky suggests that Commissioner Oren speak with afterschool programs and that Vice Chair Wu look into public tech company information regarding cyberbullying. Vice Chair added that SFUSD needs to change its policies by 2027. The Committee talks about whether the schools track cyberbullying cases. Chair Martinovsky suggests that Commissioner Biagtan to talk to someone in the Mayoral administration about AI governance.
