

**San Francisco
Department of Public Health**

DHRPSC0002584 : Distribution of Medical Supplies

Department Project Manager: Nader Hammoud, Associate Chief Operating Officer

DPH Division – Section: SFHN/PHD/BHS – Supply Chain

Civil Service Commission

June 1, 2026

- **Scope of Services:**
 - Distribution of medical supplies (bulk and just in time).
 - Warehousing, inventory management, delivery.
 - Time-Sensitive to ensure continuous operations and care for DPH Patients and Residents.
- **How This Supports DPH Programs:** Ability to have all needed medical supplies 100% of the time to care for our patients and residents.
- **Service Delivery Locations:** All of DPH Locations: ZSFG, LHH, JHS, PHD, BHS, Ambulatory and Primary Care Clinics and Practices.
- **Service Delivery Timeline:** July 1, 2026 the date for the new contract start. Deliveries are scheduled daily, including weekends.
- **Clients to be Served:** All patients and residents being cared for by DPH at all locations.

WHY THIS PSC SUPPORTS DPH'S MISSION

- **Background and Service History:**

- DPH previously worked with City Real Estate Department with no availability of such storage capacity and term.
- DPH has always been contracting these services to vendors with well established logistical infrastructure.
- DPH source medical supplies from 388 different vendors and manufacturers.

- **Why Contracting is the Right Tool for This Need:**

- Vendor has the storage, inventory management, and delivery capabilities, and access to all manufacturers.
- One prime vendor reduces operational risks by managing all vendors/manufacturers through unified accountable structure.

- **PSC Amount:** No change to current approved amount.

- **PSC Duration:** Additional 48 months.

THANK YOU
