Date

8.60 WAIVED TESTING

Privileges in this category relate to common tests that do not involve an instrument and are typically performed by providers at the bedside or point of care. By obtaining and maintaining waived testing privileges, providers satisfy competency expectations for waived testing by The Joint Commission.

PREREQUISITES: Currently Board Admissible, Board Certified, or Re-Certified by an American Board in Emergency Medicine, Family Community Medicine, Medicine, Pediatrics, Obstetrics/Gynecology, or General Surgery.

PROCTORING: By the Chief of the Laboratory Medicine Service or designee until successful completion of a web-based competency assessment tool is documented for each requested waived testing privilege.

REAPPOINTMENT: Renewal of privileges requires every two years documentation of successful completion of a web-based competency assessment tool for each waived testing privilege for which renewal is requested.

Fecal Occult Blood Testing (Hemoccult®)

Vaginal Ph Testing (Ph Paper)
