NATURAL GAS SERVICE INTERRUPTION TREASURE ISLAND

DATE & TIMES:

AFFECTED PROPERTIES:

The SFPUC will be installing new equipment and/or performing maintenance in your area to ensure reliable service to all customers. In order to perform this work safely, the crew needs to temporarily interrupt your natural gas service, and will do its best to minimize the length of the service interruption.

If you are a Landlord with tenant(s) in the areas listed above and the SFPUC bill is in your name, it is your responsibility to notify the tenant(s) of the planned service interruption. It is also the Landlord's responsibility to re-light the tenants' pilot lights following the service interruption.

However, you will receive notification of the rescheduled date and time. The SFPUC apologizes for this inconvenience and thanks you for your patience.

OUTAGE NG NATURAL GAS TREASURE ISLAND

MGA PETA SA ORAS:

MGA APEKTADONG PROPERTY:

Ang Komisyon sa Mga Pamublikong Utility ng San Francisco (San Francisco Public Utilities Commission, SFPUC) ay maglalagay ng bagong equipment at/o magsasagawa ng pagmementina sa iyong lugar para matiyak na maaasahan ang serbisyo sa lahat ng customer. Para ligtas itong magawa, kailangan ng crew na pansamantalang ihinto ang iyong serbisyo sa natural gas, at gagawin nito ang lahat para hindi matagalan ang abala sa serbisyo.

Kung isa kang Landlord na may (mga) tenant sa mga lugar na nakalista sa itaas at nakapangalan sa iyo ang bill ng SFPUC, responsibilidad mong abisuhan ang (mga) nasabing tenant tungkol sa nakaplanong abala sa serbisyo. Responsibilidad din ng Landlord na i-relight ang mga pilot light ng mga tenant pagkatapos ng abala sa serbisyo.

Kapag hindi ligtas ang lagay ng panahon o kung may anumang hindi inaasahang emergency, kakailanganin ng Natural Gas Crew na kanselahin ang kanilang gagawin nang last minute at hindi ka nila maaabisuhan tungkol sa pagkanselang ito. Gayunpaman, makakatanggap ka ng abiso tungkol sa bagong petsa at oras. Humihingi ang SFPUC para sa abalang ito at nagpapasalamat ito sa iyong pag-unawa.

HOUSING

Community and Financial Partnerships Accelerate New Housing in San Francisco

[San Francisco Business Times](#), August 15th 2025

San Francisco's Treasure Island has served many purposes since the 1930s—World's Fair grounds, a military base, and a shelter for San Franciscans in need of a fresh start.

Today, the human-made island two miles from San Francisco's mainland is transforming again: into an inclusive neighborhood that could someday house up to 20,000 people.

The Treasure Island & Yerba Buena Island development plan, 30 years in the making, calls for up to 8,000 units of housing by 2042 and is gaining new momentum thanks to the cooperation of a network of partners, including banks, developers, nonprofits, and more. These partnerships are paving the way for the future of Treasure Island.

The City of San Francisco intended to transform Treasure Island into a thriving neighborhood since the Navy decommissioned it in 1997. But for years, realizing that vision was delayed.

"There was a real optimism in how quickly development could begin. [They] were projecting that we could be in construction by 2002, 2003," said Robert Beck, director of the Treasure Island Development Authority, a city agency....

Bay FC might have lost the game, but its history-making match Saturday at Oracle Park showed that there is robust demand to have the women's professional soccer team play in San Francisco.

The club was able to attract more than 40,000 fans to the waterfront ballpark, which is twice the capacity of the team's home venue, PayPal Park, which it leases from the San Jose Earthquakes.

While the two teams are in the middle of a five-year deal, Bay FC is deepening its ties to San Francisco, where its principal owners, Sixth Street Partners, are based. Next month, Bay FC will break ground on its training facility on Treasure Island, where it will construct a 25,000-square-foot building and three professional-size practice fields on 8.5 acres leased from the city.
