SUBJECT: Report of Exempt Appointments, Position Requests, and Expired Appointments under Charter Sections 10.104-16 through 10.104-18 for the period of July 1, 2025 to June 30, 2026

Executive Summary

This consolidated annual report is submitted to the Civil Service Commission. It provides:

- An update on appointments and position requests exempt from Civil Service Rules under Charter Sections 10.104-16 through 10.104-18.
- A review of exempt appointments that exceeded permissible Charter durations (expired appointments).

The reporting period covers July 1, 2025 through June 30, 2026. The Department of Human Resources (DHR), in partnership with City departments, continues to manage and monitor these appointments while identifying and addressing areas of noncompliance.

Background

Subject to Civil Service Commission (Commission) approval, Charter Sections 10.104-16 through 10.104-18 allow certain temporary, seasonal, substitute, and project-based positions to be exempt from civil service selection, appointment, and removal procedures. On March 8, 2018, the Commission updated procedures for processing such appointments. The Human Resources Director is authorized to review and approve requests, and DHR provides the Commission with annual reports. This consolidated version includes both the standard report of exempt appointments and position requests as well as a focused review of expired appointments that exceeded Charter limits.

Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Appointees may not work more than 1,040 hours during any fiscal year.

Departments must justify exempt requests under categories such as seasonal work, peak workloads, sporadic work, backfill for leave, disaster response, or pending PCS appointments. DHR provides training, tracking, and centralized monitoring to ensure compliance.

Charter Section 10.104-17: Substitute for PCS Employees on Leave

Departments must indicate the name and expected return date of the PCS employee on leave. Requests are only valid when tied to a PCS incumbent's absence. DHR provides oversight, training, and tracking for these appointments.

Charter Section 10.104-18: Special Project or Professional Services

Departments submit the project title, duration, objectives, scope of work, and essential duties. DHR tracks these appointments, which often include apprenticeship and training programs such as JobsNow, Workreation, and Gardener Apprenticeships.

Trend Reports

During the reporting period, approved position requests across Charter Sections 10.104-16, 10.104-17, and 10.104-18 remained relatively similar compared to the prior year. Total exempt appointments continued to decline overall, with decreases in Categories 10.104-17 and 10.104-18, while Category 10.104-16 appointments increased from the previous year.

As of June 30, 2026:

- 1,847 Charter Section 10.104-16 appointments (5.50% of workforce).
- 83 Charter Section 10.104-17 appointments (0.25% of workforce).
- 2,309 Charter Section 10.104-18 appointments (6.80% of workforce).

Total: 4,239 appointments (12.50% of workforce).

For additional detail, this report includes summary data on appointments and approved positions requests (Attachment A), a listing of expired appointments (Attachments B), a listing of approved position requests by department (Attachment C), and a listing of all Charter Section 10.104-16 appointments by category (Attachment D).

Expired Appointments

DHR monitors appointments to ensure they remain within Charter time limits and actively tracks those that exceed them. Categories 16 and 17 show no violations, but Category 18 includes expired appointments. There are six (6) Category 18 positions that passed the three-year limit (Attachment B). The six (6) positions are being resolved through active Exempt-to-Permanent (E2P) recruitments with an expected resolution in the next month. In most instances, departments were unable to address these appointments before expiration because of budgetary delays in position approvals. These results reinforce our commitment to improvement and encourage a stronger focus on proactive measures that support full Charter alignment.

Conclusion

The combined efforts of DHR and departments continue to ensure the appropriate use of exempt appointments. DHR will continue to partner with departments to improve compliance.

Recommendation

Adopt the report.
