Re: **Enforcement report memo**

Good evening commissioners. We have received 110 3-1-1 complaints since our last commission hearing on October 6th. I have one update tonight, please let me know if you have any questions.

Risto Bar/Eria – Citation

My only update tonight is about Risto Bar, which is now dba Eria, located at 2300 Chestnut St. who holds an LLP with our office. On Sunday, October 11th we received two sound complaints about Risto Bar/Eria around 5:10pm. Inspector Adams responded to the complaint at 5:30pm and as he was walking up to the business, he observed a two-piece band performing outside of the business. He spoke with the manager on duty and explained that the LLP permit for the premises does not allow for outdoor entertainment. Management was receptive to Inspector Adams' feedback and brought the musicians inside and they stopped performing. Risto Bar/ Eria was issued a citation on October 15th for operating outdoor entertainment without proper permitting.
