Dear Applicants,

Appendix D: Budget Template Clarification

Although the deadline to submit substantive questions has passed, we recently received a technical question about **Appendix D: Budget Template** that may be helpful to other applicants.

The question concerns the Fringe Benefits percentage formula. If your budget does not include any personnel expenses, the locked **Fringe Benefits percentage cell (C15)** will display an error message (#DIV/0!).

This is expected and does not affect how your budget will be processed or reviewed. No action is needed.

You can find this question and response, along with other helpful information, in our [Q&A database](#).
