**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
OF
1600 MARKET**

This DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF 1600 MARKET ("Declaration") is made this 27 day of December, 2013 by CJUF III 1600 PROPERTY LLC, a Delaware limited liability company ("Declarant") with reference to the facts set forth below.

**ARTICLE 1
RECITALS**

All initially capitalized terms used in the Recitals are defined in **ARTICLE 2**.

1.1 Property Owned by Declarant. Declarant is the owner of the real property situated in the City and County of San Francisco, State of California, more particularly described on **Exhibit "A"** ("Property").

1.2 Nature of Community. Declarant intends to establish a plan of condominium ownership and to develop the Property, as a condominium community within the meaning of California Business and Professions Code Section 11004.5(c) and California Civil Code Section 1351(f), to conform with the provisions of the California Subdivided Lands Law (California Business and Professions Code Section 11000, *et seq.*) and to subject the Property to certain limitations, restrictions, conditions and covenants as hereinafter set forth, in accordance with the provisions of California Civil Code Sections 1350 *et seq.* To that objective, Declarant desires and intends to impose on the Property certain mutually beneficial restrictions, limitations, easements, assessments and liens under a comprehensive plan of improvement and development for the benefit of all of the Owners, the Condominiums, Common Area and Association Property and the future Owners of said Condominiums, Common Area and Association Property.

1.3 Description of Community. Declarant intends to develop a mixed use residential and commercial development on the Property consisting of twenty-four (24) Residential Condominiums and a maximum of two (2) Commercial Condominiums. The Commercial Area will consist of Grid Blocks which may be conveyed as either one Commercial Condominium or two Commercial Condominiums. If the Commercial Area is conveyed as two Commercial Condominiums, the boundaries of the two Condominiums shall be determined by the number of adjacent Grid Blocks conveyed. If the Commercial Area is conveyed as a single Commercial Condominium, that Condominium shall consist of all of the Grid Blocks within the Commercial Area. Owners of a Condominium will receive title to a Unit plus an undivided fractional interest as tenant in common to the Common Area. Each Residential Owner will also receive certain easements for ingress, egress, use and enjoyment over the Association Property designated on the Condominium Plan and the Commercial Owners will receive certain easements for ingress, egress, use and enjoyment over portions of the Association Property specified for use by the Commercial Owners in the Governing Documents. Such easements are more particularly described in this Declaration and the deeds conveying the Units to the Owners. Each Condominium shall have appurtenant to it a membership in 1600 Market Street Owners Association, a California nonprofit mutual benefit corporation ("**Association**") (formed pursuant to the California Nonprofit Mutual Benefit Corporation Law), its successors and assigns.

DECLARATION

Declarant declares that the Property is, and shall be, held, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to the following limitations, covenants, conditions, restrictions, easements, liens and charges, all of which are declared and agreed to be in furtherance of a plan of condominium ownership as described in California Civil Code Section 1350 *et seq.* for the subdivision, improvement, protection, maintenance, and sale of

Condominiums within the Property, and all of which are declared and agreed to be for the purpose of enhancing, maintaining and protecting the value and attractiveness of the Property. All of the limitations, covenants, conditions, restrictions, easements, liens and charges shall run with the land, shall be binding on and inure to the benefit of all Persons having or acquiring any right, title or interest in the Property and shall be enforceable equitable servitudes. Declarant further declares that it is the express intent that this Declaration satisfy the requirements of California Civil Code Section 1354.

4.4 Duties of the Association. In addition to the powers described above, and without limiting their generality, the Association, has the power and the obligation to perform each of the duties set forth below.

4.4.1 Applicable Laws and Governmental Entitlements. The Association shall comply with all Applicable Laws and the Governmental Entitlements.

4.4.2 Obligations Under Other Governing Documents. The Association shall perform all other duties that may be expressly imposed on the Association in the Governing Documents.

4.4.3 Acceptance of Association Property. The nature, design, quality and quantity of all Improvements to the Association Property shall be determined by Declarant, in its sole discretion. The Association shall accept any Association Property and Improvements situated thereon conveyed by Declarant and/or created under this Declaration and shall maintain, repair, replace, operate, and otherwise manage all of the Improvements and facilities required to be maintained by the Association, and all personal property acquired by the Association in accordance with the terms and provisions of the Governing Documents and the Governmental Entitlements. The Board shall periodically review the nature and scope of the operations of the Association to assure such operations are in satisfactory compliance with the requirements of the Governing Documents and the Maintenance Obligations. The Association shall comply with the requirements of any agreements entered into between Declarant and a Governmental Agency pertaining to the Association Property. In the event that a dispute arises between Declarant and the Association with respect to the nature, design, quality or quantity of such Improvements, or the acceptance of maintenance responsibilities therefore, the Association shall be obligated to accept title to the Association Property and undertake maintenance responsibilities therefor, pending resolution of the dispute, in accordance with the provisions for enforcement set forth in **ARTICLE 16** herein.

4.4.4 Utilities. The Association shall acquire, provide and pay for water and other utility services for the Association Property to the extent necessary. The Association shall have the duty to permit utility suppliers and other providers of any telecommunications or other services to use portions of the Association Property reasonably necessary to the ongoing development and operation of the Community.

4.4.5 Maintenance of Community. The Association shall perform the Maintenance Obligations described in **ARTICLE 8**.

4.4.6 Members' Approval of Certain Actions. In the event of any claim or other actions brought by the Association against Declarant, including without limitation claims brought under California Civil Code Section 895 et seq. involving allegations of construction defects relating to the Association Property or Condominiums is not resolved pursuant to the Pre-Arbitration Procedures set forth in **Section 16.6**, the Association shall not initiate a further action or arbitration proceeding under **ARTICLE 16** without first obtaining the consent of the Owners other than Declarant constituting a majority of the Voting Power. Each Owner and the Association, by acceptance of a deed to a Condominium or Association Property, as applicable, agrees that because representative claims (i.e. claims related to the Association Property or claims by the Association on behalf of the Owners) by the Association may create disclosure requirements and/or may impair the ability of Owners to sell or finance their Condominiums, the Association must obtain the consent of a majority of Owners before filing such representative claims. Any request for consent of the Owners to approve a claim under this Section shall include an analysis of the potential financial exposure to the Owners, including without limitation, whether a contingent fee will be charged and, if so, the amount of such fee, whether costs incurred in connection with the claim will be deducted from any proceeds and any other costs or financial risks which may result from the claim. Each Owner and the Association acknowledge that obtaining such consent is a reasonable requirement to ensure that each Owner is given the ability to evaluate the impact such action or arbitration proceeding may have on the value, sale and/or financability of Condominiums.

4.4.7 Management. The Association shall have the duty to retain a professional manager or other Persons and contract with independent contractors or managing agents who have professional experience in the management of similar planned communities to perform any services required for the maintenance, protection, operation and preservation of the Property.

4.4.8 Assessments. The Association shall establish, determine, levy, collect and enforce payment of all Assessments and cause to be prepared all budgets and financial statements and establish and maintain a working capital and contingency fund as required by the Governing Documents.

4.4.9 Assignment of Maintenance Responsibilities. The Association shall have the right to relinquish or assign its maintenance responsibilities to any Governmental Agencies, including without limitation, maintenance or assessment districts, utility companies and/or school districts.

4.4.10 Taxes and Assessments. The Association shall have the duty to pay all real and personal property taxes levied against the Association Property or any other taxes or assessments which could become a lien on the Association Property or any portion thereof. Such taxes and assessments may be contested by the Association provided that they are paid or that a bond insuring payment is posted before the sale or the disposition of any property to satisfy the payment of such taxes. If all or some of the Units are taxed under a blanket tax bill, each Owner shall pay his or her proportionate share of any installment due under the blanket tax bill to the Association at least ten (10) days prior to the delinquency date; and the Association shall transmit the taxes to the appropriate tax collection agency on or before the delinquency date. Blanket taxes shall be allocated among the Owners and their Condominiums, based upon the prorated approximate square footage of each Unit or upon such other equitable basis as the Board deems appropriate. The method of allocation shall be determined by the Board in its sole discretion and, provided that such allocation is applied to all Owners in a fair and reasonable manner, the allocation shall be binding on all Owners. The Association shall, at least forty-five (45) days prior to the delinquency date of any blanket tax installment, deliver to each owner a copy of the tax bill, along with a written notice setting forth the Owner's obligation to pay the proportionate share of the tax installment and the potential additional charges to the Owner for failure to comply. The Association shall add to the Regular Assessment of a delinquent Owner the amount of any sum advanced, plus interest at the rate of ten percent (10%) per annum and any amount necessary to reimburse the Association for any penalty or late charge actually assessed in connection with the blanket tax bill, which late charge results from the failure of the delinquent Owner to make timely payment of his proportionate share of the taxes. This Section may not be amended without the express written consent of Declarant for two (2) years after the conveyance of the first Residential Unit pursuant to a Public Report.

4.4.11 Liens and Charges. The Association shall pay any amount necessary to discharge any lien or encumbrance upon the Association Property, or any other property or interest of the Association.

4.4.12 Members' Approval of Certain Actions. In the event that any claim or other action brought by the Association against Declarant, including, without limitation, claims brought under California Civil Code Section 895 *et seq.* involving allegations of construction defects relating to the Association Property is not resolved pursuant to the non-adversarial procedures set forth in California Civil Code Sections 910 through 938, as applicable, the Association shall not initiate a further action or arbitration proceeding under **Section 16.5** or otherwise without first obtaining the consent of the Owners other than Declarant constituting a quorum of a majority of the Owners of the Association casting a majority of the votes at a meeting or election of the Association conducted in accordance with the provisions of California Corporations Code Sections 7510 *et seq.* and 7613.

4.4.13 Architectural Control. The Association shall have the duty to promulgate architectural standards and procedures as set forth in the Architectural Guidelines and may appoint or remove members of the Architectural Committee or hire a consultant in connection therewith in accordance with the provisions of **ARTICLE 9**.

4.4.14 Association Rules. The Association shall adopt, amend and repeal the Association Rules as it deems reasonable. The Association Rules shall govern the Community. However, the Association Rules shall not be inconsistent with or materially alter any provisions of the other Governing Documents. The Association is specifically authorized to adopt rules regarding smoking within the Community, including without limitation, rules prohibiting smoking within the individual Units and throughout the Association Property. A copy of the Association Rules, as adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner. In case of any conflict between any of the Association Rules and any other provisions of this Declaration, the conflicting

Association Rule shall be deemed to be superseded by the provisions of the other Governing Documents. Notwithstanding any provision of this Declaration to the contrary and to the extent Civil Code Section 1357.100 *et seq.* is applicable to the Association Rules, any rule which is considered to be an operating rule under California Civil Code Section 1357-100 *et seq.* may not be adopted, changed or amended except by and pursuant to the procedures set forth in California Civil Code Section 1357.100 *et seq.*

4.4.15 Insurance. The Association shall maintain the insurance described in **ARTICLE 11.**

4.4.16 Notice Prior to Litigation. The Association shall notify all Owners of any litigation filed for or on behalf of the Association. The notice shall include a proposed budget for the litigation and an explanation of the source of the funds for the litigation. Such notice shall provide an explanation of why the litigation is being initiated or defended, and shall include a budget for the litigation (including, without limitation, experts' fees and costs, consultants' fees and costs and the costs of the proceedings.) The notice must state that the members have a right to review an accounting for the litigation provided in Section 1365.5 of the California Civil Code, which will be available at the Association's office pursuant to the provisions of **ARTICLE 17.** Any such litigation which is filed shall also conform to the requirements set forth in **ARTICLE 16.**

4.4.17 Financial Matters. The Association shall prepare annual Budgets, reports, balance sheets and operating statements for the Association as required under the Governing Documents.

4.4.18 Use of Proceeds to Repair. If the Association receives, on its own behalf or for the benefit of the Owners, any proceeds as a result of any construction defect or other claims or litigation brought by the Association, then the Association shall apply such proceeds first for the purpose of repairing such defects or replacing reserve funds previously utilized by the Association to cause such repairs and then, to the costs of such litigation. Any excess proceeds shall be applied as determined by the Board, subject to any requirements established by Applicable Laws.

4.4.19 Inspections. The Association shall perform all inspections as and when required under the Association Maintenance Manual.

4.4.20 Warranties. The Association shall comply with the terms of each warranty in favor of the Association, if any, for any equipment or facilities within the Association Property, which warranties may be impaired or eliminated if the Association fails to maintain in effect certain maintenance contracts. The Association acknowledges that warranties may require the Association to maintain certain maintenance contracts in effect and, to the extent the Board discontinues such maintenance contracts, the effectiveness of the warranty may be impaired or eliminated.

4.4.21 Maintenance Manuals. The Association shall maintain at the offices of the Association a copy of the Owner Maintenance Manual provided by Declarant to the Owners and shall make available to every Owner upon request a copy of the Owner Maintenance Manual for the Owners' Units. The Association shall have the right to charge the requesting Owner a fee for the copying of such Owner Maintenance Manual. The Association shall also comply with provisions of the Association Maintenance Manual provided by Declarant to the Association. The Board may, from time to time, make appropriate revisions to the Owner Maintenance Manual and the Association Maintenance Manual based on the Board's review thereof, to update such manual to provide for maintenance according to current industry practices so long as such changes do not reduce the useful life or functionality of the items being maintained. Notwithstanding the foregoing, no changes to the Owner Maintenance Manual or the Association Maintenance Manual may be made within ten (10) years after the first conveyance of a Unit pursuant to a Public report without Declarant's approval.

4.4.22 Minutes of Board Meetings. The Association shall supply copies of the minutes or a summary of the minutes of any meeting of the Board to the Declarant within thirty (30) days of the applicable meeting for a period of one (1) year after the conveyance of the last Condominium from Declarant to an Owner under a Public Report.

4.5 Limitations on Authority of Board.

4.5.1 Actions Requiring Member Approval. The Board shall not take any of the actions listed below except (i) with the vote or written consent of a majority of the Members of each of Class A and Class B during the time the Class B voting structure set forth in **Section 5.2** is in effect; or (ii) except with the vote at a meeting of the Association, or by written ballot without a meeting pursuant to Corporations Code Section 7513, of at least a majority of the Members of the Association including at least a majority of Association Members other than Declarant after conversion to a single Class A voting membership, except that if any of the actions set forth below are actions which only relate to the Residential Condominiums, then only the consent of a majority of the Residential Owners shall be required, that if the action only relates to the Commercial Condominiums then only the approval of the Commercial Owner shall be required.

(a) Incur aggregate expenditures for capital improvements to the Association Property in any Fiscal Year in excess of five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year;

(b) Sell during any Fiscal Year property of the Association having an aggregate fair market value greater than five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year;

(c) Pay compensation to Members for services performed in the conduct of the Association's business. However, the Board may cause a member of the Board to be reimbursed for expenses incurred in carrying on the business of the Association; or

(d) Enter into a contract with a third person wherein the third person will furnish goods or services for the Association Property for a term longer than one (1) year with the following exceptions:

(i) A management contract, the terms of which have been approved by the Federal Housing Administration;

(ii) A contract with a public utility company if the rates charged for the materials or services are regulated by the Public Utilities Commission; provided, however, that the term of the contract shall not exceed the shortest term for which the supplier will contract at the regulated rate;

(iii) An agreement for cable television services and equipment or satellite television services or equipment not to exceed five (5) years duration, provided that the supplier is not an entity in which the Declarant has a direct or indirect ownership interest of ten percent (10%) or more;

(iv) A prepaid casualty and/or liability insurance policy not to exceed three (3) years duration; provided that the policy permits short-rate cancellation by the insured;

(v) A contract for a term not to exceed three (3) years that is terminable by the Association after no longer than one (1) year without cause, penalty or other obligations upon ninety (90) days written notice of termination to the other party;

(vi) A contract submitted to the DRE in connection with an application for a Public Report; and

(vii) Any maintenance agreement for the maintenance of any portion of the Association Property which is required as a condition to the effectiveness of any warranty in favor of the Association.

4.5.2 Property Manager. The Association shall not hire any employees. The manager of the Association shall at all times be a professional manager operating as an independent contractor. The Association shall not discontinue the management of the Association by a professional, and certified or accredited management company without the vote of (a) Declarant, so long as Declarant owns any Unit within the Community, or two (2) years after the first conveyance of a Residential unit pursuant to a Public Report and (b) a vote of seventy-five percent (75%) of the Voting Power of the Association and their First Mortgagees. If the Association votes to discontinue the management of the Association by a certified or accredited professional manager in accordance with the procedures set forth above, then any replacement manager shall have at least five (5) years experience in the management of mixed use condominium communities and shall have earned accreditation or certification from a professional association management organization such as the Professional Community Association of Managers designation from the Community Association Institute.

4.6 Indemnification of Management Parties The Association has the power and duty to indemnify, defend, protect and hold harmless each Management Party for all damages, and expenses incurred (including, without limitation, reasonable attorneys' fees), and satisfy any judgment or fine levied as a result of any action or threatened action brought because of an act or omission what such Person reasonably believed was an Official Act. Management Parties are deemed to be agents of the Association when they are performing Official Acts for purposes of obtaining indemnification from the Association pursuant to this Section. The entitlement to indemnification under this Declaration inures to the benefit of the estate, executor, administrator and heirs of any Person entitled to such indemnification. The Association has the power, but not the duty, to indemnify any other Person acting as an agent of the Association for damages incurred, pay expenses incurred, and satisfy any judgment or fine levied as a result of any action or threatened action because of an Official Act. The Association also has the power, but not the duty, to contract with any person to provide indemnification in addition to any indemnification authorized by law on such terms and subject to such conditions as the Association may impose.

4.7 Personal Liability No volunteer, officer or volunteer director of the Board, or of any committee of the Association, or any officer of the Association, or any manager, or Declarant, or any agent or employee or consultant of Declarant (each a "**Management Party**"), shall be personally liable to any Owner, or to any other Person, including the Association, for any error or omission of any Management Party if such Person has, on the basis of such information as may be possessed by him or her, acted in good faith without willful or intentional misconduct. In addition, any person who suffers bodily injury, including, without limitation, emotional distress or wrongful death as a result of the tortious act or omission of a member of the Board who resides in the Community either as a tenant or as an Owner of no more than two (2) Residential Units, and who, at the time of the act or omission, was a "volunteer", shall not recover damages from such Board member if such Board member committed the act or omission within the scope of its Association duties, while acting in good faith and without acting in a willful, wanton or grossly negligent manner, provided that the Association maintains and has in effect at the time a claim is made the policies of insurance required by **Section 11.1**.

4.8 Additional Provisions. Notwithstanding the provisions of this Declaration, by accepting a deed for a portion of the Property, the Association and the Owners acknowledge and agree that there may be Applicable Laws for the operation of the Association and the Property by the Association, including, without limitation, the Davis-Stirling Common Interest Development Act of Section 1350, *et seq.*

of the California Civil Code and the Association and Owners shall comply with such provisions to the extent required by such Applicable Laws.

ARTICLE 5 MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

5.1 Membership.

5.1.1 Qualifications. Each Owner of a Condominium that is subject to Assessment, including Declarant, shall be a Member of the Association. Ownership of a Condominium or interest in it shall be the sole qualification for membership in the Association. Each Owner shall remain a Member of the Association until its ownership interest in the Condominiums in the Community ceases at which time its membership in the Association shall automatically cease.

5.1.2 Members' Rights and Duties. Each Member shall have the rights, duties, and obligations set forth in the Governing Documents.

5.1.3 Transfer of Membership. The Association membership of each Owner shall be appurtenant to each such Condominium, and shall not be assigned, transferred, pledged, hypothecated, conveyed or alienated in any way except on a transfer of title to each such Condominium or interest in it and then only to the transferee. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Condominium or interest in it shall operate automatically to transfer the appurtenant membership right in the Association to the new Owner.

5.1.4 Commencement of Voting Rights. An Owner's right to vote, including Declarant's right to vote, shall not vest until Regular Assessments have been levied upon such Owner's Condominium as provided in this Declaration.

5.2 Number of Votes. The Association shall have two (2) classes of voting membership as described below. The voting rights described in **Sections 5.2.1 and 5.2.2** below shall constitute the Voting Power of the Association:

5.2.1 Class A Members. Class A Members shall be all Owners, with the exception of Declarant (until the conversion of Declarant's Class B membership to a Class A membership as provided in **Section 5.2.2** below), and shall be entitled to one (1) vote for each Condominium owned. When more than one (1) Person holds an interest in any Condominium, all such Persons shall be Members. The vote for such Condominium shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to such Condominium.

5.2.2 Class B Members. Class B Member(s) shall be Declarant who shall be entitled to three (3) votes for each Condominium owned or, for the Commercial Condominiums, three (3) times Declarant's Commercial Share for any Commercial Condominium or Grid Block owned. The Class B membership shall cease and be converted to Class A membership on the happening of the earliest of the following to occur:

(a) The date the total outstanding votes held by Class A members equal the total outstanding votes held by the Class B member; or

(b) The second anniversary of the first close of escrow of a Condominium covered by the original Public Report for the Community.

As long as Class B membership exists, no action by the Association that must have the prior approval of the Association Members shall be deemed approved by the Members unless approved by the appropriate percentage of Class A and Class B Members, except as set forth in **Section 4.4.12**. Upon conversion to a single Class A voting membership, any action by the Association that must have the

prior approval of the Members will require approval by at least a majority of the Members of the Association including at least a majority of Members other than Declarant.

5.2.3 Special Voting Rights for Owners of Residential Condominiums.

Notwithstanding anything to the contrary set forth in this Declaration, any issue relating to the following shall require the approval of a majority of the Voting Power of the Residential Owners, unless a higher percentage is required under this Declaration in which case the higher percentage shall apply:

(a) Any matter requiring a vote of Owners relating to the allocation to, or increase or decrease of the assessments under the Residential Budget or assessments attributable only to the Residential Owners except that, if Section 1366 of the California Civil Code or any similar Applicable Law requires the approval of all Owners, then this provision shall not apply;

(b) Any matter requiring a vote of Owners relating to the Residential Facilities and related Improvements;

(c) Any changes to the Community Handbook affecting solely the Residential Condominiums; and

(d) Any other matter solely relating to the Residential Condominiums.

5.2.4 Special Voting Approval Rights for Owners of Commercial Condominiums.

Notwithstanding anything to the contrary set forth in this Declaration, any issue relating to the following shall require the approval of a majority of the Voting Power of the Commercial Owners, unless a higher percentage is required under this Declaration in which case the higher percentage shall apply

(a) Any matter relating solely to the Commercial Condominiums; and

(b) Any changes to the Community Handbook affecting solely the Commercial Condominiums.

5.3 Declarant's Right to Select Director. In any election of Directors after the Class B membership has been terminated, so long as Declarant owns any of the Property, the Board shall adopt special procedures to ensure that at least one (1) Director is selected by Declarant. A representative to the Board selected by Declarant pursuant to the provisions of this Section may be removed prior to the expiration of his or her term of office only with the consent of Declarant.

5.3.1 Joint Owner Votes. The voting rights for each Condominium may not be cast on a fractional basis. If the joint Owners of a Condominium are unable to agree among themselves as to how their voting rights shall be cast, they shall forfeit the vote on the matter in question. If any Owner exercises the voting rights of a particular Condominium, it will be conclusively presumed for all purposes that such Owner was acting with the authority and consent of all other Owners of the same Condominium. If more than one (1) Person exercises the voting rights for a particular Condominium, their votes shall not be counted and shall be deemed void.

**ARTICLE 6
ASSESSMENTS**

6.1 Creation of Lien and Personal Obligation for Assessments. Declarant, for each Condominium owned within the Property, hereby covenants, and each Owner of a Condominium by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all Assessments levied pursuant to the provisions of this Declaration. All Assessments levied hereunder, together with Additional Charges, shall be a charge on the land and shall be a continuing lien upon the Condominium against which each such Assessment is

made, the lien to be effective upon recordation of a notice of delinquent Assessments. Each such Assessment, together with Additional Charges, shall also be the personal obligation of the Person who was the Owner of such Condominium at the time when the Assessment fell due and shall bind its heirs, devisees, personal representatives and assigns. Unlike the lien for non-delinquent Assessments, the personal obligation for delinquent Assessments shall not pass to successive Owners, unless expressly assumed by such successive Owner. No such assumption of personal liability by a successive Owner (including a contract purchaser under an installment land contract) shall relieve any Owner against whose Condominium the lien was levied from personal liability for delinquent Assessments. If more than one Person was the Owner of a Condominium, the personal obligation to pay such Assessment or installment respecting such Condominium shall be both joint and several.

6.2 Funds Held in Trust The assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the operation, care and maintenance of the Community as provided in this Declaration. Upon the sale or transfer of any Condominium, the Owner's interest in the funds shall be deemed automatically transferred to the successor in interest of such Owner. A general operating fund shall be established for current expenses of the Association.

6.3 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to perform the obligations and duties of the Association, including, without limitation, the improvement and maintenance of the Association Property and for any other maintenance responsibilities of the Association, and to reimburse the Association for the costs incurred in bringing an Owner into compliance with the Governing Documents. The Association shall not impose or collect any Assessment, penalty or fee that exceeds the amount necessary for the purpose or purposes for which it is levied. If the Association decides to use or transfer reserve funds to pay for litigation, the Association must notify its Members of the decision at the next available meeting. Such notice shall provide an explanation of why the litigation is being initiated or defended, why operating funds cannot be used, how and when the reserve funds will be replaced, and a proposed budget for the litigation. The notice must state that the Members have a right to review an accounting for the litigation as provided in Section 1365.5 of the California Civil Code which will be available at the Association's office. The accounting shall be updated monthly.

6.4 Regular Assessments.

6.4.1 Payment of Regular Assessments. Regular Assessments for each Fiscal Year shall be established when the Board approves the Budget for that Fiscal Year, which Budget shall be prepared in accordance with the provisions of the Governing Documents. Regular Assessments shall be levied on a Fiscal Year basis. Unless otherwise specified by the Board, Regular Assessments shall be due and payable in monthly installments on the first day of each month during the term of this Declaration. Declarant's obligation to pay such Regular Assessments may be reduced in accordance with the terms of any maintenance or subsidy agreement executed by Declarant and the Association.

6.4.2 Budgeting. Regardless of the number of Members or the amount of assets of the Association, each year the Board shall prepare, approve and make available to each Member a Budget as described in the Bylaws not less than thirty (30) days nor more than ninety (90) days prior to the beginning of the Fiscal Year or as otherwise required by Applicable Law.

6.4.3 Non-Waiver of Assessments. If before the expiration of any Fiscal Year the Association fails to fix Regular Assessments for the next Fiscal Year, the Regular Assessment established for the preceding year shall continue until a new Regular Assessment is fixed.

6.4.4 Restrictions for Tax Exemption. As long as the Association seeks to qualify and be considered as an organization exempt from federal and state income taxes pursuant to Internal Revenue Code Section 528 and California Revenue and Taxation Code Section 2370 and any amendments thereto, then the Board shall prepare its annual Budget and otherwise conduct the

business of the Association in such a manner consistent with federal and state requirements to qualify for such status.

6.5 Special Assessments. If the Board determines at any time that the estimated total amount of funds necessary to defray the Common Expenses of the Association for a given Fiscal Year is or will become inadequate to meet expenses for any reason, including, without limitation, unanticipated delinquencies, costs of construction, unexpected repairs or replacements of capital improvements on, damage and destruction or condemnation of, the Association Property or any other areas which the Association is obligated to maintain, the Board shall determine the approximate amount necessary to defray such expenses, and if the amount is approved by a majority vote of the Board and does not exceed five percent (5%) of the budgeted gross expenses of the Association, it shall become a Special Assessment. Any Special Assessment in excess of five percent (5%) of the budgeted gross expenses of the Association shall be subject to the limitations set forth in **Section 6.8.1** below; provided, however, that such limitation shall not apply to Special Assessments levied by the Association to replenish the Association's reserve account as provided in the Section of the Bylaws titled "Reserves." The Board may, in its discretion, prorate such Special Assessment over the remaining months of the Fiscal Year or levy the Assessment immediately against each Condominium. Unless exempt from federal or state income taxation, all proceeds from any Special Assessment shall be segregated and deposited into a special account and shall be used solely for the purpose or purposes for which it was levied or it shall be otherwise handled and used in a manner authorized by Applicable Laws of the Internal Revenue Service or the California Franchise Tax Board in order to avoid, if possible, its taxation as income of the Association.

6.6 Capital Improvement Assessment. In addition to any other Assessments provided for hereunder, the Association may levy a Capital Improvement Assessment for the purpose of defraying, in whole or in part, the cost of any construction or replacement of a capital improvement in accordance with the provisions of **Section 4.3.8**. Capital Improvement Assessments shall be due and payable by all Owners in such installments and during such period or periods as the Board shall designate. However, if the capital improvement benefits only the Residential Owners without contributions from the Commercial Owner, such Capital Improvement Assessments shall be payable by the Residential Owners. Increases in Capital Improvement Assessments shall be subject to the limitations set forth in **Section 6.8.1** below.

6.7 Enforcement Assessments. The Association may levy an Enforcement Assessment against any Owner for bringing an Owner or its Condominium into compliance with the provisions of the Governing Documents, and/or any other charge designated an Enforcement Assessment in the Governing Documents, together with any Additional Charges related thereto as provided in this Declaration. If the Association undertakes to provide materials or services which benefit individual Owners, then such Owners in accepting such materials or services agree that the costs thereof shall be an Enforcement Assessment. The Association shall have the authority to adopt a reasonable schedule of Enforcement Assessments for any violation of the Governing Documents. If, after Notice and Hearing as required by the Governing Documents and which satisfies Section 7341 of the California Corporations Code and Section 1363 of the California Civil Code, the Owner fails to cure or continues such violation, the Association may impose an additional fine each time the violation is repeated, and may assess such Owner and enforce the Enforcement Assessment as herein provided for nonpayment of an Assessment. A hearing committee may be established by the Association to administer the foregoing. Notwithstanding any other provision in this Declaration to the contrary, except as provided in **Section 6.14.1** of this Declaration, Enforcement Assessments are Assessments but they may not become a lien against the Owner's Condominium that is enforceable by a power of sale under California Civil Code Sections 2924, 2924b and 2924c. This restriction on enforcement is not applicable to late payment penalties for delinquent assessments or charges imposed to reimburse the Association for loss of interest or for collection costs, including reasonable attorneys' fees, for delinquent assessments.

6.8 Changes to Assessments.

6.8.1 Limitation on Assessments. From and after January 1st of the year immediately following the conveyance of the first Condominium to an Owner, other than Declarant, the maximum annual Regular Assessment may not, except in the case of an Emergency (as hereinafter defined), be increased by an amount greater than twenty percent (20%) of the Regular Assessments for the preceding Fiscal Year and Special Assessments and Capital Improvement Assessments shall not be imposed that in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year, without the consent of the Members, constituting a quorum and casting a majority of the votes at a meeting or election of the Association conducted in accordance with the provisions of (i) California Civil Code Section 1363.03 and the rules adopted by the Board pursuant thereto and (ii) California Corporations Code Sections 7510 *et seq.* and 7613. The Board may not increase the Regular Assessments for any Fiscal Year unless it has complied with California Civil Code Section 1366. For the purpose of this Section, a quorum shall mean a majority of the Owners of the Association and an Emergency shall mean any one of the following:

- (a) an extraordinary expense required by an order of a court;
- (b) an extraordinary expense necessary to repair or maintain the Association Property, or any part of the Community which is the responsibility of the Association to maintain where a threat to personal safety is discovered; or
- (c) an extraordinary expense necessary to repair or maintain the Association Property, or any part of the Community for which the Association is responsible to maintain that could not have been reasonably foreseen by the Board in preparing and distributing the Budget; provided, however, that prior to the imposition or collection of a Regular Assessment under this Section, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense which is involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the Members with the notice of Regular Assessment.

6.8.2 Calculation of Percentage Increase in Regular Assessments. For the purpose of calculating whether an increase to Regular Assessments exceeds twenty percent (20%), the term "Regular Assessments" shall be deemed to include the amount assessed against each Condominium by the Association as a Regular Assessment plus any amount paid by the Declarant as a subsidy pursuant to any subsidy agreements, to the extent such subsidy payments offset any amount which would otherwise be paid by Owners as Regular Assessments. Any increases authorized under this Section shall not be imposed unless the Board has complied with the budgetary requirements set forth in Article 9 of the Bylaws with respect to the Fiscal Year for which an assessment is being levied.

6.8.3 Notice to Owners. The Association shall provide notice by first class mail to the Owners of any increase in the Regular Assessments or Special Assessments of the Association, not less than thirty (30) days and not more than sixty (60) days prior to the increased assessment becoming due and payable.

6.8.4 Residential Budget and General Budget. The Budget consists of a General Budget and a Residential Budget. The General Budget sets forth the portion of the Common Expenses allocable to both the Residential Owners and the Commercial Owner. The Residential Budget sets forth the portion of the Common Expenses allocable only to the Residential Owners. The General Budget and Residential Budget shall consist of (a) Common Expenses which are fixed at a uniform rate for all Units to which such Common Expenses apply ("**Fixed Expenses**") and (b) Common Expenses which consist of certain line items which are variable ("**Variable Expenses**"). The Variable Expenses in the General Budget shall be allocated in accordance with the formula set forth in **Exhibit "C"** attached hereto and incorporated herein ("**General Variable Expense Allocation**").

6.9 Rate of Assessment. Except as otherwise provided for herein, that portion of Regular, Special and Capital Improvements Assessments set forth in the General Budget and the Residential Budget as "variable expenses" shall be allocated by the Board as provided in **Exhibit "C"** attached hereto. All other items covered by any Regular, Special and Capital Improvement Assessments set forth in the General Budget and the Residential Budget shall be fixed at a uniform rate for all Units. Enforcement Assessments shall be levied directly to the individual Units.

6.10 Date of Commencement of Regular Assessments; Due Dates. The Regular Assessments provided for herein shall commence as to all Condominiums on the first day of the month following the conveyance of the first Condominium under authority of a Public Report.

6.11 Notice and Assessment Installment Due Dates. The Association shall provide notice by first-class mail to each Owner of any increase in the Regular Assessment, and notice of any Special Assessment or Capital Improvement Assessment not less than thirty (30) days nor more than sixty (60) days prior to the increased Regular Assessment or the Special Assessment or Capital Improvement Assessment becoming due. A single ten (10) day prior written notice of each Special Assessment and Capital Improvement Assessment shall be given to each Owner. The due dates for the payment of Regular Assessments normally shall be payable the first day of each month unless some other due date is established by the Association. The due date for Special Assessments or Capital Improvement Assessments shall be specified in the notice provided by the Association and if such Special Assessments or Capital Improvement Assessments are payable in installments, such installments normally shall be the first day of each month unless some other due date is established by the Association. Each installment of Regular Assessments, Special Assessments and Capital Improvement Assessments shall become delinquent if not paid within fifteen (15) days after its due date. There shall accrue with each delinquent installment a late charge, an interest charge at the Applicable Rate and reasonable costs of collection, including attorneys' fees and costs, but which shall not in any event exceed the maximum rates permitted under California Civil Code Section 1366.

6.12 Reduction in Assessments for, and Expenses Related to Occupancy. The Association may exclude from Regular Assessments payable by Declarant for any Commercial Condominium or Grid Blocks owned by Declarant or a Declarant Party, appropriate portions of those budgeted line items that are attributable to occupancy and increase as occupancy increases. Any such exemption from a portion of the Assessments shall be in effect with respect to a Commercial Condominium only until the later to occur of (a) conveyance of the applicable Commercial Condominium and (b) operation of businesses in the applicable Commercial Condominium or the space located within the applicable Grid Blocks. Examples of items that may be subject to this exemption are water, sewer and gas, utilities related to elevator operation, heating, ventilation and air-conditioning, trash removal, and any inspection costs for any Utility Facilities solely servicing the unoccupied Commercial Unit or Grid Blocks.

6.13 Estoppel Certificate. The Association on not less than ten (10) days prior written request shall execute, acknowledge and deliver to the party making such request a statement in writing stating both of the following: (i) whether or not to the knowledge of the Association, a particular Owner is in default in connection with the payment of Assessments as to such Owner's Condominium under the provisions of this Declaration; and (ii) the dates to which installments of Regular Assessments, Special Assessments and/or Capital Improvement Assessments have been paid as to such Condominium. Any such statement may be relied on by any prospective purchaser or Mortgagee of the Condominium, but reliance on such statement may not extend to any default not involving the payment of Assessments of which the signer had no actual knowledge.

6.14 Collection of Assessments, Liens.

6.14.1 Right to Enforce. The right to collect and enforce Assessments is vested in the Board acting for and on behalf of the Association. The Board can enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law

or in equity, or the Board may foreclose by judicial proceedings or through the exercise of the power of sale pursuant to **Section 6.14.6** enforce the lien rights created. Suit to recover a money judgment for unpaid Assessments together with all other Additional Charges shall be maintainable without foreclosing or waiving the lien rights. Notwithstanding anything else to the contrary herein a monetary penalty imposed by the Association as a disciplinary measure for failure of a Member to comply with the Governing Documents or as a means of reimbursing the Association for costs incurred by the Association in the repair of damage to Association Property for which the Member was allegedly responsible or in bringing the Member and its Unit into compliance with the Governing Documents of the Association may not be characterized nor treated as an Assessment that may become a lien against the Member's Condominium enforceable by a sale of the interest hereunder. The limitation in the preceding sentence however, does not apply to any Additional Charges.

6.14.2 Notice of Assessments and Foreclosure. The Association shall distribute a written notice regarding Assessments and foreclosure as set forth in California Civil Code Section 1365.1 during the sixty (60) day period immediately preceding the beginning of the Association's Fiscal Year.

6.14.3 Delinquent Assessments. In collecting delinquent Assessments, the Association shall comply with the requirements of California law, including without limitation, California Civil Code Section 1367.1. As of the date of this Declaration, such laws require that, among other things, before the Association records a lien against the Owner's Condominium, the Association shall: (i) notify the delinquent Owner of certain matters, and (ii) offer and, if requested by the Owner, participate in, dispute resolution procedures pursuant to the Association's "meet and confer" program required by California Civil Code Sections 1363.810 through 1363.850.

6.14.4 Creation of Lien. If there is a delinquency in the payment of any Assessment (other than an Enforcement Assessment) any amounts that are delinquent, together with any Additional charges, shall be a lien against each applicable defaulting Owner's Condominium upon the recordation in the Official Records of a notice of delinquent assessment ("**Notice of Delinquent Assessment**") as provided in California Civil Code Section 1367.

6.14.5 Assignment. The Association may not voluntarily assign or pledge the Association's right to collect payments or Assessments, or to enforce or foreclose a lien to a third party except where provided under California Civil Code Section 1367.1(g).

6.14.6 Notice of Default; Foreclosure. The Association can record a notice of default and, subject to the requirements and limitations of California Civil Code Section 1367.4, can cause the Condominium with respect to which a notice of default has been recorded to be sold either in the same manner as a sale is conducted under California Civil Code Sections 2924, 2924b and 2924c or through judicial foreclosure and as provided in California Civil Code Section 1367.1. However, as a condition precedent to the holding of any such sale under Section 2924c, appropriate publication shall be made. In connection with any such sale, the Board is authorized to appoint a trustee for purposes of conducting the sale. If a delinquency is cured before sale of the Condominium or before completing a judicial foreclosure, or if it is determined that a lien previously recorded against a Condominium was recorded in error, the Board shall apply payments and follow the procedures set forth in California Civil Code Section 1367.1. On becoming delinquent in the payment of any Assessment or installment, each delinquent Owner shall be deemed to have absolutely assigned all rent, issues and profits of its Condominium to the Association and shall further be deemed to have consented to the appointment of a receiver (which appointment may, at the election of the Association, be enforced by the Association through specific performance). The Association, acting on behalf of the Owners, shall have the power to bid upon the Condominium at foreclosure sale and to acquire, hold, lease, mortgage and convey the Condominium and vote as an Owner of the Condominium.

6.14.7 Payment of Assessments. Any payments of sums due under this Article shall first be applied to Assessments owed, and only after Assessments owed have been paid in full shall the

payments be applied to the Additional Charges. If an Owner requests a receipt after payment of a delinquent Assessment, the Association shall provide a receipt which sets forth the date of payment and the individual who received such payment.

6.15 Waiver of Exemptions. Each Owner, to the extent permitted by Applicable Law, waives, to the extent of any liens created pursuant to this Article, the benefit of any homestead or exemption laws of California in effect at the time any Assessment, or installment, becomes delinquent or any lien is imposed.

6.16 Subordination of Lien to First Mortgages. When a Notice of Delinquent Assessment has been recorded, such Assessment shall constitute a lien on such delinquent Owner's Condominium prior and superior to all other liens, except, (a) all taxes, (b) bonds, Assessments and other levies that, by law, would be superior thereto, and (c) any First Mortgage now or hereafter placed upon any Condominium subject to Assessment. The sale or transfer of any Condominium pursuant to judicial or nonjudicial foreclosure (excluding a transfer by a deed in lieu of foreclosure) of a First Mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Condominium from any Assessments thereafter becoming due or from the lien of any subsequent Assessment. Where the Mortgagee of a First Mortgage or other purchaser of a Condominium obtains title to the same as a result of foreclosure (excluding a transfer by a deed in lieu of foreclosure), such acquiror of title, and his or her successors and assigns, shall not be liable for the share of the Common Expenses or Assessments by the Association chargeable to such Condominium that became due prior to the acquisition of title to such Condominium by such acquiror, except for a share of such charges or Assessments resulting from a reallocation of such charges or Assessments that are made against all Condominiums.

6.17 No Offsets. All Assessments shall be payable in the amounts specified by the particular Assessment and no offsets against such amounts shall be permitted for any reasons, including, without limitation, a claim that the Association is not properly exercising its duties of maintenance, operation or enforcement.

6.18 Personal Liability of Owner. No Owner may exempt himself or herself from personal liability for Assessments, nor any part thereof, levied by the Association, nor release the Condominium owned by itself from the liens and charges hereof by waiver of the use and enjoyment of the Association Property and facilities thereof, or by abandonment of such Owner's Condominium.

6.19 Transfer of Property. After transfer or sale of a Condominium, the selling Owner or Owners shall not be liable for any Assessment levied on such Condominium after the date of transfer of ownership and written notice of such transfer is delivered to the Association. The selling Owner shall remain responsible for all Assessments and charges levied on his or her Condominium prior to any such transfer.

6.20 Failure to Fix Assessments. The omission by the Board to fix the Assessments hereunder before the expiration of any Fiscal Year, for that or the next year, shall not be deemed either a waiver or modification in any respect of the provisions of this Declaration or a release of the Owner from the obligation to pay the Assessments or any installment thereof for that or any subsequent Fiscal Year, but the Assessment fixed for the preceding Fiscal Year shall continue until a new Assessment is fixed.

6.21 Property Exempt From Assessments. The Association Property shall be exempt from the assessments, charges and liens created herein. Although no land or improvements devoted to dwelling use in the Community shall be exempt from assessments by the Association, Declarant and the Owners shall be exempt from paying any portion of Regular Assessments which is for the purpose of defraying expenses and reserves directly attributable to the existence of any Improvements on the Association Property which are not complete at the time assessments commence, which exemption shall be in effect only until the earlier to occur of the following: (i) a notice of completion for the subject Association Property has been recorded, or (ii) the Association Property has been placed into use.

6.22 Association Property Improvements. In the event that the Improvements to be installed by Declarant on the Association Property have not been completed prior to the issuance by the DRE of a Final Subdivision Public Report, and in the further event that the Association is the obligee under a bond to secure performance by the Declarant to complete such Improvements, then if such Improvements have not been completed and a notice of completion filed within sixty (60) days after the completion date specified in the planned construction statement appended to the bond, the Board shall consider and vote upon the question of whether or not to bring action to enforce the obligations under the bond. If the Association has given an extension in writing for the completion of any such Improvement, then the Board shall consider and vote on said question if such Improvements have not been completed and a notice of completion filed within thirty (30) days after the expiration of the extension period. In the event that the Board determines not to take action to enforce the obligations secured by the bond, or does not vote on the question as above provided, then, in either such event, upon petition signed by Members representing five percent (5%) or more of the Voting Power of the Association, excluding the Voting Power of Declarant, the Board shall call a special meeting of the Members of the Association to consider the question of overriding the decision of the Board or of requiring the Board to take action on the question of enforcing the obligations secured by the bond. Said meeting of Members shall be held not less than thirty-five (35) days nor more than forty-five (45) days following receipt of the petition. At said meeting a vote of a majority of the Voting Power of Members of the Association, excluding the vote of Declarant, to take action to enforce the obligations under the bond shall be deemed to be the decision of the Association, and the Board shall thereafter implement the decision by initiating and pursuing appropriate action in the name of the Association.

ARTICLE 7 USE RESTRICTIONS

7.1 Use Restrictions Applicable to Residential Condominiums.

7.1.1 Residential Use. Residential Units shall be used for residential purposes only; provided, however, that any Residential Units may be used incidentally for the purpose of operating a home based small business if, and only if, (a) the business is operated solely within the Residential Unit, (b) the business is limited to arts and crafts, the rendition of professional services, or other similar activities, (c) the business is operated by the Owner of the Residential Unit whose principal residence is the Residential Unit, by a tenant whose principal residence is the Residential Unit or by a member of such Owner's or tenant's family whose principal residence is the Residential Unit, (d) there is no sales activity conducted in the Association Property, no customers visiting the Unit and no advertising anywhere in the Community, (e) the operation of the business is permitted by, and is at all times in compliance with, all Applicable Laws, and (f) the operation of the business does not result in (i) the violation of any of the other provisions of this Declaration, (ii) any unreasonable increase in the flow of traffic within the Community, or (iii) any odor, noise, or vibration outside of the Unit. No other use shall be allowed except as specifically permitted by local ordinance; provided, however, Declarant may use any of the Residential Units owned by Declarant as model homes, sales offices, construction offices or storage for the Community during that period of time commencing when the Condominiums are first sold or offered for sale to the public and ending when all the Condominiums in the Community are sold and conveyed by Declarant to separate Owners. An Owner's ability to lease its Residential Unit may be restricted by the Governmental Agencies. No Owner shall lease its Residential Unit in violation of the requirements of the Governmental Agencies.

7.1.2 Commercial Use. Except for the Commercial Unit and as otherwise provided in this Declaration, including without limitation **Section 7.1.1** above, no part of the Community shall be used or caused, allowed, or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other such non-residential purpose.

7.1.3 Time Sharing. A Residential Condominium may not be divided or conveyed on a time increment basis (commonly referred to as "time sharing") of measurable chronological periods. The term "time sharing" as used herein shall be defined to include, but shall not be limited to, any

agreement, plan, program or arrangement under which the right to use, occupy or possess the Residential Condominium, Condominiums or any portion thereof in the Community rotates among various persons, either corporate partnership, individual or otherwise, on a periodically recurring basis for value exchanged, whether monetary or like-kind use privileges, according to a fixed or floating interval or period of time six (6) months or less.

7.1.4 Animals. Animals may not be kept or maintained, bred or raised for commercial purposes in any Residential Condominium or elsewhere within the Community except for domestic dogs or cats (not to exceed a total of two per Residential Unit). Domestic reptiles, birds, rodents and fish shall be permitted in reasonable numbers, except poisonous or dangerous reptiles so long as such animals are kept in the interior of a Residential Unit and are (a) kept as household pets, (b) are not so excessively noisy as to disturb the quiet enjoyment by each Owner of its Residential Unit, (c) are not kept, bred or raised for commercial purposes or, as determined by the Board, in unreasonable numbers, and (d) do not constitute a nuisance or threat to the personal safety of other Owners and their Invitees in the Community. Notwithstanding the foregoing, no pet may be kept within the Community in violation of Applicable Laws and the Association Rules may further limit or restrict the keeping of such pets. The Board shall specifically have the power to prohibit the keeping or maintenance of any animal, which, in the opinion of the Board, after Notice and Hearing, is deemed by the Board to constitute a nuisance to any other Owner in the sole and exclusive opinion of the Board. Each person bringing or keeping a pet within the Community shall be absolutely liable to other Owners and their Invitees for any damage to persons or property caused by any pet brought upon or kept upon the Community by such person or by members of its family, its guests or Invitees. Each Owner shall clean up after such animals that have deposited droppings or otherwise used any portion of the Community or public street abutting or visible from the Property. Animals belonging to Owners or Invitees of any Owner must be kept within an enclosure or on a leash held by a person capable of controlling the animal when outside the Owner's Unit. Animals shall not be left unattended anywhere within the Association Property. In addition to the foregoing general restrictions regarding pets, breeds of dogs which may be kept within the Community may be restricted as set forth in the Rules.

7.1.5 Signs and Displays. No sign, advertising device or other display of any kind shall be displayed in a Residential Unit, except for the following:

- (a) entry monuments or community identification signs maintained by the Association;
- (b) for each Condominium, one (1) nameplate or similar Owner name or address identification which complies with the Architectural Guidelines;

 - (ii) the sign is in compliance with the Architectural Guidelines or is otherwise authorized by the Board;
- (d) noncommercial signs permitted by Civil Code Section 1353.6; and
- (e) such other signs or displays authorized by the Board.

In addition to the foregoing, all signs must comply with all applicable laws. Notwithstanding the foregoing, Declarant shall have the right to display signs as set forth in **ARTICLE 10**.

7.1.6 Outside Drying and Laundering. No exterior clothesline shall be erected or maintained or hung on balconies or railings within the Community and there shall be no exterior drying or laundering of clothes or any other items on any Association Property.

7.1.7 Water Beds and Limitations on Size of Aquariums. No water beds shall be permitted in any Condominium and as specified above, no Owner shall maintain in its Condominium any aquarium or other container holding thirty (30) or more gallons of water. Each Owner acknowledges that substantial damage to other Residential Units or Association Property may occur as a result of a violation of this restriction.

7.1.8 Window Coverings. Temporary window coverings ("Temporary Window Coverings") in a design and color that does not conflict with the surrounding Improvements (but excluding aluminum foil, newspapers, or any other contrasting material) shall be permitted for a maximum period of ninety (90) days from the date that a Condominium is conveyed to an Owner by Declarant. Except as specifically provided above, no Temporary Window Coverings shall be used to cover any door or window of any Residential Unit. All window coverings (including Temporary Window Coverings) shall be of a neutral color.

7.1.9 Rights of Disabled. Subject to the provisions of **ARTICLE 8** and **ARTICLE 9**, each Owner may modify its Residential Unit and the route over the Association Property leading to the front door of its Condominium, at its sole expense, to facilitate access to its Condominium by persons who are blind, visually impaired, deaf or physically disabled, or to alter conditions which could be hazardous to such persons in accordance with California Civil Code Section 1360 or any other Applicable Laws.

7.2 Use Restrictions Applicable to the Commercial Condominiums. The following restrictions shall be applicable to the Commercial Condominiums. The Commercial Condominiums shall not be occupied and used except for commercial purposes by the Owners or Occupants. For purposes of this Section, "commercial purposes" shall include retail sales businesses, offices and service business. All uses must comply with applicable federal, state and local laws and regulations.

7.2.1 Prohibited Uses. The Commercial Condominiums shall not be used for an activity or purpose considered by the Association to pose a safety hazard or health risk within the Community including but not limited to, the following:

- (a) Any noise or sound that is determined by the Board to be unreasonably objectionable due to intermittence, beat, frequency, shrillness or loudness;
- (b) Any noxious, hazardous, toxic, caustic, explosive or corrosive fuel, gas or other substance;
- (c) Any fire, explosion or other damaging or dangerous hazard, including the storage or sale of explosives or fireworks;
- (d) Any distillation or refinery facility (excepting therefrom any microbrewery or similar business);
- (e) Any dumping of garbage or refuse, except in places designated for disposal by the Association;

- (n) Any place of religious worship;
- (o) Any dry cleaning facility or store, except that a "drop off" for dry cleaning shall be permitted so long as the actual dry cleaning is conducted at a site outside the Community.

7.2.2 Advertising. No Owner or lessee shall do the following without the prior written consent of the Board: (i) employ an advertising medium which can be heard or experienced outside of the Commercial Unit, including, without limitation, flashing lights, searchlights, loudspeakers, phonographs, compact disk players, radios or television; or (ii) distribute, or cause to be distributed, any handbill or other advertising device in the Association Property. Identification and other signage shall be governed by **Section 7.2.6** below.

7.2.3 Commercial Invitees and Lessees; Insurance. The Commercial Owners shall be responsible for compliance by its commercial Invitees and Lessees, and their commercial Invitees, with the provisions of the Governing Documents. The Owners or their Lessees shall maintain a policy or policies of public liability insurance in an amount which is reasonable for the use of the Commercial Unit, and shall demonstrate proof of such insurance to the Board annually upon request. Any rental or leasing agreement shall be in writing, shall provide that the lease or rental is subject to the Governing Documents and shall provide that any failure to comply with any provision of the Governing Documents shall be a default under the terms of the lease agreement. A copy of the Governing Documents shall be made available to each Lessee by the Owner so renting or leasing. The Commercial Owners shall, at all times, be responsible for their Lessee's compliance with all of the provisions of the Governing Documents. A Lessee shall have no obligation to the Association to pay Assessments nor shall any Lessee have any voting rights in the Association. No Owner may lease the Commercial Condominiums for a period less than thirty (30) days, or for hotel, motel or transient purposes or any other purpose inconsistent with the provisions of this Declaration. If the Commercial Condominium is rented, then the Owner shall submit names and contact numbers for their Lessees to the management company for the Community.

7.2.4 Unoccupied Commercial Condominium. During any period that a Commercial Condominium is unoccupied, the Owner shall take such reasonable steps as required by Declarant, or by the Board after Declarant no longer owns any interest in the Community, to keep those portions of the Commercial Condominium visible from public areas from appearing abandoned, including, without limitation, installation of smoked glass on windows or glass doors visible from public areas, free of stored materials, clean and otherwise maintained such that it is not readily apparent that business is not being conducted therein.

7.2.5 Restrictions on the Commercial Units. Except as otherwise stated herein or in the Architectural Guidelines, the Board may not restrict the reasonable use of the Commercial Units as

provided for herein. All uses shall be in conformity with the zoning ordinances of the City. Commercial uses by their nature create a variety of impacts that would not occur, or would occur to a lesser degree, in a community with only residential uses. Such impacts include, without limitation, vehicular and pedestrian traffic, light, noise, odors and pests. The benefits of living in a mixed-use community with commercial uses are deemed to outweigh the additional impacts from such uses. The Commercial Owners shall comply with the restrictions set forth below.

(a) All utilities serving the Commercial Units shall be provided independent from the utilities servicing the Residential Condominiums; and

(b) If the commercial use causes an increase in the cost of insurance required to be maintained by the Association for any portion of the Community, such Commercial Owner shall pay the Association an amount equal to such increase.

7.2.6 Signage. The Occupant of a Commercial Condominium shall have the right to display identification and other commercial signs on or in the Commercial Condominium and on the exterior wall enclosing the Commercial Condominium in accordance with Applicable Laws and the Association Rules. At all times, the Commercial Signage Guidelines shall preserve the right of each Commercial Owner to place reasonable identification and other commercial signs in or on such Commercial Condominium and on the exterior wall enclosing such Commercial Condominium consistent with the permitted commercial use. So long as Declarant owns any interest in the Community, the Commercial Signage Guidelines may be modified or amended only by Declarant and the Commercial Owners. When Declarant no longer owns any interest in the Community, the Commercial Signage Guidelines may be modified or amended by the Board and the Commercial Owners. So long as Declarant owns any interest in the Community, all identification and other commercial signs (and any changes thereto) are subject to the prior written approval of Declarant. Notwithstanding the foregoing, Declarant shall have the right set forth in **Section Error! Reference source not found.** to erect and maintain within the Community (i) job identification signs during the time of construction of any portion of the Community; and (ii) signs, flags, banners and other promotional devices used by Declarant for the purpose of developing, improving and selling Condominiums.

7.2.7 Hold Harmless and Indemnity. The Commercial Owners assumes all risks which may result from Improvements to their Commercial Condominium, and shall indemnify and hold harmless the Association, Declarant and each other Owner from any claims, actions, demands, liabilities, judgments, attorney's fees and other obligations which arise out of or are incurred in connection with the installation, existence or removal of Improvements in the Commercial Condominiums.

7.2.8 Alarms. Any alarm installed in a Commercial Unit shall be the type of alarm which is monitored by a certified alarm company.

7.3 Use Restrictions Applicable To All Condominiums.

7.3.1 Inside and Outside Installations.

(a) **Declarant Exemption.** This Section does not apply to Improvements installed by Declarant.

(b) **Inside Installations.** Nothing may be done in any Condominium or in, on or to the Association Property which may impair the structural integrity of any Building in the Community or which structurally alters any such Building except as otherwise expressly provided in this Declaration.

(c) **Vibrations.** No Owner shall attach to the walls or ceilings of any Unit any fixtures or equipment which will cause unreasonable vibrations or noise or unreasonable annoyance to the Owners of the other Units.

(d) **Water Supply System.** No individual water supply, sewage disposal or water softener system is permitted in any Condominium unless such system is designed, located, constructed and equipped in accordance with the requirements, standards, and recommendations of any water district having jurisdiction, the City, the Board and all other governmental authorities with jurisdiction.

(e) **Awnings, Etc.** No awnings, ornamental screens, screen doors, sunshades, or umbrellas of any nature shall be erected or maintained on or around any portion of the Condominium Building or elsewhere within the Community except those that are installed in accordance with the original construction of the Community or as are authorized and approved by the Board.

(f) **Exterior Lighting.** Any exterior electrical, gas or other artificial lighting installed on any Unit shall be positioned, screened, or otherwise directed or situated and of such controlled focus and intensity so as not to unreasonably disturb the residents of any other Units. No exterior lighting shall be installed other than the lighting initially installed by Declarant. Further rules regarding exterior lighting may be promulgated by the Board. Some of the exterior lighting on the Building provides light to certain exterior portions of the Community and may contain a photocell which would automatically control their operation. The exterior lighting operates on timers. The exterior lighting should not be manually turned off or altered in any way by the Owners.

7.3.2 Basketball Standards. No basketball standards or fixed sports apparatus shall be attached to any Condominium.

7.3.3 Trash Disposal. Trash, garbage or other waste shall be deposited only in the trash chutes, trash rooms and receptacles maintained in the Association Property. No owner shall permit or cause any trash or refuse to be kept on any portion of the Community other than in the receptacles customarily used for it, which, shall be located only in places specifically designated for such purpose.

7.3.4 Offensive Conduct, Nuisances. No noxious or offensive activities, including but not limited to, repair of automobiles or other motorized vehicles, shall be conducted within the Community. Nothing shall be done on or within the Community that may be or may become a nuisance to the residents of the Community. Front doors to the Residential Units shall remain closed except for access to and egress from the Residential Units.

7.3.5 Sound Attenuation. In any mixed use or multi-family building sound may be audible between Units, particularly where the sound level of the source is sufficiently high and the background sound in an adjacent Residential Unit is very low. These sounds may include without limitation, music, voices, animal noises, footsteps, noises from children, furniture movement, appliance usage, water usage and other sounds. To minimize the sound transmission from a Unit, each Owner shall adhere to the following:

(a) On demising walls (party walls), of the Residential Units acoustical sealant shall be packed around the point of penetration of all pictures and other decorative items hung from the wall that require nailing or screwing. No holes or other penetrations shall be made in demising walls except for decorative items without the permission of the Board or Architectural Committee. No penetrations of any sort shall be made in the ceilings of any Residential Unit.

(b) No modifications shall be made to any Unit which would result in a reduction in the minimum impact insulation class of the Unit.

(c) No Owner shall attach to the walls or ceilings or place on the floor of any Unit anything which will cause unreasonable sound levels, vibrations, noise or annoyance to the Owners of the other Units. No audio, television, stereo, speakers, or other audio visual or media equipment shall be installed in or on any demising wall without the permission of the Board. Speakers for audio, television, stereo, or other audio visual or media equipment shall not be supported from or contact demising walls and shall be elevated from the floor by an adequate acoustic platform. Sound from such speakers must be kept at a reasonable level so as not to interfere with other Owners' enjoyment of their Units.

(d) Pianos shall have adequate acoustic pads under the supports to minimize vibration transmission into the structure.

(e) All furniture within a Residential Unit shall have roller castors or adequate acoustic pads.

(f) No Owner shall install any hard surface or other flooring or make any other modification to any part of their Condominium which may increase sound transmission between their Condominiums and other part of the Community, including without limitation, tile or hardwood floors and wall or ceiling coverings, unless the prior written approval of the Board has been obtained. As a condition to approving the installation of such modifications, the Owner shall submit to the Board construction specifications clearly describing the proposed modifications in sufficient detail necessary to determine whether sound transmission will be sufficiently mitigated.

7.3.6 Drainage and Erosion Control. There shall be no interference with the established drainage pattern over the Property, unless an adequate alternative provision is made for proper drainage with the prior written approval of the Board. For the purpose hereof, "established" drainage is defined as the drainage that exists at the time of the first close of escrow for the sale of a Condominium, or that which is shown on any plans approved by the Board.

7.3.7 Mechanic's Liens. No Owner may cause or permit any mechanic's lien to be filed against the Community for labor or materials alleged to have been furnished or delivered to the Community or any Unit for such Owner, and any Owner who does so shall immediately cause the lien to be discharged within five (5) days after notice to the Owner from the Board. If any Owner fails to remove such mechanic's lien, the Board may discharge the lien and charge the Owner an Enforcement Assessment for such cost of discharge.

7.3.8 Antenna Restrictions. No Owner shall install any antenna, satellite dish, or other over-the-air receiving device ("**Antenna**") (i) on any real property which such Owner is not entitled to exclusively use or control, as provided in Title 47 U.S.C. §§ 1 *et seq.*, 47 CFR § 1.4000 and any other applicable laws, rules and decisions promulgated with respect thereto (collectively "**Antenna Laws**"), (ii) in a particular location if, in the Board's opinion, the installation, location or maintenance of such Antenna unreasonably affects the safety of the Owners or any other Person, or for any other safety-related reason established by the Board, or (iii) that is of a size larger than is permitted under the Antenna Laws. If an Owner is entitled to install an Antenna under the foregoing requirements, such Owner shall provide the Board with written notice that such Owner has installed or is about to install the Antenna. If an Owner desires to install an Antenna, other than as described in (i) through (iii) above, such Owner may do so only upon the prior approval of the Board pursuant to **ARTICLE 9** of this Declaration. The Board shall not impose or enforce any restrictions upon Antennae that are inconsistent with the Antenna Laws.

7.3.9 Compliance with Requirements Regarding Community Storm Water Pollution. Each Owner acknowledges that unlike the water in the sewer system, which flows to wastewater treatment plants, water that enters a storm drain flows directly, without any treatment, to waterways, creeks, streams, rivers, lakes and/or oceans. Accordingly, the National Pollutant Discharge Elimination System ("**NPDES**"), the Federal Clean Water Act, and the policies and ordinances of the City prohibit discharging anything other than natural rain water into storm drainage systems, including gutters

and streets which drain into storm drains. Toxic chemicals or hydrocarbon compounds such as gasoline, motor oil, antifreeze, solvents, paints, paint thinners, wood preservatives, fertilizers, lawn clippings, yard waste, detergents, pet waste, paints and other such materials and pollutants shall not be discharged into any street, public or private, gutters, or into storm drains or storm water conveyance systems. The disposal of such pollutants and materials into a storm drain system may result in significant penalties and fines and such Owner may be responsible for any activities by Owner's contractors (e.g., painters, landscapers, etc.) who dispose of such pollutants from an Owner's Unit into a storm drain system. Use and disposal of pesticides, fungicides, herbicides, insecticides, fertilizers, and other such chemicals shall meet all requirements of any other Governmental Agencies. All Owners and the Association are required to comply with such restrictions. Owners are encouraged to consult with the Governmental Agencies concerning the proper disposal of any toxic or hazardous materials.

7.3.10 Storm Water Pollution Prevention Best Management Practices. To comply with the requirements of the City in connection with the storm water pollution prevention best management practices, each Owner and the Association agrees that it will, at all times, maintain all improvements located within a Unit, or in the case of the Association, within the Association Property, in a clean, safe and attractive condition, free and clear of any and all debris. The Association and the Owners shall comply with all applicable Best Management Practices ("BMP") and perform all maintenance that may be imposed by any water quality management plan that may affect the Property. The costs of the Association's portion of such maintenance, if any, shall be Common Expenses.

7.3.11 Liability to Declarant. So long as Declarant owns any Condominium, if an Owner or the Association is not in compliance with the provisions of this Section and, as a result, Declarant may incur any liability, Declarant shall have the right but not the obligation to enter upon the Residential Unit to correct such violation. Any Owner who violates the requirements of this Section and the Association shall indemnify, protect, defend and hold Declarant and Declarant's officers, directors, successors and assigns entirely free and harmless from and against any liabilities, penalties, costs, expenses and actions, including, without limitation, attorneys' fees and costs arising from or attributed to a violation of the provisions of this Section and shall within fifteen (15) days after request from Declarant, reimburse Declarant for any costs and expenses incurred by Declarant in correcting any violation by any Owner of this Section.

7.3.12 Post Tension Slabs. The concrete slabs of the Building are reinforced with a grid of steel cables which were installed in the concrete and then tightened to create very high tension. This type of slab is commonly known as a "Post Tension Slab." Cutting into a Post Tension Slab for any reason (e.g. to install a floor safe, to remodel plumbing, etc.) is very hazardous and may result in serious damage to the Condominium and/or personal injury. By accepting a grant deed to a Condominium in the Community, each Owner specifically covenants and agrees that: (1) such Owner shall not cut into or otherwise tamper with the Post Tension Slab; (2) such Owner shall not knowingly permit or allow any person to cut into or tamper with the Post Tension Slab so long as such Owner owns any interest in the Condominium; (3) such Owner shall disclose the existence of the Post Tension Slab to any tenant, lessee or subsequent purchaser of the Condominium; and (4) such Owner shall indemnify, protect, defend and hold Declarant and its respective officers, employees, contractors and agents, free and harmless from and against any and all claims, damages, losses, or other liability (including, without limitation, attorneys' fees) arising from any breach of this Section.

7.3.13 Roof: Access Restrictions. Except for the roof deck areas or as otherwise expressly permitted hereunder, Owners and their Invitees, shall not at any time or for any reason whatsoever enter upon or attempt to enter upon (i) the areas of the roof of the Building which are restricted from access, (ii) any portion of the Association Property used by the Association for management, administrative, or other purposes; and (iii) utility closets and rooms, without the prior approval of the Board.

7.3.14 View Impairment. There is no representation that any view exists from any Unit. By accepting a deed to a Unit, each Owner acknowledges that: (a) there are no protected views, and

no Unit is assured of the existence, quality or unobstructed continuation of any particular view and Declarant makes no representation or warranty that there are now, or will be in the future, any such views or that any view will impact the view or desirability of any Unit, (b) any view from the Unit is not intended as part of the value of the Unit and is not guaranteed; and (c) any future development, construction, landscaping, growth of trees, or other installation of Improvements by Declarant or other Owners or of properties surrounding the Community may impair the view from any Unit and/or may allow other persons to have a line of sight into the Owner's Unit, which may affect Owner's use and enjoyment of Owner's Unit, including Owner's privacy. There are no express or implied easements appurtenant to any Unit for view purposes or for the passage of light and air over another Unit, or any other property whatsoever.

7.3.15 Compliance with Laws, Etc. Nothing shall be done or kept in any Unit or in the Association Property that might increase the rate of, or cause the cancellation of, insurance for the Community, or any portion of the Community. No Owner or the Association shall permit anything to be done or kept in its Unit or on the Association Property that violates Applicable Laws pertaining to the use or storage of any hazardous, contaminated or toxic materials.

ARTICLE 8 MAINTENANCE AND SERVICES

8.1 Maintenance and Repair. Unless the context otherwise requires or as otherwise provided in the Governing Documents, as used in this Article and the Maintenance Responsibility Chart, "maintenance", "maintain" or "maintaining" means the operation, cleaning, inspection and routine maintenance of the areas and facilities designated for repair by the Association and/or the Owners and "repair" means repair, restoration and replacement of the areas and facilities designated for repair by the Association and/or the Owners. To the extent repair, restoration and replacement is required as a result of damage or destruction under **ARTICLE 13**, then the repair and replacement shall be governed by the provisions of **ARTICLE 13**.

8.2 Maintenance Obligations.

8.2.1 Maintenance Obligations of Residential Owners. Each Residential Owner is responsible for the care and maintenance of these components of such Owner's Residential Unit designated for maintenance by the Residential Owner on the Maintenance Responsibility Chart and the applicable Owner Maintenance Manual.

8.2.2 Maintenance Obligations of Commercial Owner.

(a) **Commercial Units.** Each Commercial Owner shall perform the maintenance and other obligations set forth in the Maintenance Responsibility Chart and the applicable Owner Maintenance Manual in accordance with the requirements and schedules set forth in the Owner Maintenance Manual; and

(b) **Trash.** Each Commercial Owner shall dispose of its own trash in the trash areas allocated for use by the Commercial Owners.

8.2.3 Owners' Compliance with Maintenance Obligations. All such maintenance by Owners shall be performed in such a manner as shall be deemed necessary in the judgment of the Board to preserve the attractive appearance of the Community, protect the value thereof and in compliance with the Maintenance Obligations. Each Owner acknowledges and agrees that each Owner is required to comply with all of the Maintenance Obligations and schedules set forth in the Owner Maintenance Manual and each Owner is further obligated to provide a copy of all documents describing Maintenance Obligations to any successor purchaser of such Owner's Condominium. If an Owner fails to perform its Maintenance Obligations, the Association, in addition to any other rights under this Declaration, shall have the right to cure such failure and the provisions set forth below shall apply.

8.2.4 Maintenance Deficiencies. Upon a finding by the Association of a deficiency by an Owner in its Maintenance Obligations, the Association may provide to the Owner a written notice (the "**Notice of Deficiency**"), which shall briefly specify the condition or conditions which the Association finds to be deficient, and request that such deficiency be cured within a specified reasonable period of time. In the event that the Association determines that such deficiency continues to exist at the end of the period of time specified in the Notice of Deficiency, the Association may, at its option, either: (a) enter on and accomplish the maintenance or repair of such portion of the Community that continues to be deficient; (b) contract with another party to accomplish such maintenance or repair; or (c) seek any other remedy available at law or in equity including, without limitation, specific performance or an injunction to enforce the Maintenance Obligations. Any of the foregoing remedies may be employed at the option of the Association, and the failure to employ any of such remedies upon any occurrence giving rise to such remedies shall not be a waiver of the right to employ such remedies in connection with any other occurrence.

8.2.5 Emergency Maintenance. If the Association determines that a maintenance deficiency constitutes an Emergency which requires action prior to the expiration of any cure period, the Association may take the actions provided for in this Section without a Notice of Deficiency being given in advance of taking such action, provided that as soon as reasonably practicable after taking the Emergency action the Association gives a Notice of Deficiency (without providing a cure period) to the Owner.

8.2.6 Reimbursement of Association. If the Association elects to perform a Maintenance Obligation of an Owner under this Section, the entire cost of accomplishing such Maintenance Obligation shall be an obligation of the applicable Owner and shall be reimbursed by the Owner to the Association with interest at the Applicable Rate and the Association may allocate such costs as part of the Common Expenses solely to the Owner and include such additional costs in the portion of the Regular Assessments payable by the Owners or levy an Enforcement Assessment with respect thereto.

8.3 Maintenance Obligations of Association. The Association is responsible for the care and maintenance of the Association Property and those components of the Community designated for maintenance by the Association on the Maintenance Responsibility Chart. The Association shall keep such portions of the Community in good condition and repair, provide for all necessary services and cause all acts to be done which may be necessary or proper to assure the maintenance of such areas in accordance with the Maintenance Obligations. The Association shall also be responsible for maintaining any Improvements that a majority of the Board or a majority of the Voting Power of the Association designates for maintenance by the Association. All costs incurred by the Association in performing the Maintenance Obligations shall be paid for as Common Expenses.

8.4 Manner of Maintenance.

8.4.1 Quality of Maintenance. All maintenance work required to be undertaken by the Association or Owners hereunder shall (a) be performed in a first class and workmanlike manner in accordance with good maintenance practices and in compliance with all Applicable Laws and the Maintenance Obligations. Any such work shall be performed to the extent reasonably practicable, to minimize any noise, vibration, particulates and dust infiltration or other disturbances which would unreasonably disturb Owners or Occupants.

8.4.2 Duty to Protect Against Mechanics' Liens. In performing its Maintenance Obligations, the Association and the Owners (for the purposes of this Section, the "**Contracting Party**", as applicable) shall each promptly pay all costs, expenses, liabilities and liens arising out of or in any way connected with contracts for any service, labor or materials provided or supplied to the Community or the construction of any Improvements authorized or undertaken by the Contracting Party. The Contracting Party shall not cause or permit any mechanic's lien to be filed against the Community for labor or materials alleged to have been any furnished or delivered to the Community or any Owner by

the Contracting Party. If any Contracting Party causes a lien to be filed, such party shall: (i) immediately either cause the lien to be discharged within ten (10) days after notice to such responsible party by the Association or Owner or post a bond which protects the title of the affected Owners; (ii) indemnify, protect, defend and hold harmless the other Owners and/or the Association, as applicable, from any loss, damage, liability, expense or claims whatsoever by reason of any lien which may be filed against the Community or the other Owners or such Owner's Condominium for such work or services performed or materials supplied by any architect, engineer, contractor or any other Person acting directly or indirectly by, through or under such architect, engineer or contractor supplying services, labor, materials or equipment; and (iii) pay all expenses incurred in connection therewith, including, without limitation, reasonable attorneys' fees and costs of defending against the foregoing claims by another Owner and any costs of enforcing this indemnity.

8.5 Liability to Declarant. So long as Declarant has any obligation or liability under any permits filed by Declarant with any Governmental Agency, if an Owner or the Association is not in compliance with the provisions of this Article and as a result, Declarant may incur any liability, Declarant shall have the right but not the obligation to enter upon the applicable portion of the Community to correct such violation. If the Association or any Owner violates the requirements of this Section, the Association or Owner shall indemnify, protect, defend and hold Declarant and Declarant's officer, directors, successors and assigns entirely free and harmless from and against any liabilities, penalties, costs, expenses and actions, including, but without limitation, attorneys' fees and costs arising from or attributed to a violation of the provisions of this Section and shall, within fifteen (15) days after request from Declarant, reimburse Declarant for any costs and expenses incurred by Declarant in correcting any violation of this Article.

8.6 Inspection of the Community. The Association shall regularly inspect, maintain and repair the Association Property, including without limitation, the landscaping, drainage and irrigation systems serving or within the Association Property. The Association shall also inspect for any misaligned sprinklers or blocked drainage systems which could cause water damage to the Community. The Association shall employ the services of such experts and consultants as are necessary to assist the Association in performing its duties hereunder and follow any recommendations and schedules contained in the Association Maintenance Manual. The inspectors shall provide written reports of their inspections to the Association and, if requested by the Declarant, to the Declarant promptly following completion thereof. The Association shall provide Declarant with at least ten (10) business days' advance notice of any such inspection, and Declarant shall be invited to attend any such inspections. The written reports shall identify any items of maintenance or repair which either require current action by the Association or will need further review and analysis. Such written reports shall specifically include a review of all irrigation and drainage systems on the Community. The Board shall report the contents of such written reports to Declarant (if not already provided by the inspector directly) so requested by Declarant and to the Members of the Association at the next meeting of the Members following receipt of such written reports or as soon thereafter as reasonably practicable and shall include such written reports in the minutes of the Association meeting. The Board shall promptly cause all matters identified as requiring attention to be maintained, repaired, or otherwise pursued in accordance with prudent business practices and the recommendations of the inspectors and shall keep a record of all such matters in the Board's minutes. Any damage to any structure, landscaping or other Improvements caused by the Association, or any of its officers, agents, employees or independent contractors, while performing such maintenance, repair or replacement work shall be repaired by the Association at its sole cost and expense.

ARTICLE 9 ARCHITECTURAL REVIEW

9.1 Non-Applicability to Declarant. The provisions of this Article shall not apply to any Improvements installed by the Declarant, and neither the Board or any Architectural Committee shall have any rights of review or approval with respect thereto.

9.2 Amendments. Notwithstanding the Article of this Declaration entitled "Amendments," no amendment, verification or rescission of this Article may be made, nor shall Declarant, or any successor thereof, be prohibited from completing the construction of the Community prior to the conveyance by Declarant, or its successor, of the last Unit without the (i) written consent of Declarant, and the (ii) recording of such consent in the Office of the County Recorder.

9.3 Scope. To the extent that an Owner is entitled under this Declaration to modify its Unit in any manner following review and approval by the Board, no Improvements of any kind whatsoever shall be commenced, erected, placed or altered upon or around any Unit until the location and the complete plans and specifications showing the nature, kind, shape, height and materials, including the color ("**Plans and Specifications**"), have been submitted to and approved in writing by the Board.

9.3.1 Designated Exclusive Use Area. Any alteration, modification or removal of any Designated Exclusive Use Area Walls or Floors or other work involving the penetration of the unfinished surfaces of the ceilings, walls or floors shall, for a period of ten (10) years after the sale of the last Unit in the Project, require the prior written consent of the Declarant unless Declarant has notified the Association, in writing, that it (i) waives its consent to the particular work of Improvement or (ii) no longer desires to exercise such right of review and approval for any future works of Improvement. In the case of (i) or (ii) above, the Board shall not grant approval of the removal of a demising wall or floor between two (2) or more adjoining Units which are owned by one (1) Owner unless (a) outside consultants consisting of both an architect and structural engineer licensed in the State of California have approved the Plans and Specifications for such Improvements, (b) such Improvements do not adversely impact the structural integrity of the Project, do not contain any common utilities, and do not affect any other Units, and (c) the Plans and Specifications are otherwise in conformance with the requirements of this Declaration and the Architectural Guidelines. If an Owner of two (2) or more Units which have been joined as described above, decides to sell such Units separately, such Owner shall be responsible for replacing all building components which were removed and for performing all work necessary to return the Units to the configuration they were in prior to being joined in accordance with the procedures of this ARTICLE 9.

9.3.2 Tenant Improvement Work. Notwithstanding anything to the contrary set forth in this Declaration, the scope of the Board's review of Plans and Specifications of any tenant improvement work within the Commercial Condominiums shall be limited to compliance with the Architectural Guidelines. In addition, in no event shall the Board deny approval to any tenant improvement work proposed by an Owner of a Commercial Condominium that is reasonably necessary to use the Commercial Condominium in accordance with the provisions of this Declaration, provided that such tenant improvement work does not (i) impair the structural integrity of the Condominium Building, (ii) affect an Owner's Unit, and (iii) materially and adversely affect the aesthetic quality of the exterior of the Community.

9.4 Architectural Guidelines. The Board may, from time to time and in accordance with Civil Code Section 1357.120, *et seq.*, adopt, amend and repeal, by unanimous vote, rules and regulations to be known as "Architectural Guidelines." The Architectural Guidelines shall interpret and implement the provisions hereof by setting forth the standards and procedures for Board review and guidelines for architectural design of Improvements, placement of Improvements, color schemes, exterior finishes and materials and similar features which are recommended for use in the Community; provided, however, that said Architectural Guidelines adopted shall include guidelines applicable to the Residential Condominiums and guidelines applicable to the Commercial Condominiums. In addition, no portion of the Architectural Guidelines applicable to the Commercial Condominiums shall be amended, changed or modified without the approval of the Commercial Owners.

9.5 Approval of Plans and Specifications.

9.5.1 Submittal of Plans. Any Owner proposing to construct Improvements or taking other actions requiring the prior approval of the Board pursuant to this Declaration shall apply to the

Board for approval by submission of Plans and Specifications and any review fee required pursuant to the Architectural Guidelines.

9.5.2 Time Periods for Review. Within forty-five (45) days after proper application for approval, the Board shall consider and act upon such request. In the event the Board fails to approve or disapprove plans within forty-five (45) days after all documents and information and fees imposed by the Board have been received by it, the Owner requesting said approval may submit a written notice to the Board advising the same of its failure to act. If the Board fails to approve or disapprove any such plans within fifteen (15) days after the receipt of notice from the Owner, the plans shall be deemed approved, provided that any Improvements conform to all conditions and restrictions contained in this Article and are in harmony with similar structures erected within the Community.

9.5.3 Approval of Solar Energy Systems. Any Owner proposing to install or use a solar energy system, as defined in Civil Code Section 801.5 shall be subject to the same review and approval process as any Owner proposing to construct any Improvements or other actions requiring the approval of the Board pursuant to this Declaration. However, only reasonable restrictions on the installation and use of a solar energy system shall be permitted. Reasonable restrictions on a solar energy system are those restrictions that do not significantly increase the cost of the system or significantly decrease its sufficiency or specified performance, or which allow for an alternative system of comparable costs, efficiency, and energy conservation benefits.

9.5.4 Approval of Modifications to Accommodate Disabled Owners. Any Owner proposing to install Improvements or make modifications to such Owner's Residential Unit or the Association Property leading to such Owner's Residential Unit to facilitate access for persons who are blind, visually handicapped, deaf or partially disabled, or to other conditions which could be hazardous to such persons shall be subject to the same review and approval requirements as any Owner proposing to construct Improvements or other actions requiring approval of the Board pursuant to this Declaration; provided, however, that the Board shall not deny approval of the proposed modifications without good cause.

9.5.5 Compliance With California Civil Code Section 1378. In approving Plans and Specifications submitted to it pursuant to this **ARTICLE 9**, the Board shall comply with the requirements of California Civil Code Section 1378.

9.6 Inspection and Correction of Work. Inspection of work and correction of defects therein shall proceed as follows:

9.6.1 Right of Inspection During Course of Construction. The Board or its duly authorized representative may enter into any Residential Unit, from time to time, as provided below during the course of construction or installation of any Improvements for the purpose of inspecting the construction or installation, provided that such entry is in compliance with **Section 4.3.5**. If the Board determines that such construction and/or installation is not being done in substantial compliance with the approved Plans and Specifications, it shall notify the Owner of such noncompliance. The Board may not enter into a Condominium without obtaining the prior permission of the Owner or occupant of such Unit; provided, however, that such prior permission shall not be unreasonably withheld and shall be given for entry by the Board during daylight hours within forty-eight (48) hours of the request for entry.

9.6.2 Notice of Completion. Upon the completion of any Improvements for which approved Plans and Specifications are required under this Article, the Owner shall give written notice of completion thereof to the Board.

9.6.3 Inspection. Within thirty (30) days after receiving notice of completion, the Board, or its duly authorized representative, shall have the right to enter into a Unit, as provided in **Section 9.6.1** above, to inspect the Improvements to determine whether they were constructed or

installed in substantial compliance with the approved Plans and Specifications. If the Board finds that such construction or installation, was not done in substantial compliance with the approved Plans and Specifications, it shall notify the Owner in writing of such non-compliance within such thirty (30) day period, specifying particulars of non-compliance, and shall require the Owner to remedy such non-compliance.

9.6.4 Non-Compliance. If, upon the expiration of thirty (30) days from the date of notification of non-compliance, the Owner shall have failed to remedy such non-compliance, the Board, after affording the Owner Notice and Hearing, shall determine whether there is non-compliance, and if so, the nature thereof and the estimated cost of correcting or removing the same. If non-compliance exists, the Board shall require the Owner to remedy or remove the same within a period of not more than thirty (30) days from the date of the Board ruling. If the Owner does not comply with the Board ruling within such period or within any extension of such period as the Board, in its discretion, may grant, the Board, at its option, may either remove the non-complying Improvement or remedy the non-compliance and the Owner shall reimburse the Association for all expenses incurred in connection therewith upon demand. If such expenses are not promptly repaid by the Owner, the Board shall levy an Enforcement Assessment against such Owner for reimbursement.

9.6.5 Failure to Notify. If for any reason the Board fails to notify the Owner of any non-compliance within sixty (60) days after receipt of the notice of completion from the Owner, the Improvements shall be deemed to be in accordance with said approved Plans and Specifications.

9.7 Government Regulations. If there is any conflict between the requirements or actions of the Board and the mandatory regulations, ordinances or rules of any Governmental Agencies relating to the Property, the government regulations, ordinances or rules, to the extent that such regulations, ordinances or rules are more restrictive, shall control, and the Board shall modify its requirements or actions to conform to the government regulations, ordinances or rules. The application to and the review and approval by the Board of any Plans and Specifications or other submittals by an Owner shall in no way be deemed to be satisfaction or compliance with any building permit process or other applicable statute or law, or governmental regulation, ordinance or rule or public utility requirements (hereinafter collectively referred to as "**Additional Requirements**") the responsibility for which shall lie solely with the Owner; provided, however, if the Additional Requirements are less restrictive than the provisions of this Declaration, the provisions of this Declaration shall nonetheless apply.

9.8 Diligence in Construction. Upon approval by the Board of any Plans and Specifications, the Owner shall promptly commence construction of the Improvements and diligently pursue the same to completion.

9.9 Fee for Review. The Board shall have the right to establish a fee for the review and approval of Plans and Specifications that must be submitted to the Board pursuant to the provisions of this Article. The Board shall have the right to hire any engineer or other consultant, the opinion of which the Board deems necessary in connection with its review of any plans submitted by any Owner and such Owner shall be liable for payment of such engineer's and/or consultant's fee.

9.10 Interpretation. All questions of interpretation or construction of any of the terms or conditions herein shall be resolved by the Board, and its decision shall be final, binding and conclusive on all of the parties affected. Notwithstanding the foregoing, in the event an Architectural Committee is appointed and the Architectural Committee disapproves any Plans and Specifications submitted by an Owner pursuant to this Article, the party or parties making such submission may appeal in writing to the Board. The Board must receive the written request for approval not more than thirty (30) days following the final decision of the Architectural Committee. Within thirty (30) days following receipt of the written request for appeal, the Board shall render its written decision. The failure of the Board to render a decision within the thirty (30) day period shall be deemed a decision against the Owner.

9.11 Waiver. The approval by the Board of any Plans and Specifications for any work done or proposed, or for any other matter requiring the approval of the Board under this Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar Plans and Specifications or matter subsequently submitted for approval.

9.12 Estoppel Certificate. Within thirty (30) days after written demand is delivered to the Board by any Owner, and upon payment to the Association of a reasonable fee (as fixed from time to time by the Association), the Board shall deliver an estoppel certificate, approved by a majority of its members and executed by two officers of the Board, certifying (with respect to any Unit of said Owner) that as of the date thereof, either: (a) all Improvements made and other work completed comply with this Declaration, or (b) such Improvements or work do not so comply, in which event the certificate shall also identify the non-complying Improvements or work and set forth with particularity the basis of such non-compliance. Any purchaser from the Owner, or from anyone deriving any interest in said Unit through the Owner, shall be entitled to rely on said certificate with respect to the matters therein set forth, such matters being conclusive as between the Association, Declarant and all Owners and such Persons deriving any interest through them.

9.13 Liability. Neither the Board, any Architectural Committee nor any member thereof shall be liable to the Association or to any Owner for any damage, loss or prejudice suffered or claimed on account of (a) the approval or disapproval of any Plans and Specifications, whether or not defective; (b) the construction or performance of any work, whether or not pursuant to approved Plans and Specifications; (c) the development of the Community or any property within the Community; or (d) the execution and filing of an estoppel certificate pursuant to **Section 9.12** whether or not the facts therein are correct, provided, however, that such Board or Architectural Committee member has acted in good faith on the basis of such information as they may possess. Without in any way limiting the generality of the foregoing, the Board or Architectural Committee, as the case may be, or any member thereof, may, but is not required to, consult with or hear the views of the Association or any Owner with respect to any Plans and Specifications or any other proposal submitted to the Board or Architectural Committee, as the case may be.

9.14 Variances. The Board may authorize variances from compliance with any of the architectural provisions of this Declaration, including, without limitation, restrictions upon height, size, or placement of Improvements or other similar restrictions, when circumstances such as aesthetic or environmental considerations may require. Such variances may be evidenced in writing, must be signed by at least two (2) officers of the Board and shall become effective upon execution. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Unit and particular provision hereof covered by the variance, nor shall it affect in anyway the Owner's obligation to comply with all governmental laws and regulations affecting its use of the Unit, including, without limitation, requirements imposed by Governmental Agencies.

9.15 Appointment of Architectural Committee. The Board shall have the right to delegate its review and/or approval rights under this **ARTICLE 9** to an Architectural Committee. If the Board so elects, the Architectural Committee shall consist of a minimum of three (3) members and a maximum of five (5) members. One (1) alternate member may be designated by the Board to act as a substitute on the Architectural Committee in the event of absence or disability of any member. In the event the Board appoints an Architectural Committee, all rights hereunder shall apply to the Architectural Committee and all references to the Board shall be deemed to refer to the Architectural Committee.

9.16 Compensation. The members of any Architectural Committee appointed by the Board shall receive no compensation for services rendered, other than reimbursement by the Association for expenses incurred by them in the performance of their duties hereunder, unless the Association retains a professional architect, engineer or designer as a member of the Architectural Committee for the purpose

of providing professional services, in which event reasonable compensation for such member shall be approved by the Board.

ARTICLE 10 DEVELOPMENT RIGHTS

10.1 Limitations of Restrictions. Declarant is undertaking the work of developing Condominiums and other Improvements within the Community. The completion of the development work and the marketing and sale, rental and other disposition of the Condominiums are essential to the establishment and marketing of the Property and as a first-class condominium community. In order that the work may be completed and the Community be established as a fully occupied condominium community as rapidly as possible, nothing in this Declaration shall be interpreted to deny Declarant the rights set forth in this Article.

10.2 Rights of Access and Completion of Construction. Until the third (3rd) anniversary of the original issuance of a Public Report, Declarant, its contractors and subcontractors shall have the rights set forth below, which rights shall be exercised in such a manner as reasonable to minimize interference with the conduct of any business in the Commercial Condominiums.

10.2.1 Access. Declarant, its agents, contractors and subcontractors shall have the right to obtain reasonable access over and across the Association Property or to do within any Unit owned by it whatever is reasonably necessary or advisable in connection with the completion of the Community and the development, marketing and maintenance thereof, and Declarant and its contractors and subcontractors shall have such rights of access over and across the Association Property for purposes of satisfying any obligation of Declarant that Declarant has secured by a bond in favor of any Governmental Agencies.

10.2.2 Construct Improvements. Declarant, its agents, contractors and subcontractors shall have the right to erect, construct and maintain on the Association Property or within any Unit owned by it such structures or Improvements, including, without limitation, sales offices and signs, as may be reasonably necessary for the conduct of its business to complete the work, establish the Community as a mixed use community and dispose of interests in the Community by sale, lease or otherwise, as determined by Declarant in its sole discretion.

10.2.3 Grant Easements. Declarant, its agents, contractors and subcontractors shall have the right to establish and/or grant on, over, under and across the Association Property such easements and rights of way for the benefit of the State of California, the City, the County or any other political subdivision or public organization, or any public utility entity or cable television provider, for the purpose of constructing, erecting, operating and maintaining Improvements thereon, therein or thereunder at that time or at any time in the future, including: (i) roads, streets, walks, driveways, trails, parkways and park areas; (ii) poles, wires and any necessary attachments for transmission of electricity, providing telephone service and cable television service to the Community; and (iii) public and private sewers, sewage disposal systems, storm water drains, land drains and pipes, water systems, sprinkling systems, water, heating and gas lines or pipes and any and all related equipment. The Association Property shall be subject to any dedication stated in the Condominium Plan or on the Final Map for the Community of an easement for public use for installation, maintenance and operation of facilities for public utilities. Said public utilities easement shall inure and run to all franchised utility companies and to the City, the County and the State and shall include the right of ingress and egress over the Association Property by vehicles of the City, the County and the State and such utility companies to properly install, maintain, repair, replace and otherwise service such Utility Facilities. The grant of said public utility easement shall not be interpreted to imply any obligation or responsibility of any such utility company or the City, the County or the State for maintenance or operation of any of the Association Property or the facilities located thereon or the repair, replacement or reconstruction thereof except for those Improvements owned by the utility companies or the City, the County, or the State, and except as occasioned by the negligence or willful misconduct of the utility companies or the City or the County of

the Utility Facilities for which they are responsible. Except for lawful and proper fences, structures and facilities placed upon the Association Property by utility companies, the Association Property subject to the public utility easement shall be kept open and free from buildings and structures. The City and County furthermore are granted a non-exclusive easement across the Association Property for ingress and egress for use by emergency vehicles of the City or County.

10.2.4 Use of Facilities. Declarant shall have the right to reasonably use any Residential Facilities within the Association Property for promotional and other marketing activities and Declarant shall have the right to reasonably display or show any facilities to prospective purchasers.

10.3 Size and Appearance of Community. Declarant shall not be prevented from changing the exterior appearance of Association Property structures, the landscaping or any other matter directly or indirectly connected with the Community in any manner deemed desirable by Declarant, if Declarant obtains governmental consents required by law.

10.4 Marketing Rights. Declarant shall have the right to: (i) maintain model homes, sales offices, customer service offices, storage areas and related facilities in any unsold Condominiums or Association Property as are necessary or reasonable, in the opinion of Declarant, for the sale or disposition of the Condominiums; (ii) make reasonable use of the Association Property and facilities for the sale of Condominiums; (iii) post signs, flags and banners, billboards, balloons and banners and other advertising and promotional devices which Declarant may, in its sole discretion, deem appropriate in connection with its marketing and/or development of any portions of the Community; and (iv) conduct its business of disposing of Condominiums by sale, lease or otherwise. Declarant shall repair any portion of the Association Property that is damaged by Declarant.

10.5 Title Rights. The rights of Declarant under this Declaration may be assigned to any successor(s) by an express assignment in a recorded instrument, including without limitation, a deed, option or lease. This Declaration shall not be construed to limit the right of Declarant at any time prior to such an assignment to establish additional licenses, reservations and rights-of-way to itself, to utility companies, to the City, to the County, to the State, or to others as may be reasonably necessary to the proper development and disposal of property owned by Declarant.

10.6 Amendment. The provisions of this Article may not be amended without the consent of Declarant until all of the Condominiums in the Community owned by Declarant have been conveyed.

10.7 Supplementary Condominium Plans and Supplementary Declarations. So long as Declarant or a Declarant Party owns any portion of the Property, Supplementary Declarations and Supplementary Condominium Plans may be recorded by Declarant, without the consent of any Owner, for any of the purposes for which a Supplementary Condominium Plan or a Supplementary Declaration may be recorded as specified in **Section 2.76 or 2.77** and after Declarant no longer owns any portion of the Property, Supplementary Declarations and Supplemental Condominium Plans may be recorded by the Association for any of the purposes for which a Supplementary Condominium Plan or a Supplementary Declaration may be recorded.

10.7.1 No Representation Regarding Security. The Community entry facilities are not intended to provide, and should not be construed as providing, guard or security services to any person or property within the Community. Declarant does not provide or attempt to provide security within the Community and does not make any representations or warranties whatsoever as to the adequacy of the Community entry facilities in providing privacy or limiting access into the Community.

ARTICLE 11 INSURANCE

11.1 Association's Insurance Obligations.

11.1.1 Liability Insurance. The Association shall obtain and maintain liability insurance providing coverage at least as broad as a current Insurance Services Office, Inc. ("ISO") commercial general liability insurance form or its equivalent (including coverage for medical payments and coverage for owned and non-owned automobiles, if applicable), insuring the Association, the Declarant (as long as Declarant or a Declarant Party is the Owner of any Condominium and/or has any rights under this Article) and the Owners against liability arising from the ownership, operation, maintenance and use of the Association Property by the Association and the performance by the Association of its duties under this Declaration. Coverage for such matters shall be primary to any coverage provided by any other liability insurance policy maintained by such insureds. The limits of such insurance shall not be less than Two Million Dollars (\$2,000,000) per occurrence and Two Million Dollars (\$2,000,000) general aggregate and shall at all times meet or exceed the minimum requirements of Section 1365.9 of the California Civil Code. Such insurance shall include coverage against water damage liability, a broad form named insured endorsement, if reasonably available as determined by the Board, and may include coverage against any other liability customarily covered with respect to properties similar in construction, location and use, all as may be determined by the Board. Such policy shall include, if reasonably available as determined by the Board, a cross-liability or severability or interest endorsement insuring each insured against liability to each other insured.

11.1.2 Property Insurance. The Association shall obtain and maintain property insurance for the risks covered by, and providing coverage at least as broad as, a current ISO "special form" policy or its equivalent, insuring (a) all Improvements upon, within or comprising the Association Property and any other areas to be maintained, repaired or replaced by the Association, including fixtures and building service equipment which are part thereof, and (b) all personal property owned or maintained by the Association except the Residential Owner Insured Property or Commercial Owner Insured Property as described in **Sections 11.2.1(a) and (b)** (collectively, the "**Association Insured Property**"). Such insurance shall be maintained in the amount of the maximum insurable replacement value of the property to be insured thereunder, as determined annually by the Association. Such coverage may exclude land, foundations, excavations, and other items typically excluded from property insurance coverage on properties similar in construction, location and use.

(a) **Course of Construction.** Whenever any Improvements or alterations to the Association Insured Property are in the course of construction, the insurance required under this Section, to the extent appropriate, as determined by the Association, shall be carried by the Association in builder's risk form written on a completed value basis, insuring against loss to the extent of at least the full replacement value of the Association Insured Property (excluding foundations and footings, except for earthquake coverage) of that which is being covered.

(b) **Payment of Insurance Proceeds.** Subject to the rights of Mortgagees, the proceeds from such property insurance shall be payable to the Association or an insurance trustee ("**Trustee**") to be held and expended for the benefit of the Association and the Owners, Mortgagees and others, as their respective interests shall appear. The Trustee shall be a commercial bank or other financial institution with trust powers in the county in which the Community is located that agrees in writing to accept such trust. If restoration is authorized, the Association will have the duty to contract for such work as provided in this Declaration.

(c) **Earthquake Insurance.** **ALL PARTIES ACKNOWLEDGE THAT EARTHQUAKE INSURANCE IS NOT INCLUDED IN THE BUDGET AND IS NOT BEING OBTAINED BY DECLARANT FOR THE BENEFIT OF THE OWNERS OR THE ASSOCIATION. NEITHER DECLARANT NOR THE ASSOCIATION IS OBLIGATED TO MAINTAIN EARTHQUAKE INSURANCE ON THE ASSOCIATION PROPERTY OR ANY PORTION THEREOF.** Declarant or any Owner (and/or their respective lenders) may maintain earthquake insurance for their own benefit, but the premiums therefor may not be included by Declarant or the Association in the Assessments. Notwithstanding the foregoing, at such time as the Board is no longer controlled by Declarant, the Association may, in its discretion, (but without any obligation to do so) obtain earthquake insurance from time to time, on those portions of the Community that are to be insured by the

Association as provided above in this Declaration, and if so obtained, the premiums for such insurance may be included in the Assessments. All parties acknowledge that earthquake insurance is typically very expensive and if purchased by the Association a material increase in Assessments may be required to cover the additional cost of such insurance.

(d) **Primary.** With respect to Association Insured Property, the property insurance maintained by the Association shall be primary and noncontributing with any other property insurance maintained by an Owner covering the same loss.

(e) **Endorsements.** The property insurance policy shall contain, to the extent available on commercially reasonable terms as may be determined by the Board, the following endorsements or their equivalents: agreed amount, boiler and machinery (to the extent applicable), inflation guard, ordinance or law, replacement cost, pollution claims including mold, and such other endorsements as may customarily be obtained with respect to properties similar in construction, location and use, as may be determined by the Board.

(f) **Adjustment of Losses.** The Association shall timely file, pursue and complete the adjustment of all claims arising under the property insurance policies carried by the Association. The Board is appointed attorney-in-fact by each Owner (except for the Secretary, U.S. Department of Veterans Affairs), to negotiate and agree on the value and extent of any property damage under any policy carried by the Association. The Board is granted full right and authority to compromise and settle any property damage claim under any policy of property insurance carried by the Association or enforce any such claim by legal action or otherwise and to execute releases in favor of any insurer with respect to any such claim.

(g) **Waiver of Claims and Subrogation.** The Association waives all claims against the Owners for any damage to the Association Insured Property (including without limitation, any loss of use of such property), except that the Association may claim against an Owner for property damage caused by that Owner to the extent that either (i) the peril causing such damage is not covered by the property insurance required by this Declaration to be maintained by the Association or the property insurance actually maintained by the Association (whichever is greater), provided that such Owner's liability for such uninsured damage is limited to the amount of liability insurance required to be maintained by such Owner pursuant to this Declaration; (ii) the peril causing such damage is covered by the Association's property insurance, but the damage is within the amount of the deductible or self-insured retention, provided that such Owner's liability for such damage is limited to the amount of liability insurance required to be maintained by such Owner pursuant to this Declaration; or (iii) such damage is caused by the gross negligence or willful misconduct of that Owner. Any property insurance policy obtained by the Association must contain a waiver of subrogation rights by the insurer consistent with this Section; provided, however, that a failure or inability of the Association to obtain such a waiver from an insurer shall not defeat or impair the waivers between the Association and the Owners as set forth herein. If an Owner is liable for damage under this Section, the Association may, after Notice and Hearing, levy an Enforcement Assessment equal to the cost of repairing the damage or any insurance deductible paid under the Association's insurance policy, as applicable, and the increase, if any, in insurance premiums directly attributable to such damage. The waivers of claims and subrogation set forth in this subsection apply only in favor of the Owners and do not limit or waive, release or discharge any claims that the Association (or its insurers) may have against any third party, including without limitation any contractor, service provider, agent, or Invitee, provided that such waivers shall also apply in favor of an Owner's Lessee if and to the extent that the Owner has similarly agreed in such lease agreement to a waiver of claims and subrogation against such Lessee.

11.1.3 Fidelity Bond. The Association shall maintain a commercial crime policy or a fidelity bond in an amount equal to the greater of (a) the estimated maximum amount of funds, including reserves, expected to be regularly held by or on behalf of the Association or a managing agent at any given time during the term of the fidelity bond; and (b) three (3) months' aggregate of the Regular Assessments on all Units plus any reserve funds. If the Association maintains a bond, the bond shall

name the Association as obligee and if the Association maintains insurance, the policy shall name the Association as the insured and shall insure against loss by reason of the acts of the employees of the Association, and any managing agent and its employees, whether or not such persons are compensated for their services.

11.1.4 Worker's Compensation Insurance. The Association shall maintain worker's compensation insurance to the extent necessary to comply with all Applicable Laws.

11.1.5 Directors and Officers Insurance. The Association shall maintain a policy insuring the Association's officers and directors against liability for their acts or omissions while acting in their capacity as officers and directors of the Association. The limits of such insurance shall be not less than One Million Dollars (\$1,000,000) and shall at all times meet or exceed the minimum requirements of Section 1365.7 of the California Civil Code.

11.1.6 General Policy Requirements. All insurance policies the Association is required to obtain pursuant to this Article shall be placed and maintained with companies rated at least "A-/VII" by A.M. Best Insurance Service and otherwise reasonably satisfactory to the Association. If an A.M. Best Insurance Service rating is not available, a comparable rating service may be used. Such insurance policies may have reasonable deductible amounts comparable to those customarily maintained with respect to properties similar in construction, location and use, as may be determined by the Board. The coverage amounts required for such insurance policies may be satisfied by any combination of primary and excess policies that collectively serve to satisfy the requirements of this Article.

11.1.7 Copies of Policies. Copies of all insurance policies of the Association shall be retained by the Association and available for inspection by Owners at reasonable times. All such insurance policies shall provide that they shall not be cancelable or substantially modified by the insurer without first giving at least thirty (30) days prior written notice to the Owners and Eligible Holders, except that ten (10) days prior written notice shall be required if the cancellation is for non-payment of premiums. In addition to the foregoing, the Association shall provide to the Owners such information regarding the insurance of the Association as may be required by Applicable Law or under the Bylaws.

11.1.8 Compliance With Federal Regulations. Notwithstanding any other provisions contained herein, the Association shall continuously maintain in effect such insurance and a fidelity bond meeting the minimum insurance and fidelity bond requirements for condominium projects established by any Federal Agencies, except to the extent such coverage is not available or has been waived in writing by the applicable Federal Agency. If the FNMA or FHLMC requirements conflict, the more stringent requirements shall be met.

11.1.9 Allocation of Premiums Between Commercial and Residential Owners. The Association may provide the coverage described in this Article under one or more policies of insurance. If any components of the Association insurance for the commercial portion of the Community are priced separately from the residential portion of the Community, then the Commercial Owners shall pay for the commercial portion as a commercial expense ("**Commercial Expense**") and the Residential Owners shall pay for the residential portion as a residential expense ("**Residential Expense**"). If any Association insurance is issued as a single policy covering the commercial and the residential portions of the Community, the Board shall allocate the cost of such insurance between the Commercial Owners and the Residential Owners as a General Variable Expense in accordance with **Exhibit "C"**.

11.2 Owners' Insurance Obligations.

11.2.1 Property Insurance.

(a) **Residential Owner Insured Property.** Each Residential Owner shall obtain and maintain at its sole expense property insurance for the risks covered by, and providing

coverage at least as broad as, a current ISO form residential condominium homeowner's insurance policy or its equivalent containing the broadest coverage provisions typically available in such a policy, insuring (i) all fixtures and Utility Facilities solely serving the Residential Unit, (ii) ceiling, floor and wall surface materials (e.g., paint, wallpaper, mirrors, carpets and hardwood floors); (iii) any internal doors and (iv) any upgrades or Improvements installed by an Owner within the Residential Unit (collectively referred to as the "**Residential Owner Insured Property**") for an amount equal to the maximum insurable replacement value thereof. Each Residential Owner is responsible to obtain at its sole cost and expense insurance for any personal property of such Residential Owner in such amounts as may be deemed adequate by such Residential Owner.

(b) **Commercial Owners.** Each Commercial Owner shall obtain and maintain or cause to be obtained and maintained at its sole expense property insurance for the risks covered by, and providing coverage at least as broad as, a current ISO form Condominium Commercial Unit Owners Insurance policy or its equivalent, insuring (i) all personal property of such Commercial Owner, (ii) all fixtures and Utility Facilities solely serving the Commercial Unit, (iii) ceiling, floor and wall surface materials within the Commercial Unit; (iv) all equipment used in the operation of the business by the Commercial Owner or its Occupants, (v) shelving, cabinetry and any other tenant improvements, any (vi) other Improvements instructed by such Commercial Owner or its Occupants (collectively referred to as the "**Commercial Owner Insured Property**") for an amount equal to the maximum insurable replacement value thereof. The Commercial Owners are hereby advised that if they elect to obtain loss of use or business interruption insurance, such insurance shall be obtained at the sole cost and expense of the Commercial Owner, and shall not be the responsibility of the Association.

(c) **Waiver of Claims and Subrogation.** Each Owner waives all claims against the Association for any damage to the real and personal property (including vehicles) that such Owner is obligated under this Declaration to insure (including without limitation any loss of use of such property), except that an Owner may claim against the Association for property damage to the extent that the damage is caused by the gross negligence or willful misconduct of the Association or its managing agent. Any property insurance policy obtained by an Owner must contain a waiver of subrogation rights by the insurer consistent with this Section; provided, however, that a failure or inability of an Owner to obtain such a waiver from an insurer shall not defeat or impair the waivers between the Owners and the Association as set forth herein. The waivers of claims and subrogation set forth in this subsection apply only in favor of the Association and do not limit or waive, release or discharge any claims that an Owner (or its insurers) may have against any third party, including without limitation any contractor, service provider, agent, other Owner, or Invitee; provided, that such waivers shall also apply in favor of the Association's managing agent if and to the extent that the Association has similarly agreed in a written management agreement to a waiver of claims and subrogation against such managing agent.

11.2.2 Liability Insurance.

(a) **Residential Owners.** Each Residential Owner shall, at such Owner's sole cost and expense, maintain liability insurance providing coverage at least as broad as the current ISO commercial general liability insurance form or its equivalent (including coverage for medical payments), insuring the Residential Owner against liability arising from the ownership, operation, maintenance and use of the Residential Condominium by such Residential Owner. Such policies of insurance shall be written in companies reasonably satisfactory to the Association and may be part of a Residential Owner's insurance policy. Liability insurance maintained by Residential Owners shall have limits of liability of not less than Three Hundred Thousand Dollars (\$300,000.00) per occurrence and general aggregate.

(b) **Commercial Owners.** Each Commercial Owner shall, at such Owner's sole cost and expense, maintain liability insurance providing coverage at least as broad as the current ISO commercial general liability insurance form or its equivalent (including coverage for medical payments), insuring the Commercial Owner against liability arising from the ownership, operation,

maintenance and use of its Condominium. Such policies of insurance shall be written in companies reasonably satisfactory to the Association. Liability insurance maintained by the Commercial Owners shall have limits of liability equal to or greater than the liability insurance customarily carried by Owners of commercial space which are comparable in size, location and quality to the Community, but not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) general aggregate.

11.2.3 Provisions Applicable to Owners' Insurance Requirements.

(a) **Copies of Policies.** Copies of all insurance policies that an Owner is required to maintain pursuant to this Declaration, or a certificate of such insurance, shall be delivered to the Association upon request. All policies shall indicate they may not be canceled or modified without thirty (30) days prior written notice to the Association, except that ten (10) days prior written notice shall be required if the cancellation is for non-payment of premiums. The acceptance of a copy of an insurance policy by the Association from an Owner shall not constitute a waiver of any of the insurance requirements set forth herein.

(b) **General Policy Requirements.** All insurance policies the Owners are required to obtain pursuant to this Article shall be placed and maintained with companies rated at least "B/VII" by A.M. Best Insurance Service and otherwise reasonably satisfactory to the Association. The coverage types and amounts required for such insurance may be satisfied by any combination of primary and excess policies that collectively serve to satisfy the requirements of this Article, including without limitation condominium unit owners' policy forms that provide both property damage and liability insurance coverage under one policy.

11.3 Review of Insurance. The Board shall review the adequacy of all insurance required by this Declaration to be maintained by the Association and by the Owners at least once every year. The review shall include a reasonable determination of the replacement cost of all Association Insured Property without respect to depreciation.

11.4 Board's Authority to Revise Insurance Requirements. Subject to any statutory insurance requirements, the Board shall have the power and right to adjust and modify the insurance requirements for Owners and the Association set forth herein to require coverage and protection that is customarily carried by and reasonably available to prudent owners and associations of projects similar in construction, location and use. If the Board elects to materially reduce the coverage required to be maintained by the Association from the coverage required in this Article, the Board shall make all reasonable efforts to notify the Owners and Mortgagees of the reduction in coverage and the reasons therefor at least thirty (30) days prior to the effective date of the reduction. The Association, and its directors and officers, shall have no liability to any Owner or Mortgagee if, after a good faith effort, the Association is unable to obtain one or more of the required insurance coverages to the extent the insurance is no longer available, or, if available, the insurance can be obtained only at a cost that the Board, in its sole discretion, determines is unreasonable under the circumstances, or if the Owners fail to approve any assessment increase needed to fund the insurance premiums. An Owner shall not be in breach of its obligations hereunder solely as a result of the inability to obtain insurance if, after a good faith effort, the Owner is unable to obtain one or more of the required insurance coverages to the extent the insurance is no longer available, or if available, the insurance can be obtained only at a cost that the Board, in its sole discretion, agrees is unreasonable under the circumstances.

ARTICLE 12 DESTRUCTION OF IMPROVEMENTS AND CONDEMNATION

12.1 Restoration Defined. As used in this **ARTICLE 12**, the term "restore" or "restoration" shall mean repairing, rebuilding or reconstructing damaged Improvements to substantially the same condition and appearance in which they existed prior to fire or other casualty damage.

12.2 Restoration Proceeds for Association Property.

12.2.1 Sufficient Proceeds. The costs of restoration of the damaged Improvement shall be paid first from any insurance proceeds paid to the Association under existing insurance policies. If the insurance proceeds exceed the costs of restoration, the excess proceeds shall be paid into reserves and held for the benefit of the Association. If the insurance proceeds are insufficient to restore the damaged Improvement, the Board shall then add to the insurance proceeds all reserve account funds designated for the repair or replacement of the damaged Improvement. If the total funds then available are sufficient to restore the damaged Improvement, the Improvement shall be restored. If the aggregate amount of insurance proceeds and such reserve account funds are insufficient to restore the damaged Improvements, and if such claims are not waived, the Association shall determine whether to levy an Enforcement Assessment against any Owner or Owners who caused such damage in accordance with **Section 11.1.2(g)**. If the aggregate amount of insurance proceeds and such reserve account funds are insufficient to pay the total costs of restoration, a Special Assessment against all Owners shall be levied by the Board up to the maximum amount permitted without the approval of the Members in accordance with the limitations set forth in this Declaration and by law. If the total funds then available are sufficient to restore the damaged Improvement, the Improvement shall be restored.

12.2.2 Insufficient Proceeds. If the total funds available to the Association are still insufficient to restore the damaged Improvement, then the Board first shall attempt to impose an additional Special Assessment pursuant to **subsection (a)** below, and second to use a plan of alternative reconstruction pursuant to **subsection (b)** below.

(a) **Additional Special Assessment.** If the total funds available to restore the damaged Improvement as provided in **Section 12.2.1** are insufficient, then a meeting of the Members shall be called for the purpose of approving a Special Assessment to make up all or a part of the deficiency ("**Additional Special Assessment**"). If the amount of the Additional Special Assessment approved by the Members, and the amounts available pursuant to **Section 12.2.1** above, are insufficient to restore the damaged Improvement, or if no Additional Special Assessment is approved, the Association shall consider a plan of alternative reconstruction in accordance with **subsection (b)**.

(b) **Alternative Reconstruction.** The Board shall consider and propose plans to reconstruct the damaged Improvements making use of whatever funds are available to it pursuant to **Section 12.2.1** and **subsection (a)** above ("**Alternative Reconstruction**"). All proposals shall be presented to the Owners. If two-thirds of the Voting Power of the Owners whose Residential Units were materially damaged, as determined by the Association ("**Affected Owners**") and a majority of the Voting Power of the Members, including the Affected Owners, agree to any plan of Alternative Reconstruction, then the Board shall contract for the reconstruction of the damaged Improvements in accordance with the plan of Alternative Reconstruction making use of whatever funds are then available to it. If no plan of Alternative Reconstruction is agreed to, then the provisions of **subsection (c)** shall apply.

(c) **Sale of Building.** If the damaged Improvement is part of the Condominium Building ("Damaged Building"), the damage renders one or more of the Condominiums uninhabitable, and the Improvements will not be restored in accordance with the provisions of Subsections (a) and (b) above, the Board, as the attorney-in-fact for each Owner of a Condominium, shall be empowered to sell the Damaged Building, including all Residential Units therein, in their then present condition, on terms to be determined by the Board, provided that the Board receives adequate assurances that the purchaser shall, and has the financial capability to: (i) restore the Damaged Building (either by renovation or removal and rebuilding), (ii) remove the Damaged Building (including foundations), grade the area, and appropriately landscape or otherwise improve the area, or (iii) perform any combination of the foregoing. Any work to be performed by the purchaser with respect to any of the foregoing shall be subject to the provisions of this **ARTICLE 12** and the provisions of this Declaration. In lieu of selling the Damaged Building to a third Person, the Association may purchase the Condominium Building on satisfaction of the following conditions:

12.3 Rebuilding Contract. The Board or its authorized representative shall obtain bids from at least two (2) licensed and reputable contractors and shall accept the restoration work from whomever the Board determines to be in the best interests of the Members. The Board shall have the authority to enter into a written contract with the contractor for such restoration, and the insurance proceeds shall be disbursed to the contractor according to the terms of the contract. The Board shall take all steps necessary to assure the commencement and completion of authorized restoration at the earliest possible date. Such restoration shall be commenced no later than one hundred eighty (180) days after the event requiring restoration and shall thereafter be diligently prosecuted to completion. Such restoration shall return the damaged Improvements to substantially the same condition and appearance in which it existed prior to the damage or destruction.

12.4 Authority to Effect Changes. If any adjacent Units or portion thereof are damaged or destroyed or in need of renovation or rehabilitation and the Units are repaired or reconstructed pursuant to the provisions set forth herein, the Unit may be repaired or reconstructed in a manner that alters the boundaries of such Units or the adjacent Association Property provided the following conditions are satisfied.

(i) the alteration has been approved by the Board, by the holders of any First Mortgages to the extent required herein and the Owners of the affected Units;

(ii) the Board has determined that the alteration is necessary in order to comply with current building code requirements, to meet current building construction standards and procedures, or to improve the conditions and quality of the affected Units;

(iii) the alteration does not materially change the location of any Unit or materially reduce the size of any Unit without the consent of the Unit Owner and the holders of any First Mortgages thereon. For purposes herein, a material reduction in the size of the Unit shall mean any alteration that increases or decreases the square footage of the interior floor space of the Unit by more than 10% from the square footage as shown on the Condominium Plan;

(iv) the Board has determined that any alteration that will relocate or reduce the Association Property will not unreasonably interfere with the rights of the Owners and Occupants to use and enjoy the Association Property;

(v) the Condominium Plan is amended to reflect the alteration to the Units or Association Property; and

(vi) easements for any encroachments created by such alterations are granted to the affected Owners by the Association.

Each Owner irrevocably appoints the Association as that Owner's attorney-in-fact and irrevocably grants to the Association the full power in the name of the Owner to effect any alteration to any Unit or Association Property as authorized above, including, without limitation, the execution, delivery and recordation of any Condominium Plan amendments, deeds or other instruments.

12.5 Minor Repair and Reconstruction. The Board shall have the duty to repair and reconstruct Improvements, without the consent of Members and irrespective of the amount of available insurance proceeds, in all cases of partial destruction when the estimated cost of repair and reconstruction does not exceed Ten Thousand Dollars (\$10,000.00). The Board is expressly empowered to levy a Special Assessment for the cost of repairing and reconstructing improvements to the extent insurance proceeds are unavailable and determine whether to levy an Enforcement Assessment against any Owner who caused the damage pursuant to **Section 11.1.2(g)**, such assessment to be levied as described above (but without the consent or approval of Members, despite any contrary provisions in this Declaration).

12.6 Damage or Destruction to a Unit. In the event of damage or destruction to any Unit, the Owner thereof shall (unless the Association is not required to repair surrounding damaged Association Property pursuant to the terms set forth above) reconstruct the same as soon as reasonably practicable and substantially in accordance with the original plans and specifications therefor; provided, however, that any such Owner may, with the written consent of the Board, reconstruct or repair the same pursuant to new or changed plans and specifications. In the event the Board fails to approve or disapprove such changed plans and specifications within sixty (60) days of the receipt thereof, they shall be deemed to have been approved. The Owner shall be entitled to the benefit of any master policy of property insurance maintained by the Association to the extent it covers the damage or destruction of elements of the Condominium that are within the Unit and which are the obligation of the Owner to repair as provided in this Declaration. With the exception of any casualty or damage insured against by the Association pursuant to **Section 11.1** of this Declaration, restoration and repair of any damage to the interior of any individual Unit, including without limitation all fixtures, cabinets and improvements therein, together with restoration and repair of all interior paint, wall coverings and floor coverings, shall be made by and at the individual expense of the Owner of the Unit so damaged, provided however, that nothing contained in this Section shall be construed as a waiver of claims that the Owner of a damaged Unit may have against another Owner who caused the damage. In the event of a determination to rebuild the Property after partial or total destruction, as provided in this **ARTICLE 12**, such interior repair and restoration shall be completed as promptly as practical and in a lawful and workmanlike manner, in accordance with Plans and Specifications approved in accordance with **ARTICLE 9**.

12.7 Condemnation of Association Property. If any portion of the Association Property is taken by condemnation, eminent domain or any proceeding in lieu thereof, then the Owners of the Association Property, and their Mortgagees as their respective interests then appear, shall be entitled to receive a distribution from the award for such taking in the same proportion as insurance proceeds would be distributed pursuant to the provisions above; provided, however, that should it be determined to repair or rebuild any portion of the Association Property, such proceeds shall be paid to the Association for that purpose in the same manner and subject to the same terms, conditions and limitations as are set forth above in this Article for repairing damaged or destroyed portions of the Association Property. A decision to repair or rebuild shall be made in the same manner and subject to the same conditions and limitations as provided above in this Article for determining whether to rebuild or repair following damage or destruction.

12.8 Condemnation of a Unit. In the event of any taking of a Condominium, the Owner (and such Owner's Mortgagees as their interests may appear) of the Condominium shall be entitled to receive the award for such taking and after acceptance thereof such Owner and such Owner's Mortgagee shall be divested of all further interest in the Condominium and membership in the Association if such Owner shall vacate such Owner's Unit as a result of such taking. In such event said Owner shall grant its remaining interest in the Common Area appurtenant to the Unit so taken, if any, to the other Owners owning a fractional interest in the same Common Area, such grant to be in proportion to the fractional interest in the Common Area then owned by each.

ARTICLE 13 PARTITION AND SEVERABILITY OF INTERESTS

13.1 Suspension. The right of partition is suspended pursuant to California Civil Code Section 1359 as to the Community. Nothing in this Article shall be deemed to prohibit partition of a co-tenancy in a Condominium.

13.2 Partition. Except as provided in this Declaration, there shall be no judicial partition of the Common Area, or any part thereof, for the term of the Community, nor shall Declarant, any Owner or any other person acquiring any interest in any Condominium in the Community seek any such judicial partition. The undivided interest in the Common Area described above may not be altered or changed as long as the prohibition against severability of interests in a Condominium remains in effect as provided in this Declaration. Notwithstanding the foregoing, judicial partition shall be permitted as follows:

13.2.1 With the approval, after substantial destruction or condemnation of the Community occurs, of at least sixty-seven percent (67%) of the total Voting Power of the Association and approval by Eligible Holders who represent at least fifty-one percent (51%) of the Condominiums that are subject to Mortgages held by Eligible Holders; or

13.2.2 With the approval, for reasons other than substantial destruction or condemnation of the Community, of at least sixty-seven percent (67%) of the total Voting Power of the Association and approval by Eligible Holders who represent at least sixty-seven percent (67%) of the Condominiums that are subject to Mortgages held by Eligible Holders; or

13.2.3 As allowed by California law, including Civil Code Section 1359, as the same may be amended from time to time.

An Eligible Holder who receives a written request to give such approvals who does not deliver or mail the requesting party a negative response within sixty (60) days shall be deemed to have given such approval provided such written request was delivered by certified mail or registered mail with "return receipt" requested. For so long as is required by FNMA's legal requirements for project acceptance, all references to "Eligible Holder" in this **Section 13.2** shall be deemed to include all first Mortgagees.

13.3 Distribution of Proceeds. Proceeds or property resulting from a partition shall be distributed to and among the respective Owners and their Mortgagees as specified or apportioned in the judgment of partition, or if not so specified, as their interests appear in proportion to the fair market value of the Condominiums at the date of the sale as determined by an independent appraisal conducted by a member of the American Institute of Real Estate Appraisers with the designation of a Member Appraisal Institute (M.A.I.) or if such institute no longer exists, an appraiser of comparable experience.

13.4 Power of Attorney. Each of the Owners irrevocably appoints the Association as attorney-in-fact and irrevocably grants to the Association full power in the name and stead of such Owner to sell the entire Community, and to execute deeds and conveyances to it, in one or more transactions, for the benefit of all Owners when partition of the Community may be had under California Civil Code Section 1359. The power of attorney shall:

13.4.1 Be binding on all Owners, whether they assume the obligations under this Declaration or not;

13.4.2 Be exercisable by a majority of the Board acting on behalf of the Association, subject to obtaining the prior approval by vote or written consent of at least seventy-five percent (75%) of the Owners and at least seventy-five percent (75%) of all Institutional Mortgagees; and

13.4.3 Be exercisable only after recordation with the County Recorder of a certificate executed by those who have power to exercise the power of attorney that the power of attorney is properly exercisable under the authority of this Declaration. This certificate shall be conclusive evidence of proper exercise in favor of any person relying on it in good faith.

13.5 Prohibition Against Severance. An Owner shall not be entitled to sever such Owner's Unit from its membership in the Association, and shall not be entitled to sever such Owner's Unit and such Owner's membership from such Owner's undivided interest in the Common Area for any purpose. None of the component interests in a Condominium can be severally sold, conveyed, encumbered, hypothecated or otherwise dealt with, and any violation or attempted violation of this provision shall be void. Similarly, no Owner can sever any exclusive easement appurtenant to such Owner's Unit over the Association Property from such Owner's Condominium, and any attempt to do so shall be void. It is intended hereby to restrict severability pursuant to California Civil Code Section 1358. Notwithstanding the foregoing, the suspension of such right of severability contained herein shall not extend beyond the period set forth in **Section 13.2** in which the right to partition the Community is suspended thereunder.

13.6 Conveyances. After the initial sales of the Condominiums, any conveyance of a Condominium by an Owner shall be presumed to convey the entire Condominium. However, nothing contained in this Section shall preclude the Owner of any Condominium from creating an estate for life or years, cotenancy or joint tenancy in the ownership of the Condominium with any other person or persons.

ARTICLE 14 RIGHTS OF MORTGAGEES

14.1 Conflict. Notwithstanding any contrary provision contained elsewhere in the Governing Documents, the provisions of this Article shall control with respect to the rights and obligations of Mortgagees as specified herein.

14.2 Liability for Unpaid Assessments. Any Institutional Mortgagee who obtains title to a Condominium pursuant to the remedies provided in the First Mortgage (except upon a voluntary conveyance to the Institutional Mortgagee) or by foreclosure of the First Mortgage shall take the property free of any claims for unpaid assessments or charges against the Condominium which accrue prior to the acquisition of title to the Condominium by the Institutional Mortgagee.

14.3 Payment of Taxes and Insurance. All taxes, assessments and charges that may become a lien prior to the lien of any First Mortgagee shall be levied only to the individual Condominium and not the Community as a whole. Institutional Mortgagees may, jointly or singly, pay taxes or other charges that are in default and that may or have become a charge against any Association Property or Improvements situated thereon and may pay overdue premiums on property insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Association Property. Institutional Mortgagees making such payments shall be owed immediate reimbursement for such expenditures from the Association and, on demand, the Association shall execute an agreement in favor of all Institutional Mortgagees reflecting entitlement to reimbursement.

14.4 Notice to Eligible Holders. An Eligible Holder is entitled to timely written notice of the following events:

14.4.1 Any condemnation loss or casualty loss that affects either a material portion of the Community or the Unit on which the Eligible Holder holds a First Mortgage;

14.4.2 Any delinquency in the payment of assessments or charges owed by the Owner of a Condominium that is subject to a First Mortgage held by the Eligible Holder if the delinquency is not cured within sixty (60) days after its due date;

14.4.3 Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

14.4.4 Any proposal to take any action specified in this Article or in the Article hereof entitled "Destruction of Improvements and Condemnation;"

14.4.5 Any default by the Owner-Mortgagor of a Condominium that is subject to a First Mortgage held by an Eligible Holder in the performance of its obligations under this Declaration or the Bylaws which is not cured within sixty (60) days; or

14.4.6 Any proposed action that requires the consent of a specified percentage of the Eligible Holders.

For so long as is required by FNMA's legal requirements for project acceptance, all references to "Eligible Holder" in this **Section 14.4** shall be deemed to include all First Mortgagees and all guarantors of First Mortgages.

14.5 Reserve Fund. The Association shall maintain a reserve account fund sufficient to pay for maintenance, repair and periodic replacement of the Association Property and other Improvements that the Association is obligated to maintain. This reserve fund shall be funded by Regular Assessments of Owners that are payable in installments rather than by Special Assessment; provided, however, that this provision shall not be deemed to limit the power of the Association to levy any other type of assessment or charge authorized by this Declaration.

14.6 Inspection of Books and Records. Upon request, any Owner or First Mortgagee shall be entitled to inspect the books, records and financial statements of the Association, the Governing Documents and any amendments thereto during normal business hours or under other reasonable circumstances.

14.7 Financial Statements. The Association, at its expense, shall prepare an audited financial statement for the immediately preceding Fiscal Year and make the same available within one hundred twenty (120) days after the Association's Fiscal Year-end to any Institutional Mortgagee/Eligible Holder that has submitted a written request for it.

14.8 Actions Requiring Eligible Holder Approval. Unless at least sixty-seven percent (67%) of the Eligible Holders (based on one vote for each First Mortgage owned) and at least sixty-seven percent (67%) of the Owners other than Declarant have given their prior written approval, the Association shall not be entitled to:

14.8.1 By act or omission, seek to abandon or terminate the Community;

14.8.2 By act or omission abandon, partition, subdivide, encumber, sell or transfer any property or improvements owned, directly or indirectly, by the Association for the benefit of the Condominiums and the Owners. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Community by the Association and Owners shall not be deemed a transfer within the meaning of this Section);

14.8.3 By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to architectural design or exterior appearance of Units, the exterior maintenance of Units, or the upkeep of lawns, plantings or other landscaping in the Community;

14.8.4 By act or omission change the method of determining the obligations, assessments, dues or other charges that may be levied against an Owner;

14.8.5 Partition or subdivide a Condominium;

14.8.6 Fail to maintain fire and extended coverage insurance on insurable portions of the Association Property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value based on current replacement cost; and

14.8.7 Use hazard insurance proceeds for losses to any property or Improvements owned by the Association other than for the repair, replacement or reconstruction of such property and Improvements.

14.9 Votes for Termination of Community. Any election to terminate the legal status of the Community as a Condominium project shall require:

14.9.1 The approval of Eligible Holders that represent at least sixty-seven percent (67%) of the votes of Condominiums that are subject to Mortgages held by Eligible Holders and at least sixty-seven percent (67%) of the total Voting Power of the Association if the election to terminate the legal status is a result of substantial destruction or a substantial taking in condemnation of the property within the Community; or

14.9.2 The approval of at least sixty-seven percent (67%) of the total Voting Power of the Association and Eligible Holders that represent at least sixty-seven percent (67%) of the votes of Condominiums that are subject to Mortgages held by Eligible Holders, if **Section 14.9.1** is not applicable.

For so long as is required by FNMA's legal requirements for project acceptance, all references to "Eligible Holder" in this **Section 14.9** shall be deemed to include all First Mortgagees.

14.10 Condemnation or Destruction. In the event a portion of the Community is either condemned or destroyed or damaged by a hazard that is insured against, restoration or repair shall be performed substantially in accordance with the provisions of this Declaration and the original plans and specifications for the Community unless Eligible Holders representing at least fifty-one percent (51%) of the votes of Condominiums subject to Mortgages held by Eligible Holders approve the taking of other action by the Association.

14.11 Self-Management. The vote or approval by written ballot of at least sixty-seven percent (67%) of the total Voting Power of the Association and Eligible Holders that represent at least fifty-one percent (51%) of the votes of Condominiums that are subject to Mortgages held by Eligible Holders shall be required to assume self-management of the Community if professional management of the Community has been required by an Eligible Holder at any time.

14.12 Mortgagee Protection. A breach of any of the conditions contained in this Declaration shall not defeat nor render invalid the lien of any First Mortgage made in good faith and for value as to any Condominium in the Community; provided, however, that the conditions contained in this Declaration shall be binding upon and effective against any Owner of a Condominium if the Condominium is acquired by foreclosure, trustee's sale or otherwise.

14.13 Distribution of Insurance and Condemnation Proceeds. No Owner, or any other party, shall have priority over any right of Institutional Mortgagees of Condominiums pursuant to their Mortgages in case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominiums or Association Property. Any provision to the contrary in this Declaration or in the Bylaws or other documents relating to the Community is to such extent void. All applicable fire and all physical loss or extended coverage insurance policies shall contain loss payable clauses acceptable to the affected Institutional Mortgagees naming the Mortgagees, as their interests may appear.

14.14 Voting Rights on Default. In case of default by any Owner in any payment due under the terms of any Institutional Mortgage encumbering such Owner's Condominium, or the promissory note secured by the Mortgage, the Mortgagee or its representative, on giving written notice to such defaulting Owner or Owners, and placing of record a notice of default, is hereby granted a proxy and can exercise the voting rights of such defaulting Owner attributable to such Condominium at any regular or special meeting of the Members held during such time as such default may continue.

14.15 Foreclosure. If any Condominium is encumbered by a First Mortgage made in good faith and for value, the foreclosure of any lien created by any provision set forth in this Declaration for assessments, or installments of assessments, shall not affect or impair the lien of the First Mortgage. On foreclosure of the Mortgage, the lien for assessments, or installments, that has accrued up to the time of foreclosure shall be subordinate to the lien of the Mortgage, with the foreclosure-purchaser taking title to the Condominium free of the lien for assessments, or installments, that has accrued up to the time of the foreclosure sale. On taking title to the Condominium the foreclosure-purchaser shall only be obligated to pay assessments or other charges levied or assessed by the Association after the foreclosure-purchaser acquired title to the Condominium. The subsequently accrued assessments or other charges may include previously unpaid assessments provided all Owners, including the foreclosure-purchaser, and its successors and assigns are required to pay their proportionate share as provided in this Section.

14.16 Non-Curable Breach. Any Mortgagee who acquires title to a Condominium by foreclosure or by deed in lieu of foreclosure or assignment-in-lieu of foreclosure shall not be obligated to cure any breach of this Declaration that is non-curable or that is not practical or feasible to cure.

14.17 Loan to Facilitate. Any Mortgage given to secure a loan to facilitate the resale of a Condominium after acquisition by foreclosure or by a deed-in-lieu of foreclosure or by an assignment-in-lieu of foreclosure shall be deemed to be a loan made in good faith and for value and entitled to all of the rights and protections of this Article.

14.18 Appearance at Meetings. Because of its financial interest in the Community, any Mortgagee may appear (but cannot vote except as may be provided for herein) at meetings of the Members and the Board to draw attention to violations of this Declaration that have not been corrected or made the subject of remedial proceedings or assessments.

14.19 Right to Furnish Information. Any Mortgagee can furnish information to the Board concerning the status of any Mortgage.

14.20 Right of First Refusal Not Applicable to Mortgagee. No right of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey the Owner's Condominium shall be granted to the Association without the written consent of any Mortgagee of the Condominium. Any right of first refusal or option to purchase a Condominium that may be granted to the Association (or other person, firm or entity) shall not apply to any conveyance or transfer of title to such Condominium, whether voluntary or involuntary, to a Mortgagee that acquires title to or ownership of the Condominium pursuant to the remedies provided in its Mortgage or by reason of foreclosure of the Mortgage or deed or assignment in lieu of foreclosure.

14.21 Written Notification to Mortgagees or Guarantors of First Mortgages. If a Mortgagee or guarantor of a First Mortgage is not also an Eligible Holder, any written notice or proposal required or permitted by this Declaration to be given to such Mortgagee or guarantor shall be deemed properly given if deposited in the United States mail, postage prepaid, and addressed to the Mortgagee or guarantor at its address appearing of record in the First Mortgage (or assignment thereof, if applicable).

ARTICLE 15 AMENDMENTS

Except as otherwise set forth in this Declaration, this Article shall not be amended, modified or rescinded until Declarant has conveyed the last Condominium within the Community without (i) the prior written consent of Declarant and (ii) the recording of said written consent in the Official Records.

15.1 Amendment Before the Close of First Sale. Before the conveyance of the first Condominium to an Owner under a Public Report, this Declaration and any amendments to it may be amended in any respect or revoked by the execution by Declarant and any Mortgagee of record of an instrument amending or revoking this Declaration. The amending or revoking instrument shall make appropriate reference to this Declaration and its amendments and shall be acknowledged and recorded in the office of the County Recorder.

15.2 Amendments After the Close of First Sale. After the conveyance of the first Condominium to an Owner under a Public Report and during the period of time prior to conversion of the Class B membership in the Association to Class A membership, this Declaration may be amended at any time and from time to time provided that the vote or approval by written ballot of a majority of the Voting Power of each class of Members of the Association has been obtained. After conversion of the Class B membership in the Association to Class A membership, this Declaration may be amended at any time and from time to time, provided that the vote or approval by written ballot of (a) at least a majority of the total Voting Power of the Association and (b) at least a majority of the Voting Power, other than Declarant, has been obtained. If any provision of this Declaration requires a greater or lesser percentage of the

voting rights of any class of Members in order to take affirmative or negative action under such provision, the same percentage of such class or classes of Members shall be required to amend or revoke such provision. The vote on a proposed amendment to the Declaration shall be held by secret written ballot in accordance with the procedures set forth in California Civil Code Section 1363.03 and the rules adopted by the Board pursuant thereto. the date this Declaration is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by at least sixty-seven percent (67%) of the then Members has been recorded, at least one (1) year prior to the end of any such period in the manner required for a conveyance of real property, in which it is agreed that this Declaration shall terminate at the end of the then applicable term.

The Association or any Owner shall have a right of action against any Owner, and any Owner shall have a right of action against the Association, to enforce by proceedings at law or in equity, all covenants, conditions, and restrictions, now or hereafter imposed by the provisions of the Governing Documents or any amendment thereto, including the right to prevent the violation of such covenants, conditions and restrictions and the right to recover damages or other dues for such violation except that Owners shall not have any right of enforcement concerning assessment liens. The Association shall have the exclusive right to enforce provisions relating to architectural control and the Association Rules, unless the Association refuses or is unable to effectuate such enforcement, in which case any Owner who otherwise has standing shall have the right to undertake such enforcement. Failure of the Association, Declarant or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

16.3 Notice of Actions Against Declarant. Subject to the provisions of **Section 16.5** hereof, the Association shall comply with the provisions of Civil Code Section 1375 and the Pre-Arbitration Procedures set forth in **Section 16.6** prior to the filing of any civil action by the Association against the Declarant or other developer of the Community for either alleged defects in the Association Property or other property within the Community that the Association is obligated to maintain or repair, or alleged defects in any other portion of the Community that arises out of, or is integrally related to, such damage to the Association Property or other property within the Community that the Association is obligated to maintain or repair.

16.5 Alternative Dispute Resolution. The purpose of this **Section 16.5** is to provide an expedited means of resolving any claims, disputes and disagreements which may arise between (i) Owner and/or the Association and (ii) Declarant after the close of escrow or other conveyance of any portion of the Property by Declarant concerning the Property that are not resolved pursuant to any applicable statutory dispute resolution procedures (individually referenced to herein as "**Dispute**" and collectively as "**Disputes**"). Alternatively, Declarant, an Owner or the Association may elect to resolve such Disputes through a small claims court proceeding. THIS PROCESS INVOLVES WAIVER OF THE RIGHT TO A JURY TRIAL. DECLARANT, BY EXECUTING THIS DECLARATION, AND EACH OWNER AND THE ASSOCIATION AGREE TO BE BOUND BY THE PROVISIONS OF THIS **SECTION 16.5**.

16.6 Pre-Arbitration Procedure. For all Disputes, Declarant, Owners and the Association agree to follow the pre-arbitration procedures set forth below:

16.6.1 Notification: Owners and the Association agree to provide Declarant with written notice of any matters relating to a Dispute as soon as is reasonably possible after Owner or the Association becomes aware of such matters or Dispute.

16.6.2 Cooperation: Access; Repair. Owners and the Association agree to cooperate with Declarant regarding investigation of the Dispute, including giving Declarant access to the Residence and Association Property in order to inspect, test, repair, replace, correct or otherwise address any matter relating to the Dispute.

Upon their mutual agreement, Declarant, Owner and the Association may agree to voluntary mediation of a Dispute before a mutually-agreeable neutral mediator, in which case, Declarant agrees to pay the mediator's fees for a one-half day mediation session. A decision to mediate or not to mediate by either party is without prejudice to either party's rights.

16.7 Agreement to Arbitrate.

16.7.1 Agreement to Arbitrate. The Association, each Owner and Declarant shall resolve any Dispute exclusively through binding arbitration in the county in which the Property is located. This arbitration provision shall apply to Disputes of any kind or nature regardless of when the Dispute first arose or the nature of the relief sought.

16.7.4 Expenses. Declarant shall advance the fees to initiate the arbitration, which fees shall not include the costs of the arbitrator.

16.7.5 Federal Arbitration Act. Because many of the materials and products incorporated into the Community are manufactured in other states, the Association, Owners and Declarant agree that the development and conveyance of the Property evidences a transaction involving interstate commerce and the Federal Arbitration Act (9 U.S.C. §1, *et seq.*) now in effect and as it may be hereafter amended will govern the interpretation and enforcement of the arbitration provisions of this Declaration.

16.7.6 NOTICE. EACH OWNER, BY ACCEPTANCE OF A DEED TO A CONDOMINIUM AGREES TO HAVE ANY DISPUTE DECIDED BY NEUTRAL, BINDING ARBITRATION IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT AND SUCH OWNER IS GIVING UP ANY RIGHTS IT MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT OR JURY TRIAL OR OTHER PROCEEDING. EACH OWNER, BY ACCEPTANCE OF A DEED TO A CONDOMINIUM, IS GIVING UP ITS JUDICIAL AND/OR STATUTORY RIGHTS TO DISCOVERY AND APPEAL, EXCEPT TO WHATEVER EXTENT ANY RIGHTS ARE SPECIFICALLY INCLUDED IN THIS ARBITRATION AGREEMENT, IF AN OWNER OR THE ASSOCIATION REFUSES TO SUBMIT TO ARBITRATION, (I) SUCH PARTY MAY BE COMPELLED TO ARBITRATE UNDER THE FEDERAL ARBITRATION ACT, AND/OR (II) ARBITRATION MAY GO FORWARD IN THE ABSENCE OF THE REFUSING PARTY.

16.7.7 Final and Binding Award. The decision of the arbitrator shall be final and binding. A petition to confirm, vacate, modify or correct an award may be filed in accordance with California law, but the award may be vacated, modified or corrected only as permitted by the Federal Arbitration Act.

16.7.8 Severability. In addition to and without limiting the effect of any general severability provisions of this Declaration, if the arbitrator or any court determines that any provision of this **Section 16.7.8** is unconscionable or unenforceable for any reason, that provision shall be severed, and proceedings agreed to in this **Section 16.7.8** shall be conducted under the remaining enforceable terms of this **Section 16.7.8**.

16.7.9 Application of Award. Any proceeds awarded to the Association arising from any Dispute by settlement, award or otherwise shall be applied in accordance with the provisions of **Section 4.4.18** of this Declaration.

ARTICLE 17 GENERAL PROVISIONS

17.1 Headings. The headings used in this Declaration are for convenience only and are not to be used to interpret the meaning of any of the provisions of this Declaration.

17.2 Severability. The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any provision or provisions of it shall not invalidate any other provisions. In the event that any phrase, clause, sentence, paragraph, section, article or other portion of this Declaration shall become illegal, null, void, against public policy or otherwise unenforceable, for any reason, the remaining portions of this Declaration shall not be affected thereby and shall remain in force and effect to the fullest extent permissible by law.

17.3 Cumulative Remedies. Each remedy provided for in this Declaration shall be cumulative and not exclusive. Failure to exercise any remedy provided for in this Declaration shall not, under any circumstances, be construed as a waiver.

17.4 Violations as Nuisance. Every act or omission in violation of the provisions of this Declaration shall constitute a nuisance and, in addition to all other remedies herein set forth, may be abated or enjoined by any Owner, any Member of the Board, the manager, or the Association.

17.5 No Racial Restriction. No Owner shall execute or cause to be recorded any instrument which imposes a restriction upon the sale, leasing or occupancy of its Condominium on the basis of race, sex, color or creed.

17.6 Access to Books. Declarant may, at any reasonable time and upon reasonable notice to the Board or manager, cause an audit or inspection to be made of the books and financial records of the Association.

17.7 Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision thereafter.

17.8 Notification of Sale of Condominium. Concurrently with the consummation of the sale of any Condominium under circumstances whereby the transferee becomes an Owner thereof, or within five (5) business days thereafter, the transferee shall notify the Board in writing of such sale. Such notification shall set forth the name of the transferee and its Mortgagee and transferor, the common address of the Condominium purchased by the transferee, the transferee's and the Mortgagee's mailing address, and the date of sale. Prior to the receipt of such notification, any and all communications required or permitted to be given by the Association, the Board or the manager shall be deemed to be duly made and given to the transferee if duly and timely made and given to said transferee's transferor. Mailing addresses may be changed at any time upon written notification to the Board. Notices shall be deemed received forty-eight (48) hours after mailing if mailed to the transferee, or to its transferor if the Board has received no notice of transfer as above provided, by certified mail return receipt requested, at the mailing address above specified. Notices shall also be deemed received on the next business day after being sent by overnight courier or upon delivery if delivered personally to any occupant of a Condominium over the age of twelve (12) years.
