He noted seeing a plateau in the cold office market which is a good thing. Hotels are close to pre-Covid levels. Muni is showing increased signs of recovery but BART is not.

Commissioner comments:

Huie: National news shows prices going up everywhere? Yes, housing is the main difference in cost of living and in SF it's come down a bit whereas everywhere else it's rising.

Ortiz-Cartagena: can we expect an economic boost from World Cup and Superbowl? Yes. Ancillary spending will help.

Huie: is there a way to measure grant impacts? We could look at quarterly sales tax data.
