Hello,

This is a written public comment for the 8/20/25 Commission Streamlining Task Force Meeting.

I am a resident of and nonprofit worker in San Francisco. I am very concerned with the potential elimination of the Sheriff's Department Oversight Board in the August 20, 2025 Commission Streamlining Task Force Meeting. We need MORE thorough and intense scrutiny and oversight of our sheriff's department, and I do not trust that combining the Board's duties into the Department of Police Accountability will allow for proper oversight. On August 20, keep the Sheriff's Department Oversight Board!

Thank you,
