Dear Members of the Streamlining Task Force,
I am writing to urge you to maintain the Film Commission. As a film commissioner, I know firsthand how this body provides support to a department that brings jobs, commercial activity, and much-needed positive attention to San Francisco. Through its relationships both within the community, as well as the broader film world, the commission works without compensation to assist with and amplify the work of SFFILM.

Thank you,
Kate Goldstein-Breyer
