Hello,

I'm Carolyn Sideco, resident of San Francisco's district 4 and proponent of preserving the Commission on the Status of Women.

As the manager of the Positive Coaching Alliance SF Youth Sports Equity Coalition, we consider SoW allies and partners in continuing and impacting the work of gender equity within our scope of youth sports in San Francisco.

Our Youth Sports Equity Coalition is charged with providing accountability, impactful and relevant equity initiatives, and collaborative relationships that deepen San Franciscans' access to youth sports programs and organizations.

As a 50+ year resident of San Francisco, a 20+ year sports educator in San Francisco, and an advocate for the needed work being done by the Department on the Status of Women, I urge the Streamlining Commission to vote to keep DOSW intact.

Sincerely,
Carolyn A. Sideco
