Subject: regarding Sugary Drinks Distributor Tax Advisory Committee
Date: Thursday, October 9, 2025 4:09:36 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Task Force Members,

I am writing to ask that you do not recommend the elimination of the Sugary Drinks Distributor Tax Advisory Committee (SDDTAC). This committee has done significant good in my community and for my own family. I have two young children in an SFUSD elementary school (Flynn) and SDDTAC's initiatives have greatly improved awareness of healthy habits, and access to clean drinking water. They have also provided water bottles that are in constant use at my children's school.

This committee has improved life in SF. I ask that you consider keeping it.

Sincerely,
Carl Grace
