Esteemed Streamlining Commission Task Force,

The Immigrant Rights Commission has served as a critical voice for immigrant communities in San Francisco, shaping policies, improving language access, and ensuring that City services remain accessible to all residents regardless of immigration status. Your continued support is vital as the Task Force evaluates the future of the IRC. 40% of San Franciscans are foreign born and the City has been a national leader in supporting immigrant rights and acknowledging their vital contributions to our city and nation.

Furthermore, as our immigrant communities now face xenophobic federal policies and aggressive, unconstitutional enforcement, the IRC serves as the only forum in San Francisco for our immigrant communities to share their voice, seek support and safety. Please protect the future of the IRC to ensure that our immigrant communities continue to feel safe and be contributing members of our city and communities.

Regards,

Mario Paz
