To Whom it May Concern at the Commission Streamlining Taskforce,
As a collaborator and program manager of a teen program, I would like to state that the San Francisco Youth Commission in the City Charter as a chartered advisory commission to protect independent youth voices in City Hall be kept active and funded. I would like to state that any considerations that would impose a sunset date, remove youth seats, or implement unnecessary term limits be rejected. And that any language that prohibits youth commissioners from receiving compensation for their public service be removed.

Thank you,
Leah Kalish
