Subject: Please keep the Disability and Aging Commission and Advisory Committee intact as is
Date: Wednesday, October 15, 2025 12:35:51 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Commission Streamlining Staff,

Please keep the Disability and Aging Commission as well as Disability and Aging Advisory Committees intact as they have been for years.

Both bodies are urgently needed. Those of us elders with disabilities urgently need voices representing us at City Hall. Only we can represent us.

It is unfair, rude, and cruel to shut us out of decisions that affect us. Please leave the current structure alone.

Respectfully,

Tomasita Medál
Disabled Elder
