Dear Task Force Members,

I support consolidating the Local Homeless Coordinating Board, Our City, Our Home Oversight Committee, and Shelter Monitoring bodies into the Homelessness Oversight Commission.

We need a system that keeps the public informed while eliminating redundancies that consume staff time and slow decision-making. A unified commission will provide one clear line of accountability and ensure public oversight continues in a transparent way.

Thank you for advancing a proposal that makes our homelessness system stronger and more coherent.

Sincerely,
Lucy Junus
