Subject: Strengthening Voter Accountability

Dear Commissioners,

I'm writing to support the integration of the Our City, Our Home Oversight Committee into the Homelessness Oversight Commission.

Voters created Prop C to ensure funding was used effectively — not to create another silo. Centralizing oversight will strengthen, not weaken, accountability to voters by putting all homelessness funds under one public body.

The Controller's reports and HOC's open meetings will maintain transparency and ensure that Prop C dollars are part of a citywide homelessness strategy.

Thank you for helping make oversight more effective.

Sincerely,

Lucy Junus
