***I and many others in San Francisco urge you, Mayor Daniel Lurie & the Board of Supervisors to maintain the Sunshine Ordinance Task Force. We the people who reside & work in San Francisco must maintain the Commissions & the Citizen Advisory Committees. The Top Down Trump paradigm must not be shoved down out thoughts! I served on the Pedestrian Safety Advisory Committee(PSAC) for 10 years. I was a PSACer from 2006 to 2016. Twice I have been hit by moving cars in San Francisco. Each time the Traffic Collision 555 form stated the driver violated CVC 21950. We must maintain the Sunshine Ordinance Task Force!***

***Cum Deus E Pluribus Unum,***
