Dear Commission Streamlining Task Force,

I strongly ask that you keep the Commission of Animal Control and Welfare. It is the only public body in San Francisco focused on protecting animals and ensuring that their needs and interests are considered in city policy. The Commission gives the public a place to speak, ask questions, and hold decision-makers accountable. A department alone cannot provide that level of transparency or community participation. Please preserve the one space in City Hall where animal welfare has a voice.

Thank you!

Best wishes,
