Dear Commission Streamlining Task Force,

Please, I urge you to keep the Commission of Animal Control and Welfare. It is San Francisco's only public body dedicated to protecting animals and ensuring their interests are represented in city policy. The Commission provides an essential public forum for community voices, transparency, and accountability—something a department alone cannot offer.

Please don't take away the one place in City Hall where compassion for animals has a seat at the table.

Thank you,

Ava Donovan
Santa Cruz, CA
