Dear Fellow Animal Lover,
I urge you to please keep the Commission of Animal Control and Welfare.

It is San Francisco's only body dedicated to animal protection, and its volunteer commissioners care deeply about the city's wild and domestic animals.

The Commission has led vital progress on zoo animal welfare, cat declawing, bans on cruel glue traps, and stronger penalties for live animal markets ([exposed by Animal Outlook](#) earlier this year).

We need to keep this dedicated body working for our fellow nonhuman animals.
V/r,
STJ
