To Whom It May Concern,

I was born and raised in San Francisco and can't believe you would consider eliminating ACC! I live by McClaren Park and have had to contact ACC dozens of times over the past 20 years after finding hurt and lost animals. Plus I have taken animals to ACC after capturing frightened, lost animals that would be killed running on Mansell Street. I know we are a compassionate city that loves our animals and feel strongly that ACC is necessary. What should we do with these animals if ACC is not available?
