Hello, I'm a tax payer who has been in San Francisco since 1979. I'm writing you to beg you not to eliminate San Francisco's only public body that protects animals, ensuring their interests are represented in city policy. Please don't take the one place in City Hall where compassion for our animals has a seat at the table!

The Commission of Animal Control and Welfare must remain! We are one of the wealthiest cities in the country...it's wrong to eliminate this Commission.

Thank you.
