***RE: Opposition to the elimination of the Bicycle Advisory Committee***

Dear Commission Streamlining Task Force Members,

I am writing to express Walk San Francisco's opposition to the elimination of the Bicycle Advisory Committee (BAC), the city's only citizen committee focused on the unique challenges and perspectives of cyclists.

While Walk San Francisco advocates on behalf of pedestrians, we believe the BAC provides valuable feedback to City agencies on street safety issues that help improve safety outcomes for all San Franciscans. The BAC is also an important venue for public transparency and accountability for safe streets projects and progress.

Sincerely,
