VAC Executive Team Updates:

- **Secretary:**

- Commissioners were asked to report any issues with their city issued VAC email accounts so IT assistance can be requested if needed. All commission information is sent using VAC emails.

He noted the Veterans Affairs Commission has historically supported JROTC and suggested the matter be considered for a future agenda item. [NOTE: Following the meeting, VP Chan emailed the commission secretary to clarify his remarks. The Youth Commission's action was specifically a negative recommendation regarding Supervisor Alan Wong's resolution supporting and preserving the JROTC program within SFUSD. The Youth Commission's own written response acknowledged the importance and positive impact of JROTC on students, while raising concerns regarding staffing, administration, and individual experiences within the program.]
- **President:**
 - President Barnickel welcomed new commissioner Aditya Lakshminarayan to his second meeting as a member of the Commission. President Barnickel then read the Code of Conduct section of the Commission's bylaws, emphasizing professionalism, respectful conduct, integrity, and compliance with applicable rules and policies.
