PRESENTATION

Introduction to VetsBoats Foundation: The Commission received a detailed presentation from Matt Goettelman, VetsBoats Director of Development. Matt described the VetsBoats mission of supporting veterans experiencing PTSD, social isolation, and reintegration challenges by

providing therapeutic sailing and boat restoration opportunities. He shared his background as a West Point graduate, Ranger-qualified artillery officer, and current San Francisco resident who volunteers with Swords to Plowshares. Matt explained that VetsBoats focuses on building camaraderie among veterans and helps them to reconnect after long periods of isolation. He described the multi-year restoration of the WWII cutter 'Clover,' which is scheduled to relaunch on July 4, 2026, and will include a special voyage with surviving members of the 1st Reconnaissance Marine Battalion from the Vietnam era.

Matt also provided metrics on VetsBoats' service impact for 2026, including seven therapeutic sails completed so far this year, four major events held, and 425 unique veterans served to date. He noted that the organization has served over 1,500 veterans in its ten years of operation, supported through 3,000 volunteer hours and 18 agency partnerships.

Commissioners expressed strong appreciation for the program and inquired about operational procedures, outreach efforts, safety protocols, and opportunities to expand collaboration. President Barnickel noted that June is PTSD Awareness Month for veterans. He further noted that the District 4 Supervisor is looking for veterans programs to promote during PTSD Awareness month. He offered to connect Matt with the District 4 office.
