2027 ART ON MARKET STREET POSTER SERIES

PROJECT DETAILS & BUDGET

- The Art on Market Street Poster Series has commissioned new artwork by artists on an annual basis, since 1992. Each year, the Program commissions four artists to create a new body of work.

- Each poster series is on view for approximately three months and consists of at least 6 unique images that are printed at 68 inches high by 47 ¼ inches wide and installed in 14 bus shelters on Market Street between Steuart and 6th Streets.

- The total budget for the design of the poster series is a not-to-exceed amount of $12,000 for each selected artist.

2027 Art on Market Poster Series Public Art Project

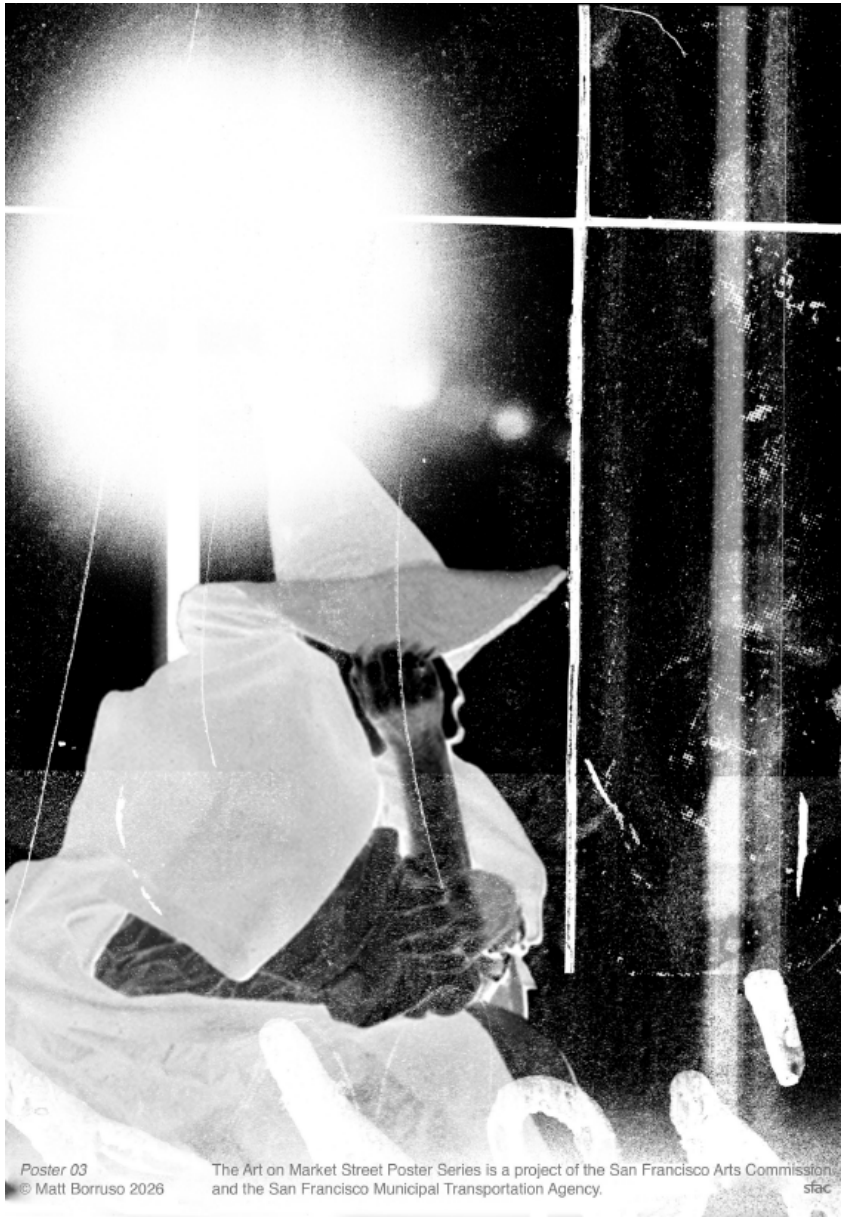

The 2027 Art on Market Poster Series, titled *Market Street: The Next 175 Years*, invites artists to imagine what the next 175 years hold for this major thoroughfare, from now to the start of the 23rd Century. This project intersects with the 2027 Further Triennial, whose mission is to "animate the cultural history and celebrate the creative present of Northern California."
