New Business

Mayor’s Office of Housing and Community Development

Presenter: Sheila Nickolopoulos

AB 2094 (Rivas): General plan: Annual report: Extremely low-income housing
Recommended Position: Support

Existing law requires a city or county to adopt a general plan, which includes a housing element. The local planning department reports annually on the city or county’s progress in meeting its share of regional housing needs (RHNA) and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing.

AB 2094 would additionally require this annual report to include the locality’s progress in meeting the housing needs of extremely low-income (ELI) households. By requiring cities and counties to include additional information in their annual reports, the bill would impose a state-mandated local program.

No public comment.

Motion to approve: Eddie McCaffrey

Seconded by: Dan Kaplan

Approved: 7-0

San Francisco Public Utilities Commission

Presenter: Rebecca Peacock

AB 1814 (Grayson): Transportation electrification: community choice aggregators

Recommended Position: Support

This bill would authorize Community Choice Aggregators (CCAs) to file applications for transportation electrification programs and investments with the California Public Utilities Commission (CPUC). AB 1814 will provide fair access for all ratepayers to these important funds. The SFPUC recommends a support position on AB 1814.

No public comment.

Motion to approve: Ian Fregosi

Seconded by: Holly Lung

Approved: 7-0

Department on the Status of Women

Presenter: Elise Hansel

SB 975 (Min): Debt: coerced debts: right of action

Recommended Position: Support

Economic coercion plays a significant role in domestic violence and other forms of abuse, yet current law does not provide adequate protection for victims.

SB 975 will establish consumer and credit protections for individuals who have been coerced into taking on debt without their knowledge or consent.

No public comment.

Motion to approve: Eric Manke

Seconded by: Ian Fregosi

Approved: 7-0

Department of Public Health

Presenters: Max Gara

SB 1035 (Eggman): Mental health services: assisted outpatient treatment

Recommended Position: Support

SB 1035 would clarify that medication can be included as part of a treatment plan ordered under assisted outpatient treatment (AOT). DPH recommends a support position on this bill, as the change would provide counties an important tool for ensuring that individuals with serious mental illness receive the recommended medication that helps them maintain stability in the community.

No public comment.

Motion to approve: Eddie McCaffrey

Seconded by: Holly Lung

Approved: 7-0

Office of the Treasurer and Tax Collector

Presenter: Michelle Lau

SB 1106 (Wiener): Criminal resentencing: restitution

Recommended Position: Support

Senate Bill 1106 removes barriers to criminal record relief by ensuring outstanding restitution and restitution finds are not used to deny a request for expungement.

We recommend supporting this bill. Ensuring successful re-entry for people with past convictions benefits the broader community; expungement petitions should not be denied due to outstanding restitution debt.

No public comment.

Motion to approve: Ian Fregosi

Seconded by: Eric Manke

Approved: 7-0
