San Francisco, CA 94102

Dear Arts Commission:

On behalf of the San Francisco Recreation and Park Department, I am writing to request your approval for a proposed tile mosaic mural affixed to the exterior wall of a new single bathroom building that will be installed in Precita Park this winter.

The proposed location for the art mural is on the south façade of the restroom building, adjacent to the entrance and facing the interior of the park. The restroom is situated near the intersection of Precita Avenue and Harrison Street, approximately 40 feet west of the playground's northwest entrance. The proposed design was inspired by Precita Park's existing Butterfly Garden and "Butterflies Forever" mosaic mural. Each tile in this new mural will be designed by a community member, featuring a background color scheme and core theme of butterflies, flora, and fauna. Once all the tiles are assembled and grouted into place, the coordinated background color scheme will transform these individual tiles into a cohesive image of a large butterfly.

There has been robust community outreach, engagement, and support for the mural project. Community members worked with Precita Eyes Muralists to develop the overall mural design and will create the tiles themselves with the help of Precita Eyes Muralists staff. The Department is thrilled to work with artist Susan Cervantes, Precita Eyes Muralists, Precita Valley Neighbors and the community at large on this project, welcoming more art into Precita Park that expands on a theme that is already embraced by park visitors and the surrounding community. The project will also give the new modular bathroom facility a unique, local character.

The SF Arts Commission and the Recreation and Park Department do not take responsibility for maintenance or preservation of murals. Therefore, Precita Valley Neighbors will maintain the mural with support from Precita Eyes Muralists.

Thank you for your support and we look forward to seeing the final project!

Sincerely,

Sarah Madland (Jul 25, 2025 13:11:39 PDT)

Re: Letter of Support for Precita Eyes Muralists Association Inc.'s Mural Design to SF Art Commission for Precita Park Restroom Mural Project

Dear Art Commissioners,

We strongly support the art design of the Precita Park Restroom Mural Project. The community has engaged public design collaborations in several community meetings culminating in a free collaborative public design workshop held on July 12, 2025 at Precita Eyes Workshop on 398 Precita Avenue, San Francisco, CA. 94110. After the neighborhood group was stranded by the San Francisco Parks Alliance, Precita Eyes Muralists continued to work with the community by offering fiscal sponsorship and fundraising to engage the community on creating a mural for the Precita Park Restroom to be installed in early 2026. We are grateful to the San Francisco Recreation and Parks Partnership which guided the design steps to make the mural ready for installation. Over 300 residents have participated in the community design workshop and meetings for this butterfly design. The butterfly design coordinates the symbolic and visual elements of the Butterfly Garden and the Butterfly Mural in the Childrens' Playground.

The Precita Park Restroom Butterfly Mural Project serves as an engaging act to honor our diversity and create a beautiful setting for all to experience.

Yours Sincerely,
