I. Speaking before the Civil Service Commission

Speaker cards are not required. The Commission will take in-person public comment on all items appearing on the agenda at the time the item is heard. The Commission will take public comment on matters not on the Agenda, but within the jurisdiction of the Commission during the "Requests to Speak" portion of the regular meeting. Maximum time will be three (3) minutes. A subsequent comment after the three (3) minute period is limited to one (1) minute. The timer shall be in operation during public comment. Upon any specific request by a Commissioner, time may be extended. People who have received an accommodation due to a disability (as described below) may provide their public comments remotely. The Commission will also allow public comment from members of the public who choose to participate remotely. It is possible that the Commission may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Commission will attempt to correct the problem, but may continue the hearing so long as people attending in-person are able to observe and offer public comment.

J. Public Comment and Due Process

During general public comment, members of the public sometimes wish to address the Civil Service Commission regarding matters that may come before the Commission in its capacity as an adjudicative body. The Commission does not restrict this use of general public comment. To protect the due process rights of parties to its adjudicative proceedings, however, the Commission will not consider, in connection with any adjudicative proceeding, statements made during general public comment. If members of the public have information that they believe to be relevant to a matter that will come before the Commission in its adjudicative capacity, they may wish to address the Commission during the public comment portion of that adjudicative proceeding. The Commission will not consider public comment in connection with an adjudicative proceeding without providing the parties an opportunity to respond.

The ringing and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting.
