BTWCSC has a robust outreach and community engagement strategy that includes partnerships with community members, farmers, chefs, and institutional partners to ensure their program is properly supported and reaches communities on the fringes of SF. They partner with CBOs that offer multilingual services and conduct outreach efforts in housing facilities to support individuals with varying levels of mobility. In addition, their network of connections throughout the city supports them in building relationships and trust amongst those they serve.	10	BTWCSC has provided a detailed evaluation and reporting plan for tracking and measuring their outcomes. They also identified specific data points that have been collected and data collection tools that have been utilized. For example, they conduct focus groups to gain insights on the perspective and experiences of specific communities navigating housing challenges. With their legacy of providing services in community for over 100 years, they have remained committed to being transparent with stakeholders and remaining accountable to those in greatest need.	5 Points
