B: Program Design & Implementation

Category	Score	Optional Rationale
	12	The program design was clearly laid out even giving a breakdown of curriculum in four 6-week modules. It gives an idea of what a young person would experience when they attend the program on any given week including: skill-building, topics, and community building activities. The program also mentions how the facility is ADA-compliant, and how staff would provide transportation. There isn't any mention of accommodation for anyone with neurodivergency, or invisible disabilities.
