Organization Name	Service Area	Total Score	A: Organizational Background & Cultural Responsiveness	
			Category Score	Optional Rationale
Code Tenderloin	Youth Development & Education	74	29	The proposal shows how the organization's mission, history, and track record align with the RFP. This section could have described the key staffing roles and qualifications more
Code Tenderloin	Youth Development & Education	70	29	
Code Tenderloin	Youth Development & Education	63	24	Examples needed much more detail.

B: Program Design & Implementation

Category Score	Optional Rationale
14	The program design was mostly clearly detailed. While it mentioned that sessions run for 8-weeks, it did not mention how many days per week, and hours per day.
11	
9	Too many bullet points, detailed paragraphs would paint a more clear picture

C: Deliverables & Work Plan

Category Score	Optional Rationale
15	The proposal clearly identifies the programs outputs, how it will achieve them, and its metrics to show progress and completion. The proposal also identifies potential barriers and how staff will mitigage them
9	
12	This section was much more clear.

D: Detailed Budget		E: Outreach & Community Engagement		F: Evaluation & Reporting
Category Score	Optional Rationale	Category Score	Optional Rationale	Category Score
	1 the attached budget seemed to be incomplete with some line items not having an allocation. Because there was no budget narrative, there is no way of telling if some of those line items without an allocation are in-kind services and resources. And because of that, there is no way of confirming what the total ask is		6 this could have been described in more detail	4
	6		5	5
	8 staff roles were clear		4 Only bullet points, lacked details	1

G: Letters of Recommendation

Optional Rationale	Category Score	Optional Rationale
this could have been described in more detail	5 Points	The letters of recommendation are "Strong" and the supporters are knowledgeable on the agency's services and have demonstrated past collaboration with them
	5 Points	
not adequately addressed	5 Points
