		Well developed work plan. Since the lead arts staffer has not been hired, it is to hard to assess determine skill of artistic leadership. Most of staff identified are social workers, clinicians who work within social service/community field.		Realistic budget with meaningful compensation for artists, but would be good for SFRT line item was more than \$10k. Since this organization is the only identified arts personnel/contractor, it would be good if they had a larger role in this project.	10
