

A: Organizational Background & Cultural Responsiveness

Organization Name	Service Area	Total Score	Category Score	Optional Rationale
TGIJP	Arts & Cultural Preservation	81	29	there are few resources that celebrate Black Trans culture-this is a valuable project and program, Identified vital needs they serve for this marginalized-within-a-marginalized community-Black Trans. Though they express a vital need to provide for the Black Trans community, I was unclear about how long they've been doing this work.It's not called out. The description of past activities feels vague, and leaves out details (where was event held? What year was it held?).
