Focus is on developing a strategic plan that centers equity and focuses the work at this critical junction (25 years!) for YAX.	15		10		10
		Exemplar of 4 clear deliverables.		Would suggest putting more into Admin Staff salaries for this work (beyond the executive director salary).	
	14	Key timelines and the workplan are noted in the section above. Will this plan draw on any community partnerships outside for YAX and the consultant? Narrative could also use more about risk mitigation.	9	Seemingly, consultant fees may be a bit low - unless this is a combined fee for the same consultant?	9

	10		0 Points	Both letters are dated in 2024, one is addressed to the "California Arts Council".
More detail in WHAT outreach strategies will be implemented.	A bit more detail on how to measure the impact and/or integration of community feedback in the final strategic documents. Will you have any final community readers? 9 Can the youth board give final feedback?		3 Points	The letter from Mission Housing Development Corporation is to CAC and could be more specifically in support of this project.
	7		3 Points	The letters did not directly address the impact of this funding on their partnership with YAX and one of the letters was addressed to a different funder.
