Workforce development training, coaching and tools. 4 cohorts of 10 participants over 2-years including mini-grants and matching saving program. Training classes - 10-hours. The ratio of cohorts/people served in 2-year period is a low ratio for grant period. The depth of the program consists of low barrier job training workshops and mentorship. The structure was not broken-down in timeframes and is difficult to comprehend the amount of time allotted to specific programming.
