The Afterschool Suicide Prevention Initiative is well-defined. Objectives are clear. Accessibility is well integrated. The plan is backed by partnerships and detailed implementation milestones.	11		7	Not specific on who the partners are allowing them to leverage additional resources.	6
	14	Deliverables are specific and measurable. Work plan outlines roles and provides a risk mitigation framework. While the organization is still building staff infrastructure, the plan demonstrates readiness and sustainability with contingency considerations.	8	The budget is detailed, includes necessary staffing, mental health consultants, evaluation, and culturally relevant supplies. Fiscal sponsor (15%) is significant but justified for compliance and infrastructure support. The narrative links most expenses to program goals, though some line items could benefit from more direct tie-ins to measurable outcomes.	9
