OpenHouse	Wellness & Safety Services for Gender-expansive Communities	90	30	Comprehensive and seemingly unique services. Pivoted in pandemic to continue to engage. Diverse in age and demographic backgrounds.	14	Grant would provide funding for two roles- case manage and crisis intervention specialist. Does not appear these roles are currently staffed. Note that recruitment for these roles would be from within the TGNCI community. Comprehensive plan and connections to community groups and sevicees.

14	As this seems to fund two new roles, not a lot of info on staff backgrounds but would recruit from TGGNC community. Important notes on how the community's needs differ-- ie: negative life impacts put greater stress on individuals, aging them and creating a different set of needs	9	Note sure of 15% indirect is permitted?	9	Expanded language services; working on diversity.	9
