MEMORANDUM

DATE: September 4, 2025

TO: Honorable Civil Service Commission

THROUGH: Carol Isen, Human Resources Director

FROM: Shawn Sherburne, Assistant Director of Employment Services
Giano Bito, Client Services Consulting Manager

SUBJECT: Report of Exempt Appointments, Position Requests, and Expired Appointments under Charter Sections 10.104-16 through 10.104-18 for the period of July 1, 2024 to June 30, 2025

Executive Summary

This consolidated annual report is submitted to the Civil Service Commission. It provides:

- An update on appointments and position requests exempt from Civil Service Rules under Charter Sections 10.104-16 through 10.104-18.
- A review of exempt appointments that exceeded permissible Charter durations (expired appointments).

The reporting period covers July 1, 2024 through June 30, 2025. The Department of Human Resources (DHR), in partnership with City departments, continues to manage and monitor these appointments while identifying and addressing areas of noncompliance.

Background

Subject to Civil Service Commission (Commission) approval, Charter Sections 10.104-16 through 10.104-18 allow certain temporary, seasonal, substitute, and project-based positions to be exempt from civil service selection, appointment, and removal procedures. On March 8, 2018, the Commission updated procedures for processing such appointments. The Human Resources Director is authorized to review and approve requests, and DHR provides the Commission with annual reports. This consolidated version includes both the standard report of exempt appointments and position requests as well as a focused review of expired appointments that exceeded Charter limits.

Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Appointees may not work more than 1,040 hours during any fiscal year. Departments must justify exempt requests under categories such as seasonal work, peak workloads, sporadic work, backfill for leave, disaster response, or pending PCS appointments. DHR provides training, tracking, and centralized monitoring to ensure compliance.

Charter Section 10.104-17: Substitute for PCS Employees on Leave

Departments must indicate the name and expected return date of the PCS employee on leave. Requests are only valid when tied to a PCS incumbent's absence. DHR provides oversight, training, and tracking for these appointments.

Charter Section 10.104-18: Special Project or Professional Services

Departments submit the project title, duration, objectives, scope of work, and essential duties. DHR tracks these appointments, which often include apprenticeship and training programs such as JobsNow, Workreation, and Gardener Apprenticeships.

Trend Reports

During the reporting period, there was a decrease in the number of approved position requests and appointments across Charter Sections 10.104-16, 10.104-17, and 10.104-18 compared to prior years.

As of June 30, 2025:

- 1,575 Charter Section 10.104-16 appointments (4.7% of workforce).
- 123 Charter Section 10.104-17 appointments (0.37% of workforce).
- 2,725 Charter Section 10.104-18 appointments (8.1% of workforce).

Total: 4,423 appointments (13.2% of workforce).

For additional detail, this report includes summary data on appointments and approved positions requests (Attachment A), a listing of expired appointments (Attachments B and C), a listing of approved position requests by department (Attachment D), and a listing of all Charter Section 10.104-16 appointments by category (Attachment E).

Expired Appointments

In addition to monitoring valid appointments, DHR tracks those that exceed Charter limits:

- Category 16: No violations.
- Category 17: Acknowledged instances of appointments exceeding the 2-year limit.
- Category 18: Acknowledged instances of appointments exceeding the 3-year limit.

Departments were notified in advance through PeopleSoft reporting and DHR Client Services support. In these cases, departments allowed appointments to continue beyond authorized limits. Attachments B and C provide details on expired appointments (incumbent name, job code, and department).

Conclusion

The combined efforts of DHR and departments continue to ensure the appropriate use of exempt appointments. DHR will continue to partner with departments to improve compliance.

Recommendation

Adopt the report.
