<b>Requested Action</b>	Amendment: No change in scope, term extension - Change in Service Level funding (increase or decrease annual funding)										
<b>Purpose:</b>	The requested action is the approval of a contract amendment for the Asian and Pacific Islander Wellness Center - Unhoused Trans and Gender-Diverse Individuals to increase the Total Contract Amount with Contingency to an amount of \$2,886,945 and to extend the current contract term from 10/01/2024 through 6/30/2026 (1 year and 9 months) to 10/01/2024 through 6/30/2028 (3 years and 9 months). The Health Commission previously approved this contract on September 3rd, 2024. This contract provides direct street-based outreach to unhoused transgender and/or gender diverse (TGD) persons in neighborhoods disproportionately impacted by homelessness. The proposed amendment is authorized under SFGOV-RFP 0000009070.										
<b>Reason for Funding Change:</b>	The Department is requesting the approval of a Total Contract Amount with Contingency of \$2,886,945, or an increase of \$1,318,945 due to the following reasons: (1) A decrease in Prop C Grant Fund funding in the amount of \$117,875 due to unspent funding for FY24/25; (2) a One-time Carry-Forward of Prop C Grant funding increase in the amount of \$117,875 for FY25/26; (3) additional Prop C Grant Fund funding For FY26/27 and FY27/28 in the amount of \$1,240,000, or \$620,000 annually; and (4) an increase in the amount of \$78,945 to the 12% Contingency value applied for FY25/26 thru FY27/28. The current Contingency amount is \$246,945.  Please Note: The annual funding level is increased by \$117,875 due to the following reason: (1) a One-time Carry-Forward of Prop C Grant funding in the amount of \$117,875 for FY25/26.										
<b>Service Description:</b>	These services will include (1) Peer Navigation and Outreach which will provide short term behavioral health services for unhoused transgender and/or gender diverse individuals in temporary supportive housing sites that will include referral, navigation, and outreach services and (2) Behavioral Health Service Expansion (with the Department of Homelessness & Supportive Housing (HSH), Behavioral Health System of Care Adults & Older Adults (BHS-AOA) and transgender and/or gender diverse (TGD) serving community-based organizations) that will provide short term behavioral health services for unhoused transgender and/or gender diverse individuals in temporary supportive housing sites through comprehensive assessment, referral, navigation, and direct mental health services that will include outpatient individual sessions, group therapy sessions, and substance use treatment services; and (3) Capacity Building and Training Development with the BHS-Training Office which will work with the BHS Training Office and departmental subject matter experts to research, develop, and produce foundational and advanced cultural humility transgender health trainings for City staff and providers to deliver a better understanding of TGD individuals experiencing homelessness and enhance their capacity to effectively serve this population. Program 3 is proposed to be eliminated beginning FY26-27.										
<b>Deliverables &amp; Unduplicated Clients:</b>	Peer Navigation & Outreach: \$270,600/1,155 hours = \$233.77 (75 UDC) Behavioral Health Assessments: \$456,925/2,568 hours = \$177.93 (255 UDC) Capacity Building & Training Development: \$90,350/3 Trainings = \$30,116.67 (3 trainings, 3 sessions of each)

<b>Requested Action</b>	Amendment: No change in scope, term extension - Change in Service Level funding (increase or decrease annual funding)										
<b>Purpose:</b>	The requested action is the approval of a contract amendment with Civic Edge Consulting, LLC to increase the Total Contract Amount with Contingency to \$1,695,619 and to extend the contract term by 1 year for a total contract duration of 3 years from 2/1/2024 through 1/31/2027. The Health Commission previously approved this contract on February 10, 2025. The services are focused on educating the community through a public education campaign about issues related to substance use in San Francisco. The contractor Civic Edge Consulting works with the San Francisco Department of Public Health (SFDPH) to develop a public education campaign dissemination plan by providing an analysis of the San Francisco market and population and recommendations for how to optimally reach the intended target audience. Civic Edge Consulting designs multilingual public education materials across multiple platforms such as digital and social media, videos, infographics, transit shelter ads, billboard ads, bus panel ads, Newspaper kiosk ads, brochures. Civic Edge Consulting will disseminate multilingual public education campaign materials across various mediums: print, digital, TV, Radio, social media, among others.										
<b>Reason for Funding Change:</b>	The Department is requesting the approval of a Total Contract Amount with Contingency of \$1,695,619, and an increase of \$655,023 due to the following changes: (1) An additional \$655,023 in grant funding became available for FY 2026–27, and (2) this funding will support the launch of a third wave of the campaign, building on the demonstrated success of the first two waves. The "waves" are in reference to the release of the media (e.g. posting billboards, posting of social media campaigns, posting of bus advertisements, radio advertisements etc.). The first two waves represent the first two releases of the campaign materials, the third wave represents the third release of the campaign materials.										
<b>Service Description:</b>	<p>In response to high overdose rates, SFDPH is working to expand awareness of and access to substance use treatment options throughout San Francisco. The Living Proof campaign showcases the city’s full continuum of care and helps people find and connect with the support they need.
