

***Regular Meeting of the
Abatement Appeals Board***

February 18, 2026

***Agenda Item D1
Appellant Statement***

to whom it may concern I will explain about the work that is going on First of all it Don't take 3 years to complete the house or now the worker He was supposed be contractor but he lied And used and abused my Aunt for money on the house we have all the receipts And Material that we cant use anymore we got are blueprints Done because they didn't have Blueprints for the house one Sun it was Boulded in 1907 very strong but back to the house's another worker planned to paint the house inup painting half of it and also gave them money ahead of time and still ~~cost~~ took the ~~time~~ to say advantage to get over not to mention my Aunt 82 years of ~~age~~ retired from Delta Dental worked 48 years plus had to take care of Mr Neron me And his wife Margarita because he was bad bowled And was on Hospice ~~into~~ home so it was really hard for her and u to deal with so I ask for ~~that~~ a little exstution to complete the house and whatever nots to be done thank you very much.
