Greetings Appeals Board Members ,

I write on behalf of Independent Living Resource Center San Francisco to urge the Board to REJECT complaint # **202309727 (2960 Polk Street)** We support

Housing Code 713(b) that requires ALL elevators to be repaired , regardless of building height. The seniors and people with disabilities who live in buildings under 40 feet deserve to have their elevators repaired regardless of building height . We urge the Board to REJECT this appeal and uphold Housing Code Section 713(b).

Please let me know if you have any questions,x

Fiona Hinze

Director of Public Policy
