This motion carried unanimously.

C. REQUEST FOR REHEARING: Order of Abatement *(Discussion and Action)*

1. CASE NO. 6926: 2121 Laguna St. - Complaint # 201843561

Owners of Record & Appellant: CATHERINE SILER

ACTION REQUESTED BY APPELLANT: Appellant is requesting that the Commission rehear the Appellant's appeal filed on July 28, 2022 and heard on July 17, 2024 pursuant to Section IV, subsections A and B of the Abatement Appeals Board Bylaws and Rules of Procedure.

Public Comment

Mr. Robert Caruso said he was representing the property homeowner's association and wanted to clarify a few emails from Gilbert Lam that was received stating the property was removed from the lien cycle because an appeal was filed and that was why the homeowner's association filed the request for rehearing to ask if being removed from the lien cycle had any bearing on the Board's original decision in July 2024.

Abatement Appeals Board Secretary Matthew Greene said the lien cycle was once the Order of Abatement had been recorded and the bill generated if it was not paid it would be put on the property taxes for that year, but the order was placed on hold due to filed appeal the order was not recorded.

Mr. Caruso said the lien cycle had no bearing on the decision in July 2024, except there was not a lien placed on the property.

Mr. Greene said that was correct.

The request for rehearing was withdrawn by the Appellant's representative Mr. Robert Caruso and no motion or vote was required.

Public Comment

Catherine Siler named as the Appellant made a comment for clarification that her name was listed due to how the homeowner's association uses the lowest unit number of the condominium property for mailing purposes.

Ms. Siler said there was a project contracted in May 2019 and was not asked to pay an assessment until 2020, and those monies were collected. Once the shelter-in-place was lifted from the pandemic in 2021, the project continued and was completed in July 2023. The project was on hold due to the pandemic and the assessment was a large amount and she wanted the Board to consider that.

D. GENERAL PUBLIC COMMENT.

There was no general public comment.

E. ADJOURNMENT

Commissioner Alexander-Tut made a motion to adjourn the meeting, which was seconded by Vice President Neumann.

The motion carried unanimously.

The meeting was adjourned at 9:59 a.m.

Respectfully submitted,

Monique Mustapha, Assistant BIC Secretary
