

2026 SFEC Goal: Improve the Commission's Ability to Effectively Serve via Educational Opportunities (DRAFT LANGUAGE)

The Commission will engage in at least four educational sessions during 2026, which will increase commissioners' and the public's understanding of topics relevant to the Commission's purpose of ensuring that San Francisco elections are free, fair and functional, and better position commissioners to be effective in their public service.

COMMISSIONER NAME: [Renita LiVolsi](#)

TOPIC: Artificial Intelligence (AI) and its implications on Elections

GOAL(S):

(What do you want commissioners to understand better or know, or do afterwards?)

- AI use in election administration and security
- Risks and opportunities for voter engagement and information
- Regulatory and ethical considerations
- Best practices for addressing AI-related challenges

PRESENTER(S):

(Describe the type of presenter or subject matter expert you would like to invite, and include any already-confirmed names or orgs)

I sent an email invitation to the following individuals with a brief description of the sessions and goals that are listed above.

- [Catherine Bracy - Founder & CEO](#) - Organization: Tech Equity
- [Brian Chen - Policy Director](#) - Organisation: Data & Society
- [Rindala Alajaji](#) - Associate Director of State Affairs - Organization: Electronic Frontier Foundation

WHEN TO HOLD THE SESSION. Please indicate your first, second, and third choices for which month to hold the session, and include any other comments, if needed.

1. First choice: **March 18, 2026** (ideally, however, it ultimately depends on presenters' availability)
2. Second choice (Will depend on presenters availability.)
3. Third choice (Will depend on presenters availability.)
