DEPARTMENT AHR Agency for Human Rights

Major Changes		Department Response to Major Changes
<b>Budget Instructions</b>	Did the department follow the Mayor's Budget Instructions?	Mayor's Budget Office issued a \$5.5M reduction target for Agency for Human Rights; the department phase submission reflects a good-faith partial reduction package, with remaining alignment addressed in the Mayor's phase. Over the last year, Dream Keeper Initiative (DKI) funding has seen significant disruption which has made it difficult for the program and associated funding which has made the goals of the program difficult to be fully realized. AHR proposed reductions aim to allow grant funding for DKI to continue without further disruption to the program and funded CBOs.
<b>Summary</b>	What major changes is the department proposing? Clearly describe each change, including the fiscal impact of the proposal. In addition, submit a 1-2 page memo inclusive of all program areas with major changes. The memo should address: 1) all programs being wound down (and the timeline) 2) all new programs being stood up (including those stood up in the current fiscal year being annualized in the budget) 3) any programs being sustained but with changes to service levels due to funding changes	<p>Major changes proposed:</p> <ul style="list-style-type: none"> <li>• Department phase package totals \$3.0M in HRC programmatic reductions, while DOSW programmatic increases of ~\$318K and AHR wide technical adjustments to attrition totaling ~\$500K offset at the agency level for ~\$2.2M of total budget reduction.</li> <li>• HRC             <ul style="list-style-type: none"> <li>o \$3.0M reduction to San Francisco Human Rights Commission Reinvestment Initiatives / Dream Keeper Initiative funding (5060 ProgPr) comprised of ? Significant reductions to the YouthWorks component of Opportunities for All (OFA) beginning in budget year and impacting the upcoming summer 2026 cohort, results in \$2M in savings. Rationale: YouthWorks is a job training program that exposes youth (13-17) to public sector jobs. This proposed reduction concentrates scarce internship placements on higher-need/ at-risk youth and reduces some overlap with the broader OFA program. .</li> <li>? \$0.5M reduction to the planned Foundation Empowerment Grants (RFP 101) meant to serve emerging community based organizations.</li> <li>? \$0.5M reduction to Juneteenth activities starting in program year 2027, shifting toward a smaller footprint and lower-cost model.</li> </ul> </li> <li>• DOSW             <ul style="list-style-type: none"> <li>o Approx. \$278K increase (5380 CityGP): Supports DOSW grant programming for human trafficking-related intervention/prevention and self-sufficiency services, including culturally responsive and low-barrier supports delivered through community partners.</li> <li>o \$40K increase (5210 NPSvcs): Supports community events, engagement, and public awareness activities for Women's History Month and Domestic Violence Awareness Month.</li> </ul> </li> <li>• AHR transition / budget structure change: budget is being organized to reflect the new AHR umbrella while preserving clarity between DOSW and HRC for transparency.</li> <li>• Technical attrition adjustment: The submission includes a correction to prior-year attrition assumptions for HRC and DOSW that were entered at levels outside reasonable workforce benchmarks; resetting to more reasonable rates increases salary/fringe budgeting by approximately \$500K annually and does not reflect new positions or upward substitutions.</li> <li>• DKI structural funding shift: DKI/Reinvestment Initiatives are being transitioned from Fund 10020 / Authority 21748 (continuing) to Fund 10010 (authority-controlled annual) going forward</li> <li>• Existing 10020 balances are programmed to support current year commitments and projected carryforward balances planned for use.</li> </ul> <p>Programs wound down:</p> <ul style="list-style-type: none"> <li>• YouthWorks: significant reduction under this plan in BY (starting with summer 2026 cohorts), with implementation steps aligned to contract execution / placement cycle timing.</li> </ul> <p>New programs stood up:</p> <ul style="list-style-type: none"> <li>• \$1.2M investment to reduce maternal health disparities. Partnership with Mayors office, City College, DPH, and DEC. (\$1.2M + equals two years of training for about 65 participants). Equity impacts / concerns:             <ul style="list-style-type: none"> <li>• YouthWorks rescaling reduces youth workforce participation and may disproportionately affect youth who benefited from lower-barrier placements; mitigation is prioritizing remaining OFA capacity toward higher-need cohorts.</li> <li>• Juneteenth reduction starting in program year 2027 may affect cultural visibility and community trust; the department intends to maintain commemoration while shifting to a more sustainable delivery model.</li> <li>• Because Dream Keeper Initiative (DKI) and reinvestment funds were intentionally designed to address systemic disinvestment in historically marginalized communities. Investments are meant to close gaps in health, economic stability, and safety. Further reductions will significantly destabilize community serving organizations and the goals of the program.</li> </ul> </li> </ul>
<b>Fund Balance</b>	For each fund that includes fund balance as a system-loaded revenue source (i.e. showing up in the budget submission), describe the following: 1) What is the total fund balance amount as of December 31, 2025? 2) What is the projected total fund balance that will remain at the end of the current fiscal year? 3) In the department's submission, how much fund balance is proposed for use in the budget fiscal years? 4) What is the proposed use of budgeted fund balance each fiscal year? Is the proposed use a one-time or ongoing cost? 5) If any fund balance will be left unused, please explain how much and why. 6) Of all revenue sources supporting the fund, what percentage is fund balance?	No fund balance as system loaded source
<b>Source Type</b>	What programs is the department proposing to fund with one-time sources? If the programs are proposed to continue after the exhaustion of one-time sources, explain how the department will fund them.	No fund balance as system loaded source
<b>Investments</b>	Is the department proposing any upfront cost / investments in this budget that will save money over time? Describe how the spending reductions will be realized and on what timeline. (ex: new vehicle purchase that saves money on maintenance or fuel annually, paying for itself by FY29)	None proposed in the department phase submission.
<b>General Fund Target</b>	If the department met the General Fund reduction target assigned in the Mayor's Budget Instructions, what are the ongoing changes made to achieve it? What are the high-level programmatic, operational, or staffing impacts of the proposed reductions? Is the department proposing any increases in revenues to meet target?  For Non-General Fund Supported departments, please describe your strategy for absorbing cost increases or revenue reductions without adding new costs to the General Fund.	<ul style="list-style-type: none"> <li>• Target: \$5.5M (agency-wide).</li> <li>• Department phase submission: ~\$2.2M, with remaining alignment addressed during the Mayor's phase.</li> <li>• Staffing note: No staff reductions are proposed in this phase to avoid degrading grant administration, fiscal stewardship, and invoice/payment capacity that is critical to ensure proper funding administration, compliance and risk mitigation.</li> </ul>
<b>Expenditures</b>	What major spending changes is the department proposing? How has the department evaluated grant allocations, non-personnel expenditures and contractual services for cost-effectiveness and efficiency? Please provide information about any changes that affect core services and functions. Highlight any changes related to major initiatives as noted in the Summary section and provide details in Form 3A.	<ul style="list-style-type: none"> <li>• Spending reductions:             <ul style="list-style-type: none"> <li>o \$2.0M reduction: DKI/Reinvestment (5060 ProgPr) tied to YouthWorks rescaling.</li> <li>o \$0.5M reduction: DKI/Reinvestment (5060 ProgPr) tied to Foundation Empowerment Grants.\$0.5M reduction: DKI/Reinvestment (5060 ProgPr) tied to Juneteenth activities.</li> </ul> </li> <li>• Spending increases (DOSW):             <ul style="list-style-type: none"> <li>o \$280K increase in Fund 1000 (5380 CityGP).</li> <li>o \$40K increase in 5210 NPSvcs.</li> </ul> </li> <li>• How evaluated: reductions concentrate on targeted components to manage equity/operational risk while maintaining core programs.</li> <li>• Attrition correction impact: Salary and fringe reflect a technical reset of prior overstated attrition assumptions (approx. \$500K annual adjustment); this is a budgeting alignment, not a staffing enhancement.</li> </ul>
<b>Revenues</b>	What revenue changes did the department submit? Please differentiate between General Fund and non-General Fund. This should match an Audit Trail, as shown in Form 2A Revenue Report, as well as, the Expenditure Report in Form 3A.	NA
<b>External Policy Revenue Impacts</b>	What impact/significant changes in programming does the department project due to revenue shocks from the state or federal government? How are these reflected in your submission?	• State funding volatility related to the Californians for All grant supporting OFA remains a risk factor in outyears. Assumptions based on current state funding information which may change in subsequent budgets..

<b>Revenue Increase Index</b>	Did the Department increase fees or other revenues above Controller's provided CPI index? If so, please explain what is driving the increase.	NA
<b>Positions</b>	What position changes is the department proposing? How do the changes map to programs the department proposes to sustain or modify? For any changes to internal operations/indirect services, explain how they relate to core service delivery. How does the department plan to utilize or eliminate any vacant positions in their budget? Highlight any changes to FTE levels, budgeted attrition, temporary salaries, substitutions, or changes in status, and provide details in form 3B.	<ul style="list-style-type: none"> <li>• No position changes proposed in department phase; focus is programmatic reductions.</li> <li>• Technical attrition correction: Budgeted attrition assumptions for HRC and DOSW were revised to correct prior clerical errors that produced excessive attrition and salary shortfalls.</li> <li>• Revised levels (FY27): HRC -10.7%; DOSW/WOM -8.1% (prior figures included materially higher rates, e.g., HRC FY26 -12.6% and WOM FY27 -34.7%).</li> <li>• This is a budgeting alignment to reasonable workforce planning benchmarks and does not represent new staffing or substitutions.</li> </ul>
<b>Substitutions</b>	Is the department requesting any substitutions of positions? How many substitution requests are for filled positions?	None
<b>Transfer of Functions</b>	Is the department requesting any Transfer of Functions of positions between departments? If so, please explain.	No external TOFs. Transition to implement AHR is an HRC-to-AHR TOF specific to the department
<b>Interim Exceptions</b>	Is the department requesting any interim exceptions (new positions that are 1.0 FTE rather than 0.79 in BY and .78 in BY +1)? If so, for what reason are the request being made?	None
<b>Discretionary Workorders</b>	What changes to discretionary workorders is the department proposing? What effect will those changes have on the department's programs and core service delivery?	No discretionary workorder changes proposed.
<b>Legislation</b>	Please itemize any legislation required for budget submission, including: A&Es / recurring grants, fee schedules, etc.	NA
<b>Prop J</b>	Identify existing Prop J Analyses that will continue, and if the department's budget proposes any NEW contracting out of work previously done by City workers.	NA
<b>Budget Equity</b>	Do any changes to the department's budget described above impact the department's ability to implement its racial equity plan? If so please explain.	<ul style="list-style-type: none"> <li>• Key equity concern: reductions to DK/Reinvestment-funded programming risk reinforcing concerns of disinvestment in communities the fund was designed to support; the department is phasing changes, maintaining stability for active commitments, and prioritizing remaining capacity toward high-need communities.</li> <li>• Programmatic equity impact: fewer youth workforce opportunities from YouthWorks reductions; mitigated by preserving other OFA placements and aligning the portfolio to greatest need.</li> <li>• Cultural equity impact: scaled Juneteenth reduces City-funded activation; intent is to sustain commemoration through a smaller, more sustainable model.</li> <li>• Operational equity safeguard: no staffing reductions in this phase to maintain timely payments, compliance oversight, and contract stewardship that protect community partners from downstream harm.</li> </ul>
