

Proposed Data Oversight Priorities

- 1. Breaking the Cycle Impact** – Track service scaling, housing outcomes, and alignment with *Home by the Bay*.
- 2. Fiscal Impact of Interventions** – Measure whether PSH and shelter reduce costs in emergency services and justice systems.
- 3. Nonprofit Sustainability** – Ensure contract model supports providers ability to deliver effective services.
- 4. Vienna Model Lessons** – Explore replicable strategies for long-term housing stability in San Francisco.
