

Annie Street (between Market Street and Stevenson Street)

Community Benefit District (CBD): Yerba Buena Partnership

This site plan template is meant to serve as a guide for fire safety and emergency access. A minimum 5-foot clearance shall be maintained around and under all SFFD infrastructure, including fire hydrants, fire escapes, fire stand pipes, and the clear access path or fire lane, at all times. Lightweight tables and chairs are permitted provided required clearances are maintained and items are movable.

SFFD Infrastructure

- FH:** Fire Hydrant
- FE:** Fire Escape
- FS:** Fire Stand Pipe
- SFFD Clear Access Path:**
An access path intended for hose leads carrying ladders and equipment.

String Lights

Approved as is per SFFD

Annie Plaza located on Annie Street between Market Street and Stevenson Street

Community Benefit District (CBD) - Yerba Buena Partnership

Fire Department Permit Conditions

- For events that close a street(s): Apply at least 2 weeks before.
- For events with over 1,000 attendees: Apply at least 6 months before.
- Some activities can be accepted 5 days before.
- Keep at least 5 feet of clear space around fire hydrants, standpipes, fire escapes and the clear access path.
- Lightweight tables and chairs are permitted provided required clearances are maintained and items are movable.

Entertainment Commission Permit Conditions

Disclaimer: The following permit conditions and sound limits are meant to serve as guidelines and are subject to change upon review of required Entertainment Commission permit application. After permit issuance, conditions may be modified by the Entertainment Commission (EC) at any time. Adjustments may be made based on, but not limited to, complaint history; compliance or enforcement history; the density of sensitive receptors; the concentration of nearby venues or events with amplified sound; applicable [Criteria for One Time Outdoor Events with Extended Duration](#); or compliance with City, state, or federal law. An Entertainment Commission hearing may be required for approval or modification of an EC permit.

- ***Any amplified sound equipment must face in the direction of Market Street and any amplified sound must be projected toward Market Street.***
- Direct EC Staff to set a sound limit in accordance with Municipal Police Code Article 15.1 Section 1060.16 including but not limited to (b)(3): The volume of outdoor amplified sound shall be controlled so that it does not exceed ambient levels at a distance of up to 100 feet measured from the building facade.
- Good Neighbor Policy <https://www.sf.gov/information--good-neighbor-policy>;
- No entertainment and/or amplified sound may occur outside of the date(s), time(s), and location(s) that the Entertainment Commission has approved for your event.
- Amplified sound equipment must be stationary and fixed to a specific location.
- While hosting entertainment and/or amplified sound, permit holder shall have a staff member on site who is able to provide proof of permit, and is aware of all permit conditions including any approved sound limits (EC Good Neighbor Policy Condition #1).
- Permit holder shall provide a phone number to all interested neighbors for immediate contact with a staff member on site who has direct authority over the premises or permitted location, knowledge of all permit conditions including any approved sound limits, and shall respond in a timely manner to address concerns (EC Good Neighbor Policy Condition #4).
- Within 24 hours of any violent incident, or any time SFPD responds to a call for service at the premises or permitted location, permit holder shall complete and send an Incident Report to the Entertainment Commission and the SFPD District Station Permit Officer. The Incident Report Form is available at https://sf.gov/sites/default/files/2022-06/Incident%20Report_Fillable.pdf.
- Permit holder shall abide by all applicable City, State and Federal laws.
- Permit holder shall comply with the Commission approved security plan.
- Permit holder is required to allow inspection by any EC permit administrator, EC inspector, or San Francisco Police Officer (Police Code Sec. 1060.11).
