Significant Operations/Arrests: On March 25, 2026, Mission officers responded to a firearm brandishing incident at 24th and Potrero where witnesses observed a driver pointing a semi-automatic handgun at another motorist. The Crime Gun Investigation Center took over the investigation, in cooperation with ATF, surveillance was conducted of a suspect who was ultimately detained. During that arrest two handguns and numerous boxes of ammunition were seized.

Major Events: There was an attempted Bay Bridge takeover on March 28, 2026, at approximately 11:59 a.m. The CHP alerted SFPD and the Real Time Investigation Center of a large group of bicycles that were suspected of being involved in an attempted takeover of the Bay Bridge. At approximately 2:52 p.m., the group of bicyclists attempted to enter the Bay Bridge via the 2nd Street, Harrison Street off-ramp travelling against the flow of traffic. SFPD and CHP units were able to intervene preventing the group from accessing the freeway. A mass arrest was carried out where individuals were processed and cited, and their bicycles confiscated by CHP. A total of 85 citations were issued and 85 bicycles seized. On March 28, 2026, there was a bomb threat at SFO at approximately 4:09 p.m., dispatch received a call from a subject that he had hidden a bomb in the garage and was armed with an assault rifle. A total search of both international and domestic garages was conducted and an all-clear was given. In the City, there was a No Kings Rally from the Embarcadero to Civic Center with approximately 25,000 people, with no incident.

Chief Lew reported on an incident at SFO and made a statement that “the SFPD 100 percent supports and is committed to our immigrant community.... We absolutely adhere to state law, city ordinance, and our own DGOs regarding our approach to immigration and enforcement. Bottom line is we do not coordinate with, we don’t plan with, we don’t cooperate with ICE and any enforcement activity. We simply don’t deviate from that.” On March 22, 2026, at SFO, at approximately 10 p.m., SFPD received a 911 call from a concerned party, at the airport in Terminal 3, there was a 910, which

is checking on a wellbeing of a female who was crying. During that response, officers got information that there were a couple of males and this woman that were in some sort of dispute. First officers responded on scene and immediately saw a large crowd and asked for more units to respond. Supervisors came on scene shortly thereafter and observed SFPD officers and two people in plainclothes identified as ICE agents and additional uniformed officers who were not SFPD but CBP officers who wear similar uniforms to SFPD. Per policy, the lieutenant made contact with the parties and were able to ascertain that plainclothes officers were in fact ICE agents carrying out a lawful activity and it was in fact an ICE incident. So at that point, it was made clear that SFPD were not cooperating or doing anything beyond that and SFPD's role in staying there was strictly in a public safety capacity.
